

Randall Hickman and Eileen Bowman
**We Never Met a Piece of Scenery
We Couldn't Chew!**

They're back Baby!

If you thought after their sold out, two week run in November was the end...boy, were you wrong.

They're like cockroaches - we'll never never get rid of them!

"What do you get when you mix an award-winning actor and an award-winning actress together, after 20 months of theatrical inactivity due to the COVID pandemic? One answer is you get a clever, funny, extremely entertaining evening of comedic sketches, all written and designed by Randall Hickman, along with the creativity of Douglas Davis and Eileen Bowman."
