

DEPENDABLE!

Have you ever heard the saying, “They are as dependable as they come.” What a great word to describe someone, and it got me thinking about how dependable God is. After all, a promise is only as dependable as the one who makes it right?

“God is faithful [He is reliable, trustworthy and ever true to His promise— He is dependable], and through Him you were called into fellowship with His Son, Jesus Christ our Lord” (1 Corinthians 1:9).

If God says He will do something, then He will do it. The LORD is the everlasting God, the Creator of the ends of the earth and nothing is too difficult for Him. Since truth is the very essence of His nature, its impossible for Him to lie.

God always fulfills His promises. He’s definitely dependable! This means, every word of every promise that God has made will come to pass. The truth is the Lord is absolutely adequate, faithful to His Word and His continual presence in our lives guarantees the fulfillment of every promise.

Every Word of every promise made will come to pass. You have the very life of Christ within you. Do you not see? You are the handiwork of your Creator. You are not a mistake. Do not despair.

His do not forsake His children. He loves His righteous ones. You may be on unfamiliar paths, but He will lead you. He will guide you. You will see His answer in time.

Be strong and courageous, for He will never leave you nor forsake you. Embrace in the truth. He is calling to you to not be shaken by things you see. His strength is within you. His strength will carry you through.

My precious friends, do not lose heart. God’s promises magnify how wonderful and faithful He is. He keeps His Word to you in His time. He wants you to be confident in his ability to keep those promises. He’s totally reliable!
