

T.C. Williams Cross Country/Track & Field Booster Club
CRITERIA
For Awarding Gifts to Graduating Athletes

If finances are available, the Booster Club, which supports the athletes and coaches for cross country (Fall), indoor (Winter) and outdoor (Spring) track and field, will purchase a gift for graduating athletes who meet the following criteria:

1. An athlete must participate in two full, competitive seasons. This may be defined as two seasons as a senior, or seasons covering two academic years, one of which is senior year.
2. The athlete maintains a GPA as required by Alexandria City Public Schools and remains in good standing as required by VHSL.

The Booster Club will award only one gift for the completed two seasons. There will be no duplicates to any athlete. The Booster Club also reserves the right to override and change these criteria as needed/required by the officers of the organization.

Approved at Booster Club Meeting – March 11, 2014
