	24 Sensory Table	25 Sensory Table	26 Sensory Table	27 Sensory Table	29 Sensory Table	

Dear Parents,

We're off to a great start to our second semester, and we continue to love watching your precious children grow and develop!

There are huge strides in their language development, social skills, understanding routines, and following directions.

February will be a busy month as we talk about those we love and do lots of art projects with paint and hearts.. It's going to be a fun month.

We'll do some fun activities the week of Valentine's Day, special art projects, counting hearts and reading special stories.

We have community helpers week and will talk about different helpers in our community, firefighters, police officers, Doctors and nurses.

Creative Movement week will be filled with lots of silly songs and dancing.

Starting this month, Ms. Carrie Poling will be moving to help in the infant room. We welcome Ms. Mya to our classroom as the new teacher assistant. Mya is currently a student at UW Parkside. We are excited to have her at MDO. We will try to have her at the door in the mornings to meet our wonderful toddler families.

We will also be having a 2nd semester Open House for our families. This will be an opportunity for our families to meet one on one with our teachers to see how your child is doing and all the fun they are having in our classroom.

This will be by appointment only so look for the sign up in your email.

Ms. Barb
