

*Parts available at most hardware stores like Home Depot or Lowe's
In their irrigation parts department. Adjust the size of your loop to be sure all plants are
Adequately watered. Plant stakes will help keep it in place.*

Optional Center 1/4" Soaker tubing to water larger boxes. Connected to main loop with 1/4" tees. A single loop is adequate for our 4'x2 and 5'x2 Box on wheels. Just be sure to set the loop so all plants are watered.
