

Jesus Speaks On: What Is To Come After The Rapture, Part 1 Order of

Events

March 2, 2015

Lord, we ask You to impart courage and strength to us. And for those listening after the Rapture especially: Courage, Peace and Trust in the Lord. He has wonderful plans for us.

Well, this is a really different message tonight. The Lord has shifted gears - He's talking more about what is going to happen AFTER the Rapture, and He's talking about the

things that He's going to allow to happen to America and to our continent, and the things He's NOT going to allow to happen. And what He has in store for America after the Tribulation. So, just a little background on this, I really have been yearning to know more about the sequence of events and to have an understanding of how all the puzzle pieces fit together. And it finally came to a head yesterday when I cried out to the Lord, and I said, "Lord, please...please. Have mercy on us and share with us what Your plans are." And He did. And it was rather funny the way it all started, so I'm just going to begin reading it to you. I had a Communion service and afterwards, when I had received communion, the Lord said, *"I will instruct you about these things."* The Scripture that came to mind was, "This poor woman cried aloud and the Lord heard her."

"But I have done nothing to deserve this knowledge, Lord." You know, like...fasting for weeks...all the things that prophets are supposed to do, right? I haven't done anything like that. So, I don't deserve this knowledge, but I sure would like to have it anyway! Anyway, He said, *"Do you think, for one moment, this depends on your righteousness?"*

And I thought for a moment, and I said, "Well I guess maybe I do."

"Well, you are wrong. All depends on My Mercy. My Love. And I have chosen to be merciful to you tonight."

"Lord, you are merciful to me every night."

"True. But why do you suppose you want to know all these things?"

And I thought for a minute, and I said, "Because You put the desire

there?" *"How did you guess that?"* He said smiling.

"Oh dear, God, please help me hear clearly and accurately and to believe. "

"A very wise prayer My Love."

"The Destroyer - the planet Nibiru - will not come until the end. The things you have been shown are to happen after you are taken. This will be a record for some that they not lose hope but see clearly that I am in control, they can take Me at My word, and it is not hopeless.

"I want mankind to have confidence in Me and My Mercy. That is why I have foretold these events...at least in part. To have some kind of roadmap that will give them security, they can see things unfolding and will know I foretold and am in control. I already said that, didn't I?"

"Yes, Lord. You did."

"Well, I am repeating it because it is so important that men not fall into despair. The temptation to fall into despair will be very powerful and by this the Devil will snatch many away in his grip.

"You must know, Remnant of Earth, there will be an end to the tragedy and the day will come when all is restored in pristine purity and evil is harnessed. In those times, whatever evil emerges will be from the hearts of men, not demons. And there will be a baptism by fire to cleanse the Earth and the hearts of men. It will never be forgotten by those remaining alive.

"And yet as time goes by, men will forget as they did at the waters of Meribah and again I shall be forced to purify the evil from Earth - this time for good.

"The Destroyer (The planet Nibiru) will not come until you are removed, My Brides. There will be a season of chaos directly after you leave in which nations will conquer nations and Marshall Law will be installed under Sharia principals. All that do not renounce Me will be slain. All that take the Mark of the Beast, they will perish. Know that My Mercy shall know no boundaries for those who call to Me in these times."

I want to say something just aside here. There is a technology now, that if you take that Mark, they can actually affect your thinking. They can deprive you of thoughts about God and cause you to think more logically, and to have scorn and contempt to reject Him, simply by stimulating parts of the brain electronically. They can also instruct you electronically to go into a mad frenzy and to kill whatever's in front of you - to fight and to kill.

There're so many things that can be done now, the technology is way, way, way advanced. And anyone who takes that Mark is going to lose their mind, literally. Their mind is going to be in the hands of the government, and whatever the government wants...well. That's what you'll be doing, because you'll be stimulated in that way.

The other thing is, that it is written in Revelation (in the Bible) that those who take the Mark are going to suffer terribly - pain, like the sting of the scorpion for many months. And they'll want to be dead, they'll look for many ways to die, but they won't be able to. This is written in Revelation.

And for those of you who didn't believe the Rapture was real...well, it WAS real. And the next thing is the Mark - that's real. And that suffering from having the Mark is real, plus you'll never be able to repent and receive the Lord - it'll be the end.

So **DON'T TAKE THE MARK!!**

Continuing on with His Message: *"Rise up, My People and call unto Me, and I will save you. Trust Me, trust Me, even with your heads. What you suffer on Earth will be nothing compared to those with the Mark.*

"The beasts you questioned Me about are being bred inside the Earth. They, too, will come forth to wreak havoc at the appropriate time."

What He's referencing there is the strange giants in Ezekiel's dream that I just posted a couple days ago. And I thought about it for a minute, and I thought, "Oh my God! The animals! How they are going to suffer!"

And the Lord picked up on my thought, and He said, *"The living will envy the dead. This goes for every species, not just man. Do I not love each and every creature with tenderness and devotion? Do I not provide for them every day: water to swim in, food to eat, sun to warm... My providence for them abounds. But, they will come to Me during the worst part, as many already have and are happily with Me in Heaven."*

"Clare, I love all creatures. I know how to ease their suffering. Trust Me."

"Lord, I cannot imagine how much pain it will cause You to look upon their estate in those times."

"All of creation is suffering for this sinful generation, All. It is the consummation and pinnacle of evil from the very beginning."

"Things are going to gradually deteriorate as the planet gets closer and Satan will be in a hurry to impose his agenda on mankind. There will be desperate attempts to force the Mark and the suffering of those with families will be devastating. But, I will be with them to give them strength - only just endure to the end, for the Crown of Victory awaits you."

"When people have gotten to the point where they believe there is no more hope, that is when I will come and restore all things. Right then, at the very darkest hour, I will come. As in Ezekiel's dream, there will remain remnants of technology that functions."

I'm going to take a break here and insert just a couple things. I've been looking into the Three Days of Darkness and praying about it. And, it really seems to be correct that the 3 days of Darkness will be at the very end, when the planet Nibiru comes closest to the Earth, and the poles begin to shift dramatically.

According to the dream Ezekiel had a few nights ago that I posted - about those strange creatures and the man that had to be turned upside down for the breathing apparatus to work, 'cause the fluids had to go in the opposite direction, there's going to come a time in the 3 days of darkness, and the flipping of the poles that will be... well, demons and terror will just abound on the Earth.

But the very moment the Lord sets His foot on Mount Zion, that will be the end of those demons. His angels will go throughout the Earth and the air and He'll destroy - they'll destroy every demon. Or bind it.

As the Scriptures say, Bound for 1,000 years. That is definitely going to happen.

But that will happen after the three days of darkness, which will be ended by the Lord coming with His angels. That's what I believe.

So, a lot of people wonder, "Well, what kind of technology is going to be left after all this devastation?" So, that's where I'm going to pick up on this. And Ezekiel's dream.

"There will remain remnants of technology that will function. I have protected this because there will be a need for communication. I will continue to use the Internet, radio and other media to reach My People with a message of hope. All will not disintegrate, as you suppose. And I have not allowed for the E-bomb that fries all technology."

"I really wondered about that, Lord."

"No, it is much more like the movie you saw." (10.5 Apocalypse)

And in that movie, guys, the continent of America was being divided in half - there was a helicopter flying overhead, observing the whole thing.

"The Rapture will be the beginning of the End. All are waiting for that. Not only Christians, but the evil ones as well. They will take advantage to install their system because of the disappearance of many. Yet it will take time. There will be intervals of peace."

"Your country will not be completely destroyed - land masses, earthquakes, the separation of the continent will not happen until the end. In the meantime, there will be war on your soil. I have told you about Miami. Do not listen to other voices. What I told you is accurate."

What He said about Miami is that, when a nuclear weapon is used on the city of Miami - He will be rapturing us within that day. Or week, possibly - but I'm pretty sure it's within that day, the same day. And this really fits with the other dreams that He's given us.

For instance, when Ezekiel was taken up in a bus during the Rapture, he observed thousands and thousands of warriors descending down on the Earth. And the Earth was in chaos - there was smoke rising from the Earth.

So, what's He's basically saying is, there's going to be a nuclear event - or several nuclear events - and we will be taken from the Earth right after that. So, He's repeating that 'cause, you know, I'm human and I think to myself, 'Was that word really secure? There're so many different scenarios out there, Lord. Was that really You telling me that?' And He's confirmed several times that Miami is going to be the key.

And, for folks who think, 'Well, it's written: no one knows the day or the hour.' Well - no one knows the day or the hour that Miami is going to be bombed! The Russians could plan it for one time, but technology could fail and it wouldn't work, so they'd have to pick another time. Or a bunch of different things could happen to thwart them from knowing exactly the day and the hour that that's going to happen.

But He's saying that that's a sign to you - "lift up your heads because your Redemption draws nigh."

That also fits with Matthew's rendition, 24th chapter of Matthew, that after this time of extreme chaos, the Lord will come.

"Lord, I'm sorry for giving in to other ideas and being weak. Please help me to have complete trust and confidence in You. Please."

"Your confession moves My heart to tears. (And I did see tears streaming down His cheeks.) You are not alone, you know. What I mean to say is, that the forces are working against you to cause doubt and scruples. But I have heard your cry, My Love and I will help you."

"Clare, look at Me."

And just at that moment I went from looking at my computer screen to looking at Him. He was right behind it, sitting right behind it looking at me. And His face became SO visible I could almost touch it. And His eyes were SO tender, I said, " Lord, you are so beautiful."

"I'm beautiful for you, My Bride. And for My Brides. I love and cherish you all despite your many flaws and weaknesses; your heart is for Me alone. And for that I am eternally grateful, for never will I forsake you."

And then He addressed my "wishy-washiness", or sometimes my doubting.

"Sometimes you make an error in your own mind. But most of the time, almost all the time, you are hearing Me correctly. I want you to rest in that. I know you are trying very, very hard not to insert your own agendas, your own thoughts, or ideas, scenarios or what you've heard from others. You have tried to keep it pure. I will honor that. I will give you details that are highly accurate." Then He continued on with the instruction:

"Even now Russia is planning to strike your country. Even now they are seriously stalking the American continent. They have many in place here in America. Weapons are hidden in the forests. Underground entrances will be opened up on American soil and artillery and other weapons will emerge. It will be for the most part a conventional war."

Well, what He is talking about is after the initial nuclear things that we see happening - Miami especially was the nuclear event. And it seemed like there were other nuclear events, too, in several of the visions I had. What He is saying is, they're going to move in on our soil, and there's going to be conventional war here on our soil.

"Yes, I have been so confused about NYC - is it going to be nuked or flooded by

tsunamis?" *"It's going to be nuked."*

"But what about all these ideas of tsunamis and quakes, that other people are having?

"What will be left will go down underwater, it will actually happen simultaneously with the bombs. It will be both."

"Oh, Jesus. I feel so badly for all the innocents!"

"Yes, My Love. All the innocents. But, remember, Clare - I love them more than you can possibly imagine.

I will take them quickly and mercifully. It will be for those who remain a hell-on-earth scenario."

When I talk about "innocents" I'm talking about the children that are born after the Rapture, the animals. People in wheelchairs or mentally handicapped - you know. These people are innocent.

"You saw the Koreans and Russians. They will be in many areas, as well as American Muslim recruits that will be treacherous. People will lose faith in humanity because of the betrayals of their own kind.

"These recruits have been convinced they are doing a good thing by killing every man woman and child in the name of Allah. They will find a vent for their anger at mankind and the hard lives they lived because of the selfishness of many - the inequality, being rejected and looked down upon. They will be dazed with blood lust. And there will be no stopping them without lethal force.

"Yet, I will have My pockets of survivors, those who have not bent the knee to Baal. I will protect them, but they will suffer much. They will be tried by fire and when I come - be found worthy. This will be a very small percentage of mankind. Your family will be among those survivors. Much of what you taught them growing up was preparation for this time. There will be much brokenness and repentance among them.

"What you left behind for them will be a goldmine of instruction, but My Spirit will be with them and much that they do will be because they learned it from you growing up. They will be healed of their bitterness and judgments as the realization dawns on them that you were both right."

"Thank you, Lord. Thank you so much."

And as a note on that, we get a lot of scorn and contempt for believing in the Rapture, the New World Order and the whole thing. And our children are no different. One thing I taught my children growing up was to rely on the Lord and to pray in every situation and to count on His help. And that may be what He's talking about. Plus, we lived in out-of-the-way places; we lived in the wilderness quite a bit.

"Most of these things you have known as I have spoken to you along the way. Much of what you think are your thoughts - are Mine. They are weighed and balanced with much consideration of truth. Truth is your plumb line and as long as you hold to that you will not err."

"Lord, what about Yellowstone? It has the capacity to destroy America."

And here I want to say something very quickly before I get into what He said - because I forgot about this until just now. After I saw the movie about Yellowstone - the super volcano movie, I was very shaken. I really wondered what REALLY is going to happen. And I went to the Lord in prayer, and the answer He gave was that He would have Mercy - there would be Mercy. And I'm not just talking Mercy for those who are not annihilated because of the huge area it's going to effect. He's talking about...He's going to do something. He's going to intervene with Yellowstone so that it will not be as bad as it's predicted to be.

Not anywhere near as bad. And this is what He said:

"There is a pattern in Yellowstone. The main caldera will erupt, but it will be on a much smaller scale than is anticipated. This will be My doing. My Mercy. However, there will be many new outlets for the magma, much like Kilauea. The magma will bubble up from underground for many miles, just as you have seen in the vision."

What He's talking about here with "the vision" - I kept seeing an eruption in Wyoming but on a much smaller scale than what has been shown as the 'super volcano'. After the eruption - kind of like Mount Saint Helens, but in the surroundings it was miles and miles of streams of lava, just like what's been happening in Kilauea for decades. That's a far more tame response than what we're expecting from that volcano.

"I still have plans for America. I will break and humble her, but I will also restore. I wound and I bind up. Yes, this land is corrupt and has led many into heinous crimes, but still there is a remnant of goodness, which I shall increase. I will not totally destroy her, only severely break and reorder her thinking."

"Yes, there are groups of militants that will fight for liberty. They will be much like My people when they conquered enemy territory in the Promised Land. I will be with them. I will fight with them and protect them supernaturally, because of what they stand for. They will be the backbone of this country when she is restored. There will be many heroes and saints among them."

"But, Lord, I thought You viewed this whole thing like the *Mission* movie, where you just allow yourself to die rather than take up arms?"

"Not so. I will empower these men and be with them. Again, for what they stand for. There will be skirmishes and wars round about. I have some very talented warriors planted among them. They will rise up at the appropriate time. They will be endowed with supernatural wisdom because they will rely on Me, not on their own devices."

"The cities will not be safe. The wilderness will be much safer. Yet, there have been prepared creatures that will seek out humans and hunt them down in the forests and ravines. This is where great wisdom is called for. Many will use My Name to defend themselves from these creatures and I will work on their behalf. Monstrosities of nature, bred and tailored to seek out and destroy."

So, I want to break away from the message for a moment, and tell you about a real life episode of two young men that were in a young adult group in Montana, when I was there with my children. The one man had just been saved the day before. He and his brother were going for a walk in Glacier National Park. It was Springtime, early, early Spring.

They just rounded a bend when they heard the unmistakable sound of a grizzly sow, who they assumed was protecting her cubs. As they looked, she was at a full charge only about 40 feet away.

They said, "All we knew to do was call on the Name of Jesus, so in that moment we both simultaneously said, 'In the Name of Jesus, STOP.' And in that moment, she halted immediately, throwing up a cloud of dust. Then she grunted and lumbered off in the direction she had come from.

So use the Name of Jesus. I have seen so many miracles using the Name of Jesus - things that you cannot control in any other way. Use the Name of Jesus - it's POWERFUL.

So, after He had shared those things with me, He reached out His hand and placed it over mine tenderly.

"That's all for now, Clare, this is only a start. There will be more."

"Thank You Lord, Thank you for coming to my aid and rescuing me from all these converging thoughts that were bringing only confusion."

"You are welcome, My Love."

We discerned this message, we studied it, we prayed about it and we believe that this is a prophecy from the Lord.

So, God bless you Youtube family. Keep us in prayer as we pray for you.

Civil War

May 4th, 2023

Greetings dear family, we read in Matthew 24:6, *"You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come."*

"Lord, forgive me I am barely here."

"At least you are trying Clare."

"Is all this about the nation really true?"

"It is true and being prepared in the background as we speak. They are engineering a split in the nation. It will be a war very much like the Civil War."

"Lord, how can this be, aren't we too civilized for that kind of event?"

"The forces behind this are deeply entrenched and very large. All this time things have been fomenting. The patriots are a force to be reckoned with. They will not roll over to Satan and let the beast system prevail. Many of their ancestors fought hard to have freedom. The deep state will not prevail over them. Yet it will be a tragically bloody war. I know this was not in your sights, but it is coming and soon. And yes, the crash will have a bearing on this, it will factor in as a catalyst. You see, it is Me, Beloved, brownie loving wife... (He smiled).

"I appreciate that you are considering abstinence. I think we can do this without the blondies. Do you want to try? Again?"

"If it would please You Jesus, and I can still function."

"Let's try."

"Okay."

"You see, I have taken your appetite for them away. That is quite a gift, please do not presume on that."

"Thank You Lord, please help me."

"You will be safe, but keep a very low profile. You do not need to attract attention in the stores."

"I keep feeling like I should be in contact with some patriots or Republicans in the area."

"It is best for you to stay anonymous. If I want them to know about you, I will make the connection. Pray against HATRED there will be much hatred released on the public to incite rioting. You remember the CERN dark matter? That will be used during this time. So, it is best to lay very low."

"Lord, I don't understand why there will be fighting or even two sides? It would seem that the assassination of President Trump would be a catalyst...but he is coming back into office, so I am quite confused."

"There are yet announcements to be made. Many changes in the government are going to be implemented, you will see the outcome. Trust Me, just trust Me."

"What about Donald? Is he really a Chabad loyalist?"

"No, not at all, it's just a part of the game he must play for now, but after the revolution all that will be done away with. Your part of the country will be the remnant part, My placement of you was quite deliberate." And that was the end of the Lord's message.

Thank you so much Jesus and thank you Saint Francis' for the sweet confirmations you gave us. Family, let us continue to pray against hatred and war, and for angelic protection around Donald Trump. God bless you and may He show you His favor and give you His peace.

Abraham, The Lost Story

May 5th, 2023

Book of Jasher, Chapter 11

1 And Nimrod son of Cush was still in the land of Shinar, and he reigned over it and dwelt there, and he built cities in the land of Shinar.

2 And these are the names of the four cities which he built, and he called their names after the occurrences that happened to them in the building of the tower.

3 And he called the first Babel, saying, Because the Lord there confounded the language of the whole earth; and the name of the second he called Erech, because from there God dispersed them.

4 And the third he called Eched, saying there was a great battle at that place; and the fourth he called Calnah, because his princes and mighty men were consumed there, and they vexed the Lord, they rebelled and transgressed against him.

5 And when Nimrod had built these cities in the land of Shinar, he placed in them the remainder of his people, his princes and his mighty men that were left in his kingdom.

6 And Nimrod dwelt in Babel, and he there renewed his reign over the rest of his subjects, and he reigned securely, and the subjects and princes of Nimrod called his name Amraphel, saying that at the tower his princes and men fell through his means.

7 And notwithstanding this, Nimrod did not return to the Lord, and he continued in wickedness and teaching wickedness to the sons of men; and Mardon, his son, was worse than his father, and continued to add to the abominations of his father.

8 And he caused the sons of men to sin, therefore it is said, From the wicked goeth forth wickedness.

9 At that time there was war between the families of the children of Ham, as they were dwelling in the cities which they had built.

10 And Chedorlaomer, king of Elam, went away from the families of the children of Ham, and he fought with them and he subdued them, and he went to the five cities of the plain and he fought against them and he subdued them, and they were under his control.

11 And they served him twelve years, and they gave him a yearly tax.

12 At that time died Nahor, son of Serug, in the forty-ninth year of the life of Abram son of Terah.

13 And in the fiftieth year of the life of Abram son of Terah, Abram came forth from the house of Noah, and went to his father's house.

14 And Abram knew the Lord, and he went in his ways and instructions, and the Lord his God was with him.

15 And Terah his father was in those days, still captain of the host of king Nimrod, and he still followed strange gods.

16 And Abram came to his father's house and saw twelve gods standing there in their temples, and the anger of Abram was kindled when he saw these images in his father's house.

17 And Abram said, As the Lord liveth these images shall not remain in my father's house; so shall the Lord who created me do unto me if in three days' time I do not break them all.

18 And Abram went from them, and his anger burned within him. And Abram hastened and went from the chamber to his father's outer court, and he found his father sitting in the court, and all his servants with him, and Abram came and sat before him.

19 And Abram asked his father, saying, Father, tell me where is God who created heaven and earth, and all the sons of men upon earth, and who created thee and me. And Terah answered his son Abram and said, Behold those who created us are all with us in the house.

20 And Abram said to his father, My lord, shew them to me I pray thee; and Terah brought Abram into the chamber of the inner court, and Abram saw, and behold the whole room was full of gods of wood and stone, twelve great images and others less than they without number.

21 And Terah said to his son, Behold these are they which made all thou seest upon earth, and which created me and thee, and all mankind.

22 And Terah bowed down to his gods, and he then went away from them, and Abram, his son, went away with him.

23 And when Abram had gone from them he went to his mother and sat before her, and he said to his mother, Behold, my father has shown me those who made heaven and earth, and all the sons of men.

24 Now, therefore, hasten and fetch a kid from the flock, and make of it savory meat, that I may bring it to my father's gods as an offering for them to eat; perhaps I may thereby become acceptable to them.

25 And his mother did so, and she fetched a kid, and made savory meat thereof, and brought it to Abram, and Abram took the savory meat from his mother and brought it before his father's gods, and he drew nigh to them that they might eat; and Terah his father, did not know of it.

26 And Abram saw on the day when he was sitting amongst them, that they had no voice, no hearing, no motion, and not one of them could stretch forth his hand to eat.

27 And Abram mocked them, and said, Surely the savory meat that I prepared has not pleased them, or perhaps it was too little for them, and for that reason they would not eat; therefore tomorrow I will prepare fresh savory meat, better and more plentiful than this, in order that I may see the result.

28 And it was on the next day that Abram directed his mother concerning the savory meat, and his mother rose and fetched three fine kids from the flock, and she made of them some excellent savory meat, such as her son was fond of, and she gave it to her son Abram; and Terah his father did not know of it.

29 And Abram took the savory meat from his mother, and brought it before his father's gods into the chamber; and he came nigh unto them that they might eat, and he placed it before them, and Abram sat before them all day, thinking perhaps they might eat.

30 And Abram viewed them, and behold they had neither voice nor hearing, nor did one of them stretch forth his hand to the meat to eat.

31 And in the evening of that day in that house Abram was clothed with the spirit of God.

32 And he called out and said, Wo unto my father and this wicked generation, whose hearts are all inclined to vanity, who serve these idols of wood and stone which can neither eat, smell, hear nor speak, who have mouths without speech, eyes without sight, ears without hearing, hands without feeling, and legs which cannot move; like them are those that made them and that trust in them.

33 And when Abram saw all these things his anger was kindled against his father, and he hastened and took a hatchet in his hand, and came unto the chamber of the gods, and he broke all his father's gods.

34 And when he had done breaking the images, he placed the hatchet in the hand of the great god which was there before them, and he went out; and Terah his father came home, for he had heard at the door the sound of the striking of the hatchet; so Terah came into the house to know what this was about.

35 And Terah, having heard the noise of the hatchet in the room of images, ran to the room to the images, and he met Abram going out.

36 And Terah entered the room and found all the idols fallen down and broken, and the hatchet in the hand of the largest, which was not broken, and the savory meat which Abram his son had made was still before them.

37 And when Terah saw this his anger was greatly kindled, and he hastened and went from the room to Abram.

38 And he found Abram his son still sitting in the house; and he said to him, What is this work thou hast done to my gods?

39 And Abram answered Terah his father and he said, Not so my lord, for I brought savory meat before them, and when I came nigh to them with the meat that they might eat, they all at once stretched forth their hands to eat before the great one had put forth his hand to eat.

40 And the large one saw their works that they did before him, and his anger was violently kindled against them, and he went and took the hatchet that was in the house and came to them and broke them all, and behold the hatchet is yet in his hand as thou seest.

41 And Terah's anger was kindled against his son Abram, when he spoke this; and Terah said to Abram his son in his anger, What is this tale that thou hast told? Thou speakest lies to me.

42 Is there in these gods spirit, soul or power to do all thou hast told me? Are they not wood and stone, and have I not myself made them, and canst thou speak such lies, saying that the large god that was with them smote them? It is thou that didst place the hatchet in his hands, and then sayest he smote them all.

43 And Abram answered his father and said to him, And how canst thou then serve these idols in whom there is no power to do any thing? Can those idols in which thou trustest deliver thee? can they hear thy prayers when thou callest upon them? can they deliver thee from the hands of thy enemies, or will they fight thy battles for thee against thy enemies, that thou shouldst serve wood and stone which can neither speak nor hear?

44 And now surely it is not good for thee nor for the sons of men that are connected with thee, to do these things; are you so silly, so foolish or so short of understanding that you will serve wood and stone, and do after this manner?

45 And forget the Lord God who made heaven and earth, and who created you in the earth, and thereby bring a great evil upon your souls in this matter by serving stone and wood?

46 Did not our fathers in days of old sin in this matter, and the Lord God of the universe brought the waters of the flood upon them and destroyed the whole earth?

47 And how can you continue to do this and serve gods of wood and stone, who cannot hear, or speak, or deliver you from oppression, thereby bringing down the anger of the God of the universe upon you?

48 Now therefore my father refrain from this, and bring not evil upon thy soul and the souls of thy household.

49 And Abram hastened and sprang from before his father, and took the hatchet from his father's largest idol, with which Abram broke it and ran away.

50 And Terah, seeing all that Abram had done, hastened to go from his house, and he went to the king and he came before Nimrod and stood before him, and he bowed down to the king; and the king said, What dost thou want?

51 And he said, I beseech thee my lord, to hear me--Now fifty years back a child was born to me, and thus has he done to my gods and thus has he spoken; and now therefore, my lord and king, send for him that he may come before thee, and judge him according to the law, that we may be delivered from his evil.

52 And the king sent three men of his servants, and they went and brought Abram before the king. And Nimrod and all his princes and servants were that day sitting before him, and Terah sat also before them.

53 And the king said to Abram, What is this that thou hast done to thy father and to his gods? And Abram answered the king in the words that he spoke to his father, and he said, The large god that was with them in the house did to them what thou hast heard.

54 And the king said to Abram, Had they power to speak and eat and do as thou hast said? And Abram answered the king, saying, And if there be no power in them why dost thou serve them and cause the sons of men to err through thy follies?

55 Dost thou imagine that they can deliver thee or do anything small or great, that thou shouldst serve them? And why wilt thou not sense the God of the whole universe, who created thee and in whose power it is to kill and keep alive?

56 O foolish, simple, and ignorant king, woe unto thee forever.

57 I thought thou wouldst teach thy servants the upright way, but thou hast not done this, but hast filled the whole earth with thy sins and the sins of thy people who have followed thy ways.

58 Dost thou not know, or hast thou not heard, that this evil which thou doest, our ancestors sinned therein in days of old, and the eternal God brought the waters of the flood upon them and destroyed them all, and also destroyed the whole earth on their account? And wilt thou and thy people rise up now and do like unto this work, in order to bring down the anger of the Lord God of the universe, and to bring evil upon thee and the whole earth?

59 Now therefore put away this evil deed which thou doest, and serve the God of the universe, as thy soul is in his hands, and then it will be well with thee.

60 And if thy wicked heart will not hearken to my words to cause thee to forsake thy evil ways, and to serve the eternal God, then wilt thou die in shame in the latter days, thou, thy people and all who are connected with thee, hearing thy words or walking in thy evil ways.

61 And when Abram had ceased speaking before the king and princes, Abram lifted up his eyes to the heavens, and he said, The Lord seeth all the wicked, and he will judge them.

Book of Jasher, Chapter 12

1 And when the king heard the words of Abram he ordered him to be put into prison; and Abram was ten days in prison.

2 And at the end of those days the king ordered that all the kings, princes and governors of different provinces and the sages should come before him, and they sat before him, and Abram was still in the house of confinement.

3 And the king said to the princes and sages, Have you heard what Abram, the son of Terah, has done to his father? Thus has he done to him, and I ordered him to be brought before me, and thus has he spoken; his heart did not misgive him, neither did he stir in my presence, and behold now he is confined in the prison.

4 And therefore decide what judgment is due to this man who reviled the king; who spoke and did all the things that you heard.

5 And they all answered the king saying, The man who revileth the king should be hanged upon a tree; but having done all the things that he said, and having despised our gods, he must therefore be burned to death, for this is the law in this matter.

6 If it pleaseth the king to do this, let him order his servants to kindle a fire both night and day in thy brick furnace, and then we will cast this man into it. And the king did so, and he commanded his servants that they should prepare a fire for three days and three nights in the king's furnace, that is in Casdim; and the king ordered them to take Abram from prison and bring him out to be burned.

7 And all the king's servants, princes, lords, governors, and judges, and all the inhabitants of the land, about nine hundred thousand men, stood opposite the furnace to see Abram.

8 And all the women and little ones crowded upon the roofs and towers to see what was doing with Abram, and they all stood together at a distance; and there was not a man left that did not come on that day to behold the scene.

9 And when Abram was come, the conjurors of the king and the sages saw Abram, and they cried out to the king, saying, Our sovereign lord, surely this is the man whom we know to have been the child at whose birth the great star swallowed the four stars, which we declared to the king now fifty years since.

10 And behold now his father has also transgressed thy commands, and mocked thee by bringing thee another child, which thou didst kill.

11 And when the king heard their words, he was exceedingly wroth, and he ordered Terah to be brought before him.

12 And the king said, Hast thou heard what the conjurors have spoken? Now tell me truly, how didst thou; and if thou shalt speak truth thou shalt be acquitted.

13 And seeing that the king's anger was so much kindled, Terah said to the king, My lord and king, thou hast heard the truth, and what the sages have spoken is right. And the king said, How couldst thou do this thing, to transgress my orders and to give me a child that thou didst not beget, and to take value for him?

14 And Terah answered the king, Because my tender feelings were excited for my son, at that time, and I took a son of my handmaid, and I brought him to the king.

15 And the king said Who advised thee to this? Tell me, do not hide aught from me, and then thou shalt not die.

16 And Terah was greatly terrified in the king's presence, and he said to the king, It was Haran my eldest son who advised me to this; and Haran was in those days that Abram was born, two and thirty years old.

17 But Haran did not advise his father to anything, for Terah said this to the king in order to deliver his soul from the king, for he feared greatly; and the king said to Terah, Haran thy son who advised thee to this shall die through fire with Abram; for the sentence of death is upon him for having rebelled against the king's desire in doing this thing.

18 And Haran at that time felt inclined to follow the ways of Abram, but he kept it within himself.

19 And Haran said in his heart, Behold now the king has seized Abram on account of these things which Abram did, and it shall come to pass, that if Abram prevail over the king I will follow him, but if the king prevail I will go after the king.

20 And when Terah had spoken this to the king concerning Haran his son, the king ordered Haran to be seized with Abram.

21 And they brought them both, Abram and Haran his brother, to cast them into the fire; and all the inhabitants of the land and the king's servants and princes and all the women and little ones were there, standing that day over them.

22 And the king's servants took Abram and his brother, and they stripped them of all their clothes excepting their lower garments which were upon them.

23 And they bound their hands and feet with linen cords, and the servants of the king lifted them up and cast them both into the furnace.

24 And the Lord loved Abram and he had compassion over him, and the Lord came down and delivered Abram from the fire and he was not burned.

25 But all the cords with which they bound him were burned, while Abram remained and walked about in the fire.

26 And Haran died when they had cast him into the fire, and he was burned to ashes, for his heart was not perfect with the Lord; and those men who cast him into the fire, the flame of the fire spread over them, and they were burned, and twelve men of them died.

27 And Abram walked in the midst of the fire three days and three nights, and all the servants of the king saw him walking in the fire, and they came and told the king, saying, Behold we have seen Abram walking about in the midst of the fire, and even the lower garments which are upon him are not burned, but the cord with which he was bound is burned.

28 And when the king heard their words his heart fainted and he would not believe them; so he sent other faithful princes to see this matter, and they went and saw it and told it to the king; and the king rose to go and see it, and he saw Abram walking to and fro in the midst of the fire, and he saw Haran's body burned, and the king wondered greatly.

29 And the king ordered Abram to be taken out from the fire; and his servants approached to take him out and they could not, for the fire was round about and the flame ascending toward them from the furnace.

30 And the king's servants fled from it, and the king rebuked them, saying, Make haste and bring Abram out of the fire that you shall not die.

31 And the servants of the king again approached to bring Abram out, and the flames came upon them and burned their faces so that eight of them died.

32 And when the king saw that his servants could not approach the fire lest they should be burned, the king called to Abram, O servant of the God who is in heaven, go forth from amidst the fire and come hither before me; and Abram hearkened to the voice of the king, and he went forth from the fire and came and stood before the king.

33 And when Abram came out the king and all his servants saw Abram coming before the king, with his lower garments upon him, for they were not burned, but the cord with which he was bound was burned.

34 And the king said to Abram, How is it that thou wast not burned in the fire?

35 And Abram said to the king, The God of heaven and earth in whom I trust and who has all in his power, he delivered me from the fire into which thou didst cast me.

36 And Haran the brother of Abram was burned to ashes, and they sought for his body, and they found it consumed.

37 And Haran was eighty-two years old when he died in the fire of Casdim. And the king, princes, and inhabitants of the land, seeing that Abram was delivered from the fire, they came and bowed down to Abram.

38 And Abram said to them, Do not bow down to me, but bow down to the God of the world who made you, and serve him, and go in his ways for it is he who delivered me from out of this fire, and it is he who created the souls and spirits of all men, and formed man in his mother's womb, and brought him forth into the world, and it is he who will deliver those who trust in him from all pain.

39 And this thing seemed very wonderful in the eyes of the king and princes, that Abram was saved from the fire and that Haran was burned; and the king gave Abram many presents and he gave him his two head servants from the king's house; the name of one was Oni and the name of the other was Eliezer.

40 And all the kings, princes and servants gave Abram many gifts of silver and gold and pearl, and the king and his princes sent him away, and he went in peace.

41 And Abram went forth from the king in peace, and many of the king's servants followed him, and about three hundred men joined him.

42 And Abram returned on that day and went to his father's house, he and the men that followed him, and Abram served the Lord his God all the days of his life, and he walked in his ways and followed his law.

43 And from that day forward Abram inclined the hearts of the sons of men to serve the Lord.

44 And at that time Nahor and Abram took unto themselves wives, the daughters of their brother Haran; the wife of Nahor was Milca and the name of Abram's wife was Sarai. And Sarai, wife of Abram, was barren; she had no offspring in those days.

45 And at the expiration of two years from Abram's going out of the fire, that is in the fifty-second year of his life, behold king Nimrod sat in Babel upon the throne, and the king fell asleep and dreamed that he was standing with his troops and hosts in a valley opposite the king's furnace.

46 And he lifted up his eyes and saw a man in the likeness of Abram coming forth from the furnace, and that he came and stood before the king with his drawn sword, and then sprang to the king with his sword, when the king fled from the man, for he was afraid; and while he was running, the man threw an egg upon the king's head, and the egg became a great river.

47 And the king dreamed that all his troops sank in that river and died, and the king took flight with three men who were before him and he escaped.

48 And the king looked at these men and they were clothed in princely dresses as the garments of kings, and had the appearance and majesty of kings.

49 And while they were running, the river again turned to an egg before the king, and there came forth from the egg a young bird which came before the king, and flew at his head and plucked out the king's eye.

50 And the king was grieved at the sight, and he awoke out of his sleep and his spirit was agitated; and he felt a great terror.

51 And in the morning the king rose from his couch in fear, and he ordered all the wise men and magicians to come before him, when the king related his dream to them.

52 And a wise servant of the king, whose name was Anuki, answered the king, saying, This is nothing else but the evil of Abram and his seed which will spring up against my Lord and king in the latter days.

53 And behold the day will come when Abram and his seed and the children of his household will war with my king, and they will smite all the king's hosts and his troops.

54 And as to what thou hast said concerning three men which thou didst see like unto thyself, and which did escape, this means that only thou wilt escape with three kings from the kings of the earth who will be with thee in battle.

55 And that which thou sawest of the river which turned to an egg as at first, and the young bird plucking out thine eye, this means nothing else but the seed of Abram which will slay the king in latter days.

56 This is my king's dream, and this is its interpretation, and the dream is true, and the interpretation which thy servant has given thee is right.

57 Now therefore my king, surely thou knowest that it is now fifty-two years since thy sages saw this at the birth of Abram, and if my king will suffer Abram to live in the earth it will be to the injury of my lord and king, for all the days that Abram liveth neither thou nor thy kingdom will be established, for this was known formerly at his birth; and why will not my king slay him, that his evil may be kept from thee in latter days?

58 And Nimrod hearkened to the voice of Anuki, and he sent some of his servants in secret to go and seize Abram, and bring him before the king to suffer death.

59 And Eliezer, Abram's servant whom the king had given him, was at that time in the presence of the king, and he heard what Anuki had advised the king, and what the king had said to cause Abram's death.

60 And Eliezer said to Abram, Hasten, rise up and save thy soul, that thou mayest not die through the hands of the king, for thus did he see in a dream concerning thee, and thus did Anuki interpret it, and thus also did Anuki advise the king concerning thee.

61 And Abram hearkened to the voice of Eliezer, and Abram hastened and ran for safety to the house of Noah and his son Shem, and he concealed himself there and found a place of safety; and the king's servants came to Abram's house to seek him, but they could not find him, and they searched through out the country and he was not to be found, and they went and searched in every direction and he was not to be met with.

62 And when the king's servants could not find Abram they returned to the king, but the king's anger against Abram was stilled, as they did not find him, and the king drove from his mind this matter concerning Abram.

63 And Abram was concealed in Noah's house for one month, until the king had forgotten this matter, but Abram was still afraid of the king; and Terah came to see Abram his son secretly in the house of Noah, and Terah was very great in the eyes of the king.

64 And Abram said to his father, Dost thou not know that the king thinketh to slay me, and to annihilate my name from the earth by the advice of his wicked counsellors?

65 Now whom hast thou here and what hast thou in this land? Arise, let us go together to the land of Canaan, that we may be delivered from his hand, lest thou perish also through him in the latter days.

66 Dost thou not know or hast thou not heard, that it is not through love that Nimrod giveth thee all this honor, but it is only for his benefit that he bestoweth all this good upon thee?

67 And if he do unto thee greater good than this, surely these are only vanities of the world, for wealth and riches cannot avail in the day of wrath and anger.

68 Now therefore hearken to my voice, and let us arise and go to the land of Canaan, out of the reach of injury from Nimrod; and serve thou the Lord who created thee in the earth and it will be well with thee; and cast away all the vain things which thou pursuest.

69 And Abram ceased to speak, when Noah and his son Shem answered Terah, saying, True is the word which Abram hath said unto thee.

70 And Terah hearkened to the voice of his son Abram, and Terah did all that Abram said, for this was from the Lord, that the king should not cause Abram's death.

Can I Count on You

May 8th, 2023

The Lord bless you, dear Heart Dwellers.

I hope you are surviving the winter well. I know, it is a tough one, isn't it?

Well, in any case, we have been making adjustments to stay warm, and the Lord is looking after us and I am sure He is looking after you as well. And we have some very poor people that need firewood from time to time so we are trying to take care of them. It really has been a brutal winter.

Ok. The Lord began speaking to me right away when I came into prayer, and it was a little mix up on plans and things like that, and we did not want anyone to have hard feelings, and I asked the Lord, did I do okay with this?

And I thought, ok, well, what is Your subtle way? I want to hear this, because I do want to be subtle.

He said, *"I know the idea of obedience and submitting your desires to another is at times repugnant and difficult for you. I know well what it feels like to want something different than what is being asked by My Father. It was not easy for Me either. Yet I knew the plan of redemption called for this sacrifice and so I obeyed. It was not easy; it was very painful."*

"My cherished ones, you live in a very sweet little community, and it is sweet because you honor those who are saddled with the care of your souls. When you join a community, you cannot go on living for yourself, rather you are just a part in the puzzle, you have given your life and independence into the hands of a cause, to be used in whatever way is convenient for the community. Before you gave your life to Me, you were your own puzzle with all the pieces in place, looking complete. But when you join a community, you abandon that puzzle and agree to take on the character of only one piece."

"Puzzles are powerful, a powerful picture for how the Kingdom of God works. All of Heaven and Earth is made up of pieces in their proper places. Remove one piece and the puzzle no longer looks like one picture. People resist obedience to someone over them because in the past it has been abused by cruel leaders for their own advantage. And the carnal nature resists being told what to do, it wants to be in complete control, make its own decisions, do its own thing, in its own timing."

“However, there are also advantages to a community when you are seen, you are not just one man or woman, you have an entire community standing around you. You have become much bigger than just one person.

“But the puzzle picture is never complete until all the pieces are in agreement and joined together. Then that picture then becomes a statement, with a message, with the power to change people in a good or bad way, depending on who is arranging the puzzle and what their motive is.

“Individuals are given the freedom to develop their talents and supported by others, rather than living in a hostile environment, where they are constantly coming under criticism for what means the most to them.

“For you who have been on teams, you understand that when all the players cooperate, you can win against the competition, but when one player plays for himself, the team is no longer cohesive. Learning to be a team player is a challenge for most who want to stand out as the best, but they quickly learn that jeopardizes the outcome of the game, and they must sacrifice personal motives for the sake of the whole.

“You, My dear ones are a team fighting against a cruel and unjust opposing team. You have banded together because you have found that being out on your own is not the ideal life. But this life comes with its challenges to look after one another to protect everyone, not just yourself. There is a balance between individual good and the team’s good. How happy and blessed you are if you can learn to adjust to that fact that you are no longer an individual acting on your own, you are blessed with others around you who care, and for whom you care.

“Please, Beloved little ones, do not take offense at losing your independence, commit your heart to being a member, for the love of God and My kingdom. Commit to being someone that others can count on. Be your brother’s keeper, and care deeply for the welfare of others. This is how leaders are born, they give away their individual rights in order to care for others. They do not see themselves as standalone players, but as a critical part of the team. It takes many years to die to the self-nature, and most never accomplish that, but I am here to help you wrestle and conquer it, in the midst of a very dear group of souls who are also struggling to be free of themselves.

“Never doubt...I am with you and understand all your reactions even better than you do. I see the totality of your lives and understand what makes you tick, where your old injuries are and what sets you off, and remember also, that you have a very real enemy who hates the fact that you have others that care for you...because he wants to divide and conquer and destroy every one of you, and will use any underhanded means and sucker punches to accomplish that.

“So, strive to maintain peace and brotherly love, cooperating even when it seems like a violation of your personal rights, or that you are misunderstood, or others are treating you unfairly. If that is the case, you can count on Me to correct them, but you, for your part, dismiss Satan’s attempts to injure you and cause you to break the sweet bonds of peace.”

And that was the end of His message.

Replace Your Rags with Righteousness

May 10th, 2023

Nothing is impossible to those who believe. Mother Clare began, I was musing on how wonderfully Alberto was playing the piano and longing to be like that.

The Lord intercepted my thoughts with, *“Nothing is impossible, don’t limit Me with your finite human reasoning. Get your hands dirty, get your fingers on the keyboard. Put away judgment, finding fault and gossip. Cleanse your hearts of all*

rancor for I AM HOLY, DO NOT BRING THESE THINGS INTO MY PRESENCE

“Personal holiness empties all the heart attitudes that make you unclean....playing church instead of a real encounter. Keep calling, demanding, crying out for God and prepare a resting place for Him in your heart, free of the contamination of worldliness, jealousy, envy, criticism, back biting, gossip, adultery, covetousness. For you cannot worship Me in one breath and stab your brother or sister in the back in the same breath!

“I want to do something unheard of in your midst. YES, in the midst of crippling drugs and witchcraft, adultery, stealing and all manner of evil. I want to cleanse you and fill you. I WANT TO REPLACE YOUR FILTHY RAGS WITH CLOAKS OF RIGHTEOUSNESS!

I want to cleanse the inside of the cup so I may pour in My anointing to be spread to all the aching and suffering. I want to use every single one of you. You know what it is to suffer, you know what it is to be helpless and have no one to turn to, but I will fill you so full with My presence that it will spill over those around you who are hurting and have no answers. Yes, YOU, not some minister full of learning, but you, the broken ones, your hearts having been broken, now healed will hold gallons of healing water to flow out over your family. Extend your hand and ask, “Jesus, heal. Jesus touch my sister, my brother, my broken ones, oh Jesus flow out from within me to touch them.”

Yes, YOU, the little, the broken, who know the pain, pour out into the hearts of those around you from My abundance poured into you.

“First, there must be a forsaking of sin. A cleansing in preparation for My habitation in your hearts. Oh, My precious ones, I have been with you on those lonely nights when it all seemed hopeless, you cried out and wondered if I had heard you. Yes, I heard and I cried out with you and for you.

I was there with you listening to every word, catching every tear, that’s how much you mean to Me.” And that was the end of His message.

My dear ones, God wants you to know that He is with you always, even in your darkest moments, especially in your more desperate moments. He is there, truly, He is suffering with you, and He wants you to know that He is there, yes, indeed He is there.

Yes you, the littlest ones, HE DESIRES TO LIVE INSIDE OF YOUR HEART, HE WANTS YOUR HANDS TO BE HIS HANDS, YOUR FEET TO BE HIS FEET. No more barriers, no more guilt, no more distance, NO more!!! Just His spirit living in you, and working through you!

Sloth the Unrecognized Destiny Killer

May 15th, 2023

Thank You for giving us a life that we can use to glorify You, and serve others. Lord, help us to get back up when we fall. Please grant us strength and perseverance to finish the race and finish well, Amen.

Jesus began, *"I know it is hard beloved ones, but for now it must be. Please try to accustom yourselves to this level of difficulty and inconvenience. It is going to get worse and all you can do is ask for the grace to persevere and step up to the plate. I will provide the sustaining grace if you are willing. If you are not willing, it will just get more and more difficult for you. So, it would be good to make a resolution about it now, ahead of time. So, I am asking you now, please accustom yourselves to a more difficult path. There is a rainbow and a mountain of the finest gold waiting at the other end, but for now what is required is dogged perseverance.*

"I sympathize with you; I suffer with you and I cover you with My prayers. I live in the same bed of pain with you, it is My daily bread. The good part is that you are My vessels unto honor bearing much fruit, so do not grow discouraged with the rising level of difficulty. You understand that the nations against you have been waiting for this division and civil war before they attack you in your most vulnerable season. I have made provision for your safety then, as well.

"As far as the desert community, it is a team effort that you should be supporting so the work can go forward. I will work with those who are holding back. I have My reasons for allowing that. Work needs to move forward, this place will be needed, you are all in this together."

"Lord, please help me pick up my singing and music again. Please?"

"This is a season for serving others that will take preparation, accomplish this task and then there will be more time for music. Do not forget you are daily visiting the sick with corporal works of mercy, there is much spiritual richness in your life Clare. You do not recognize it but I do and you are carrying as much as you can right now. This is also due to the wonderful team you have by your side. They are the ones that really care deeply. They are there for you."

"What can I do for this soul who is ill?"

"Pray, of course, pray."

"But what prayers Lord?"

"Exorcism prayers will be of great benefit to him. There are open doors. He identified one of the biggest today in a confession."

"What would you call that?"

"Lying, manipulation, self-pity, Pride, Sloth, Sloth is the strong man. Sometimes a soul thinks that if they look weaker than they are, they can have more attention, more favors, but the reverse is true, as they project their weaker state it is absorbed into the mind and the body conforms to it. Oh Clare, there are so many in bondage

to Sloth. They cannot see it for themselves, but every move they make, or refuse to make, is governed by Sloth.

“Sloth is a destiny robber, a most serious sin. It causes the soul to pass up opportunities of enrichment to serve the Kingdom of God. It short circuits all the gifts you were born with. It also causes people to dislike you, you are viewed as a loser. I have much to say about this if you will bear with Me. When you recognize it in yourself you will be appalled and be inspired to stop it immediately, to stand up and push through.”

“If only I had known this earlier in life.”

“That’s right,” Jesus continued, *“Shortcuts are the long way of doing things. Putting things off for another time when you could easily accomplish them in the present is also a deadly habit. For instance, two nights ago when I reminded you that Ezekiel would need a pancake later. You brushed me off and said, “Oh he has enough food for tonight, he’ll be fine.” And what happened? At three o’clock in the morning he was hungry and you had to wake up and make him the food. Your motive in avoiding making that pancake earlier, was from Sloth.*

“So many little things add up to big failures. Breaching a fast lessens your ability to handle the supernatural. Your whole orientation is on the pleasure the food gives you, not on the hidden agendas of the demons. Your desire for pleasure from food is like a leash around your neck fastened to your refrigerator. When you go into a store, you are bombarded with desires for all kinds of foods. I am not saying this to shame you Beloved, I am saying this to give you options to either feed the flesh or feed your spirit.

“When you get in the habit of making excuses and putting things off, it reduces the vitality of your life to make you conform to a much lesser person so you can go on making excuses and go on diminishing. Satan is very clever; he knows exactly how to erode your destiny. He gets you accustomed to certain pleasures and reasons you into making excuses for indulging, taking a break, etc.

“Consider Esau’s lack of self-control when he was very hungry, and that gave Jacob just the edge he needed to steal his birth right. So, you see, sloth and self-control are interwoven. When I ask you not to do things, it is because I can see where that road will eventually lead, and I know how much harder it will be to return to the state of grace you are presently in. In the meantime, during that period of self-indulgence you miss or damage opportunities to come up higher.

“Yes, there are times when you have an overwhelming urge to eat a certain food or do a certain thing. The fact that it is overwhelming should alert you to the ever present enemy and his tactics. It is wise at those times to pray against it, call on Me and figure out a substitute that is not violating your fast, but meets your body’s requirements. In short Beloved, it is much to your advantage to be completely detached from needs and wants because the more attached you are to having those things, the greater the potential for evil to take hold of you. As Paul once said, “I do those things which I do not want to do and omit those things I want to do.” Amen!

Those Who Oppose You Will Be AS Nothing

May 17th, 2023

The Lord bless you, dear family, with the sweet presence of our Lord and His anchoring love to keep us in His arms.

And today I want to talk about a little prayer project we have, it is a place to pray, that we are working on, and we are already getting opposition and you know whenever you want to move forward the devil always wants to push you backwards, so we are praying through it. I have been sitting and I have been pitiful, eating a couple of little, tiny brownie bits to wake me up because my blood sugar gets low when I am praying. Someone else in the room had a nice bag of chips they were crunching on, and it was noisy!

And I felt so foolish, and I thought 'Lord, we just do not make it, we just do not make the bill, you know for a religious order, we are just way too rag tag and little ducks from Mars. So, I said Lord, I have never felt so rag tag in my life, eating during prayer, me and my brownies. Wow! something needs to change.

He answered me, *"You have the right idea, that is if you must eat, do it so discretely that no one knows."*

How do you do that with chips? Don't think that is possible, unless they are soaking wet.

"On the other hand," Jesus continued, *"I would prefer that you eat before prayer. Some of you have blood sugar issues that call for more leniency because of the length of prayer. Others are strong enough not to be eating during prayer. The main objective, though, however you look at it, is PRAYER from the HEART."*

Of course, if your mouth is not involved- This is me now- your mouth is not involved in enjoying your food, maybe you would have better attention on the Lord. On the other hand, if you are fainting, you cannot pay attention to Him, it is better to eat a couple of little pieces of something than to neglect hearing Him. So, His main objective is prayer from the heart.

He continued, *"Yes, you are my little rag tag ones. Surely you would be scorned by the Curia,"*

The Roman Curia is like, you know, the government of the church.

"But I say to you, those who scorn you scorn Me, but the church is changing. The ones who uphold My church are little and very, very, hidden. They have no desire for respect and notoriety, they have experienced how much that gets in the way of true devotion to Me and Me alone."

"There will be unadulterated SHOCK when I make My assignments in My Church. Oh yes, they will all be there to see who I honor and entrust with My flock. It will be fun, so much fun."

I said to the Lord, fun?

"Yes, the expressions on the faces will be very humorous and entertaining, just like your favorite movie, the Reluctant Saint. Do not despair, there will be room for you too, My Love."

I was thinking how prissy I can be at times and taken up with external things instead of just the heart. I said yes, I know I can be fussy about some things, the problem is that I cannot live up to all those things that should appear perfect. I always fail miserably.

Jesus continued, *"And you always will, for I will never allow that kind of dignity in your life, you will always be a little duck from Mars. It is nothing to be ashamed of, it is very freeing. I never called My Apostles to be picture perfect in finely tailored clothing. Rags will do quite well. Now, moving on."*

“This is a season of moving onward and upward. Do not be surprised if houses spring up around the world, that is exactly My intention. Not that they will be noticed by the people of Earth, but by the saints of Heaven. I am happy that you are moving forward with the place to pray, it is quite a project, but one ordained from Heaven and surrounded by My handpicked warriors. I am sending help and when I open a door, no one can close it. So, rest in peace.”

Thank You Lord, I needed to hear that. I really did, because I am beginning to feel the heat.

“If ever there was a doubt in your mind,” Jesus continued, “recall the barrenness of this place four years ago. Am I not faithful? Am I not capable? There have been many skirmishes, and outright wars against you and the community, but I tell you the truth, those who have cursed you are paying a high price, and I intend to raise the bar.

“All of you who have hated without cause, you have been misled by others of a more sinister nature. You are being used to oppose Me, that is why things have not gone well with you in the past year. Don’t you know that it is written, “Those who curse My people, I shall curse?”

The Lord continued. *“The last thing I want for you in your lives, is suffering and loss, but you are not living by My rules and a life of rebellion does have consequences. I reach out My loving hand to you and you slap it down. So long as you are doing that, how can I answer your prayers? My angels stand back and are dismayed at your misfortune, but they cannot intervene as long as you falsely accuse and persecute My vessels. How long do you want this losing streak to continue in your lives? You are sadly mistaken if you believe I do not see and hear all that you do to oppose Me and ridicule My servants and My Bride.*

“Yet I am a God of Mercy. I do not wish to see the harm you have brought down on yourselves. My heart is to bless you, increase you, and protect you. But I cannot do this as long as you fall in with the workers of iniquity and Satan. It is your choice; I am pleading with you. Yes, I am God, and I am pleading with you, stop persecuting My servants, because the consequences of this are going to get much worse and that is not what My heart of mercy and love wants. You are fighting against Me, not a woman with families who love Me, but Me.

“What I have planned I will do and in doing that I want to bless you and your families, so please, lay down your swords, be kind, be a good neighbor, and I will reverse all of your misfortune and losses.”

And that was the end of His message.

A Warning From The Lord

May 18th, 2023

Lord, let our love be without hypocrisy and help us to shun evil and cling to what is good. Help us to be devoted to one another in brotherly love and in serving You. Amen.

My precious ones, Papa just had a vision of what the enemy is trying to do to the community and other Christian communities. He saw an Alaskan king crab that had been boiled, it was lying on its back but still alive. There were demons trying to pull the legs off, one at a time. So, we are the crab that has gone through some very hot water and is now being served up to the bad guys and they are trying to ruin us by taking out one leg at a time.

Family, we are not loving our brothers and sisters the way we've been called to. Some of you have personal issues with one another, things you have not forgiven, that are still in your hearts. The enemy is using those feelings to cause sadness to those around you. It has been coming out in rude and harsh ways. My heart is very saddened to hear that harsh words are spoken to one another. There is not one person here that I want to lose, you are all precious and needed. Please, I am asking you to love your brother, love your sister, and do not allow yourself to have anger or jealousy or any kind of attitude towards them. That is what people do in the world. This is not the world. This is God's little piece of Heaven, and when we allow petty issues to influence our attitudes with one another, we hurt the Lord and ourselves.

Every one of you are so important to this mission, please do not hold bitterness in your heart for anyone. Let us stand before God clean and not full of ugly darkness and pettiness. Rick Joyner once prayed, "Lord, I need You to speak, my heart is so saddened by what I have been hearing. Complaining, unforgiveness, jealousy, and one up man ship, being territorial....this should not be here at all, that is the way the world operates. Dear God, change us."

Jesus began, "My Beloved, I am glad you are finally seeing this. Satan has made great inroads in tearing apart communities, one member by one member. You have been weakened. There are those who refuse to forgive and have hostile feelings towards others. You may have to ask them to leave if they cannot forgive. They do not see what they are doing but Satan is very happy with them.

"Clare, this is Me, you are not making this up. Very seriously, you may have to ask some to leave. They do not see what they are doing, but they are allowing Satan to use them. Children, children, since when do you permit yourselves to be used by Satan to hurt others in My house? Your bitterness has caused Mother Clare to lose much time and energy on the work she is doing for Me.

"By holding grudges, murmuring and complaining, accusing and not overlooking faults of those you say you love, you are hurting this community and hurting Me. You know in your heart of hearts when you have been ugly to another, you know when you have lashed out for no good reason, you know when you have given place to the devil and your flesh. I am giving you a stern warning, if this does not change you will be asked to leave. I will not tolerate these attitudes here, this is a loving place, a place of forgiveness, a place where you look up to one another, a place where you build one another up, a place where you feel good because you are loved and accepted.

"You are to honor one another above yourselves. You are to serve one another above yourselves. You are here to love and be loved as I expose your faults and help you grow past them. I will not tolerate selfish, petty, back biting and ugly lashing out here. I will NOT. You know better and you know how to hold your tongue. I am much more concerned with your hearts than your tongue. I have poured My love and provision out upon this community and I will not allow a few to spoil it, I will bring others here who really know how to love, who do not lash out, who do not complain and who do not gossip.

"There are those among you who have a long history of this behavior. I brought you here to help you change. You have had plenty of time to see your bad behavior and be accountable. Now is the time to change or you may return to the world where that kind of life style belongs, but you cannot continue to do that here. Just because mother does not hear everything that goes on, does not mean that it can pass by as normal behavior. I have deliberately exposed these attitudes to her so she could see who has them. The next step is for you to change so you remain here. I see everything, I hear everything and I have brought this to light so that it may be changed or removed.

"I know this sounds harsh, but you must understand that this community is very special to Me and I cannot allow one or two or three people to continue with a bad example, or it will ruin what I have planned."

"Lord, please tell me what you want to do about the outside world here, phones, internet, etc."

"I thought you would never ask."

"Lord my mind is swirling with so many thoughts, please break through and tell me what You want."

"Administrators may keep their phones at certain hours. Those who have a legitimate need may use them at certain hours, but if you would like to know My Heart, I will tell you phones should not be here, they are an open window to hell and the world. I would much rather you had self-control and common sense, but there are those who are weak, just as you are weak and it is better to restrict the phones than to allow them to continue to distract or be an occasion of sin. I want to cleanse this community and others. It is a good idea and now is the best time to do it." And that was the end of the Lord's message.

God bless you dear Heartdwellers and thank you Lord for helping all of us to stay clean before you and to truly love our brothers and sisters from the heart.

URGENT MESSAGE FROM JESUS - COME HOME

May 19th, 2023

Heart Dwellers, I want to share a very special event that has happened with my husband, Ezekiel, yesterday when I prayed over him as a blessing, the Ironic, the Errant blessing, it is in the book by James Durham, 'Keys to An Open Heaven.' When I spoke this blessing over myself, I was plunged into a very sweet, intimate place with the Lord, the place of deep repentance and sweetness.

And so, I prayed the same blessing over Ezekiel, as you know he is blind, and it is composed of configuration of the hands, where the palms of the hands are over the eyes and the finger shoots to the ears and the thumbs are on the forehead. And it is an ancient, ancient blessing.

Quoting from his book, Adonai said to Moshe, "Speak to Aaron and his sons and tell them, 'That this is how you are to bless the people of Israel. You are to say to them, may Adonai bless you and keep you, may Adonai shine on you and show you His favor, may Adonai lift up His face toward you, and give you peace.' And that is in Numbers 6, 22 through 26.

Speaking of Ezekiel now, would you explain to them what happened to you after the blessing?

Father Ezekiel: As soon as your hands touched my face-

Mother Clare: Mm-hm.

Father Ezekiel: Forehead, my head, and ears, put your palms over my eyes, and you began to speak that

blessing, I was inundated, inundated with heavenly, divine, blinding light that actually came into me, that was shining, I mean, just shining out from every direction, from my spirit, from my soul, and I felt physically our Lord Jesus come into my body. I prayed for years, months, days, 'Lord please, I cannot do all these things, I cannot do anything, but I love you, and I cannot survive, I cannot live another minute without all of you.'

Mother Clare. Mm.

Father Ezekiel: I need you; I want you; I have to have you just to survive, I need all of you. So many years Lord, please fulfill your promise. Actually, I had just prayed that before, I mean, bam! It was if his head was in my- His body was in my body, inch for inch, from head to toe. Light sockets-

Mother Clare: Wow.

Father Ezekiel: And it still has not gone away.

Mother Clare: Mm. And I had a similar but not anywhere as dramatic as your response. I just- all of the sudden all that mattered to me was the Lord and what – I wanted to love Him more than anything else, I did not want anything else or think about anything else or do anything else – I wanted to love Him with all my heart, a lot of tears of contrition for time that I had wasted. It had a very profound effect on me as well. So, moving on from that, what happened that night after you received the blessing, and you went to sleep, and what happened when you went to sleep? The Lord took you all around the world?

Father Ezekiel: Oh yeah, it was different this time. It was not like we were side by side; He was in me. He was the one that was doing everything, and yes, for easily an hour and a half to two hours, we were all over the globe, and He began to call people by name within our community, our mountain community, our missionaries overseas- so many faces kept coming to mind. We visited heads of state, presidents, patriarchs, the Ecumenical patriarch of the Russian Orthodox church, Bartholomew, Vladimir Putin, and so many others.

We went over Japan, and I began to speak a completely new tongue, that was very Japanese, of course I cannot recall exactly, but the sound is but- we have a brother- talking to you now, Rusty- and his friend from Japan and are building a refuge community in Japan.

And the Lord stayed and hovered over Japan and He called out your name, Rusty, your name, and your brother, your friend, your fellow worker. As He called everyone's name, and He kept saying over and over- this is like for an hour and a half - two hours- "*Come home, come home. Rusty come home.*"

Mother Clare: What did He mean? What did the Lord mean when He said, 'come home?' What was your impression?

Father Ezekiel: Many, many- Everyone I had ever known and met in my life- I could remember childhood friends, teachers, speakers, singers, actors- you newcomers probably do not know but for many years I was very, very involved in music and recording, all those kind of things, so- and the Lord brought their faces and their names as He hovered over places like Burbank and Hollywood and many, many places that we have been in past years in the United States and South America as well.

One by one, name by name, He kept saying, "*Jose Andreas, come home! David, come home!*" Columbian Spanish. Their names- everyone-

Mother Clare: When He says, 'come home', though, what is He referring to?

Father Ezekiel: My first reaction, was, I knew for our people, and our spiritual children, our communities, that He was specifically calling certain ones of you back to the mountain. But it was as it normally is- the Lord speaks on many levels of things, He works on many levels, you know that. So, as He was personally calling some of our members back to this mountain, my second impression, overlaid with that, overlaid on that, was the calling of the faithful church.

Mother Clare: Mm.

Father Ezekiel: *"Come home, home."*

Mother Clare: The Bride?

Father Ezekiel: The Bride. *"Come home, come home."*

Mother Clare: Hm. That is interesting because you had the banquet table set before you. Being blind, you are not seeing anything in the room, but instead, your spiritual eyes were more keenly aware of what was going on and probably-

Father Ezekiel: Oh, I could see it clearly-

Mother Clare: The banquet.

Father Ezekiel: I could see it clearly, yes.

Mother Clare: Mm-hm. Right up to the foot of your bed, even.

Father Ezekiel: Right.

Mother Clare: That is amazing. So, you think that, metaphorically, He was calling people back to their first love or back home?

Father Ezekiel: Back to – Back to His Heart.

Mother Clare: Back to His Heart?

Father Ezekiel: That is the main crux of the matter.

Mother Clare: Mm-hm.

Father Ezekiel: Whether we are- whether it is the Rapture at some point, or on the local level, you know, some of the Heart Dwellers missionaries, priests, brothers, sisters, married couples who are out in ministry, out in missionary work, parts of Africa and Trinidad- I mean there are several that are out there: Sierra Leone-

Mother Clare: Mm-hm.

Father Ezekiel: Even our Mother Therese, Brother Juniper, - on their trip to raise funds for their mission in Sierra Leone – I mean He even searched out and called even the isolated members who are priests, brothers, sisters.

Mother Clare: But He was not telling them to leave the mission and come back to the mountain, was He? Or was He?

Father Ezekiel: To each person according to their situation.

Mother Clare: Mm-hm.

Father Ezekiel: He was simply calling on the deepest level to come home to His Heart.

Mother Clare: Ok.

Father Ezekiel: *“Come home, come home while we still have yet a little time, come back to Me with all your heart, come back to your first love.”*

Mother Clare: Is there anything else about your travels around the world last night?

Father Ezekiel: After the Lord had spoken to many, many people, I am- seriously, I mean Prime Ministers, you name it- and He would say the same thing: *“Come home.”* He began to speak over countries, starting with Israel: *“Come home. come home.”* It was as if God the Father was calling to His people-

Mother Clare: Yeah.

Father Ezekiel: From all over the world, over every country. Some countries I did not recognize or even know or know the name. We would come down- I could-We could see the curvature of the Earth and then we came closer so we were hovering over the Earth like as if you had seen things from an airplane at thirty-thousand feet, you know?

Mother Clare: Mn-hm.

Father Ezekiel: But we would zoom in, we would come in close, to towns, villages, cities, states, provinces, and particularly countries. You know, the British Islands, Ireland, Scotland, Wales-

Mother Clare: Wow.

Father Ezekiel: As well as England, itself. Germany, Switzerland, the Slavic nations, Russia, and the believers that are still even – well I cannot really- for safety’s sake and security I better not say anything but there are strong believers still underground in China.

Mother Clare: Yeah, the underground church, very active.

Father Ezekiel: And very fruitful.

Mother Clare: Well, I wanted to ask you: Did anyone not– did you feel any response – see or hear any response from any of the people the Lord was calling to?

Father Ezekiel: By and large, everyone, including me, was in shock and awe, and surprised-

Mother Clare: Hearing the Lord’s voice.

Father Ezekiel: Oh yeah. It was, I mean, I could get a phone call tomorrow from Indonesia or some place, in that there are people who heard His voice, simultaneously, at the same time!

Mother Clare: Wow.

Father Ezekiel: Whether it was in a dream while they were asleep or it face to face while they were awake and they know that they audibly heard His voice, sensed His presence.

Mother Clare: Wow. So, this really kind of lines up with some of the things that are going on geologically right now in the world and politically, with Russia getting ready to nuke Europe, I know you have been seeing a lot of visions of charred countries.

Father Ezekiel: The whole planet.

Mother Clare: Yeah.

Father Ezekiel: Just cracked and burnt like crust.

Mother Clare: They were destroyed by fire, not by water this time.

Father Ezekiel: And these countries, with the plates of the Earth shifting like they are-

Mother Clare: It is happening in Africa.

Father Ezekiel: They are- They are split up! The countries are literally like -almost pieces of a puzzle with water intrusion around these bits and pieces of countries.

Mother Clare: And we just heard recently where a city had – a city had sunk eighteen inches-

Father Ezekiel: New York?

Mother Clare: I forget over a period of time. No, I am not sure if it was New York but there are cities that are sinking –

Father Ezekiel: Right.

Mother Clare: From the weight of the structures that are on them and the ground can no longer support them and then the other thing is Israel has just been divided and there is a prophecy that I have heard from reliable prophets that said when Israel is divided, America too will be divided as a punishment for dividing Israel. So, that is something that is looming on the horizon right now with so many faults that are active in our country right now.

Father Ezekiel: When I think of America, the United States, all I can see is a great divide, as if the, you know, all the rivers-

Mother Clare: Right.

Father Ezekiel: Overflowed their banks and-

Mother Clare: Mm-hm.

Father Ezekiel: I mean, the Gulf came into different places and is completely and it is totally unrecognizable. No Mexico, no Central America, no Caribbean Islands, all that is gone. South America like an upside-down boot, just a strand of what it formerly was.

Mother Clare: Mm-hm.

Father Ezekiel: You know, the glaciers melting, the water level rising.

Mother Clare: I wanted to get back to you. The visions that you have been having, I have not been able to get them transcribed as quickly as I would want to, but you see, actually see things happening in Europe and in the United States where land masses go down -

Father Ezekiel: Yes.

Mother Clare: And other ones go up-

Father Ezekiel: Yes.

Mother Clare: Can you recall any of those?

Father Ezekiel: Absolutely. There are high places that have been brought down.

Mother Clare: Mm. Yeah.

Father Ezekiel: And some of these visions are like rolling visions, they go on for a while, or sometimes all day and all night. And I have seen thirty-six hundred refuges around the world that somehow have been, are, and will be protected, and provided for in every way, we have seen that here.

Deadly Transmitter to Trigger Z mbie Apocalypse

May 20th, 2023

Greetings dear family, we have a very special message for you today, a word of knowledge given to us by Brother Jim, as he was in spiritual, intentional prayer.

Father Jim began, "While praying in the spirit, the Lord gave me a word of knowledge about the device, Father Ezekiel saw under the polar ice cap in the message titled "North Pole". There was a transmission device designed to transmit signals to all those who have devices implanted in them, as part of a zombie apocalypse. This device was going to WOW evil

beings and the deep state, to control people and cause their deaths. Similar to the transmissions that controlled people in the popular sci-fi series Star Trek Picard, Season 3, which is where they transmitted their plan.

“Because of this terrible occurrence, and our Lord's tender mercy, this deadly transmitter was deactivated as shown to us in Father Ezekiel's vision. Please be warned that the deep state will try again to do the same thing with another transmitter. This tells us that we really need to start praying the Law of Encroachment prayer every day and to spread the word of this Encroachment prayer to as many people as possible.”

Here is the short version of the Law of Encroachment Prayer: “I invoke the Law of Encroachment; I call upon the holy angels to remove all evil creatures and to break this operation over us. I declare in the name of Jesus those actions against us to be encroachments against our rights on earth and ask the holy warring angels to enforce this law NOW in the mighty name of Jesus the Christ!” Amen!

If you are interested in the longer version to annihilate encroachment prayer, please email us at: lightofthewoods@taosnet.com

Brother Jim continued, “I am also enjoying reading Rabbi Jonathan Cahn's latest book “The return of the gods”. This book tells us about how ancient Israel began to worship the Pagan gods or rather demons, and how their society went down the tubes as a result of it. These demons or Pagan gods are repossessing human beings again, and according to his book, the United States of America is the new Israel. It is important to learn about and study an enemy before you can defeat them.” And that was the end of Jim's word of knowledge.

Jesus began speaking, *“The enemy would like nothing more than to let some people believe that I am the living dead, instead of being resurrected.”*

“How would anyone believe that could be true!”

He continued, *“You would be surprised, Elisabeth, at what the devil's plant in people's mind. This is, of course, not true, I had to fulfill biblical prophecies. We loved you so much that I took your place on the cross to provide you a way to escape My Father's wrath. I died for your sins in order that you may live. I died, was buried and was divinely resurrected, not the walking dead. I am very much alive today and I am the **only** way into Heaven.*

“In some places like Central America and Africa there are indeed people who practice witchcraft and make the dead walk again. These are not the actual person; these are demons that inhabit a person's body. When someone dies their eternity is either spent in Heaven or Hell. I performed many miracles such as resurrecting people and they come back alive as they were previously. Zombies are mindless, not alive but dead.”

In John 11:39-44 it is written, *Jesus said, “Take away the stone.” Martha, the sister of the dead man, said to him, “Lord, by this time there will be an odor, for he has been dead four days.” Jesus said to her, “Did I not tell you that if you believed you would see the glory of God?” So, they took away the stone. And Jesus lifted up His eyes and said, “Father, I thank you that you have heard me. I knew that you always hear me, but I said this on account of the people standing around, that they may believe that you sent me.” When he had said these things, he cried out with a loud voice, “Lazarus, come out.” The man who had died came out, his hands and feet bound with linen strips, and his face wrapped with a cloth. Jesus said to them, “Unbind him, and let him go.”*

Deuteronomy 18:9-14 reads, *When you enter the land the Lord your God is giving you, do not learn to imitate the detestable ways of the nations there. Let no one be found among you who sacrifices their son or daughter in the fire, who practices divination or sorcery, interprets omens, engages in witchcraft, or casts spells, or who is a medium or spiritist or who consults the dead. Anyone who does these things is detestable to the Lord; because of these same detestable practices the Lord your God will drive out those nations before you. You must be blameless before the Lord your God.*” Amen.

God bless you dear family and may the precious blood of Jesus deliver us from all evil.

What! I Didn't Say That!

May 20th, 2023

Well, my dear family, we have caught the enemy in the act! And you are going to get a demonstration of just how he uses communication between two people, how he puts a demon with filters in between two people to cause the other person to totally misunderstand exactly what was said to them, and to give them a sucker punch.

So, here is what happened: I was recording a message, and the phone rang, and I saw that it was a person that I know, it is important to answer the phone, so I kind of hesitated for a minute and I thought, ‘what should I do?’ I kind of panicked, I thought, ‘should I stop recording, should I call him back’, so I decided ‘I better answer it.’ And the recording was going on while I was answering it, but it took me a minute to figure out what I was supposed to do.

Well, apparently, that awkward moment was translated when I answered the phone into irritation to the other person, and they perceived that I was angry with them. Of course, I was not angry with them, I was still struggling, ‘did I do the right thing?’ But it is interesting because I caught the whole conversation on tape.

Later, I spoke to him, and he said, “I know you were angry at me.” And I said, “What? I was not angry at you.” “Well, I know you were angry at me.” And I said, “Wait a minute. I have recorded this whole conversation when you called, I still have it, I did not delete it. I want you to listen to this and tell me if you still think I was angry at you when I answered the phone.” So, that is how this conversation ensued, and I would really like you to hang on to this one, because this is the devil’s tactics with everyone.

So, this was the phone call:

Caller: Pick up a yellow and black light from the first place where we were stuck, and a piece of metal with a pulley. They were left right by the stuck zone, and they have completely vanished.

Mother Clare: No, but I would call -um- I would call Brother Leo and find out if he picked them up and set them aside.

Now, I was just a little concerned because I did not hear that he had gotten that communication, so, I said to him, “If that is ok Mike, I am recording a message right now.” Now I did not hear an answer from him, so I did not know if it was ok or not. But I just went ahead, back to recording.

Well, he came in about an hour later and we discovered that he heard something totally different than what I said to him. I could tell from his voice and what he said that I was angry with him, but something was not translated right, because I was not angry with him. So, fortunately we recorded the whole thing, and he got a chance to listen to it. And after he listened to it, he said, "I have no idea how I got the impression that you were angry at me. I did not hear that at all." He was shocked! So, here is what he had to say:

Brother Mike: "When I called on the radio, Patrick and I had spent an hour and a half getting tools and ropes and lines and connectors and tree savers together, we could not find one last part. So, we had- that first night a light went missing that we put on the ground, and I thought someone picked it up, thinking we forgot it. So, I thought the same thing happened to this one piece that we needed to complete- What we needed to pull the tractor out.

"So, I called Clare on the radio, and I knew they were in prayer, but it was a little bit later, so I figured they were done. And she answered and said, 'maybe call Leo, he might know.' And that was fine, and I asked her again, 'Does anybody in the room- did anybody say yes?' And her response sounded so annoyed, almost disgusted that I would even call at that time, and I just put the radio down, I looked at Patrick, and we kind of – we just did not get it- and right away I just- I cleaned up for the night because it was getting dark.

"But it sounded different. Then I come to her house later and I wrote to her about it, I talked to her on the phone about it, and she brought it up, she did not know why I would have thought that. So, I came down and she recorded that because she was recording when I made the call. It sounds nothing like what I heard on the radio. Not even remotely close. There is no tone, there is no disgust, but I know what I heard, and it was totally different, and we are bringing this up because it is a very good example, especially being recorded, of what the enemy is capable of to cause misunderstandings and cause division, and we know he does this, but this is the first time we have had an opportunity to have dead proof.

"I would have sworn to God that what she said to me earlier was out there, not herself at all, but in the end, she recorded it, and she did- she was not in any way unkind or impatient with me at all, but I thought she was upset with me, severely, because of the way she spoke on the radio when this happened.

"So, it is a good example of what the enemy can do, we got together and talked about it, and it has kind of blown my mind because this is, uh, this is proof, I know what I heard, and this is not what I heard, so the enemy is either changing my hearing or changing her voice at that moment. I do not really understand it, but hopefully this will help a lot of you to be very careful before you think what somebody else said or did that might have offended you when in fact, they may have not done such a thing."

Mother Clare: That will be my next message.

Brother Mike: Wow! That is freaky.

Mother Clare: I know.

Brother Mike: It is just disturbing.

Mother Clare: It has been going on for such a long time, it is about time we finally got a grip on it.

Brother Mike: Well, I am sure the Lord allowed this, for that reason. And I am deflated right now, because it has been so hard, it hit me extra hard. And that is what I did not like, and I am like, 'why is this bothering me?'

Mother Clare: It was a sucker punch.

Brother Mike: Yeah!

Mother Clare: Ah!

Brother Mike: It is a- you just sounded- Oh, my gosh, I wish I had a recorder.

Mother Clare: Yeah. Well, we got it now.

Brother Mike: That, well, that probably would have never happened on the other side, that was so different.

Mother Clare: No.

Brother Mike: And I was in a good frame of mind, there was no, nothing in me, me and him were just about ready,

Mother Clare: Yeah.

Brother Mike: I got everything done, we made it back with the groceries-

Mother Clare: Yeah, right.

Brother Mike: The truck did not break; we were on a good note.

Mother Clare: Oh yeah.

Brother Mike: Wow.

Mother Clare: That is amazing.

Brother Mike: Yeah, that is scary.

Mother Clare: Ok, sweetheart.

Brother Mike: Let me give you a hug, I am going to take the books.

Mother Clare: Ok. I will show you where to put them, ok?

Brother Mike: Oh, ok.

Well, just a little side note on all of this, if you ever decide to live at nine thousand feet in the remote wilderness, you had better have a mechanic on board. First, he got the car stuck, which is kind of like a truck, because of the way it has modified it, because this- all this- is the spring thaw and it turns to squishy mud here when there is a spring thaw, and it is gushing down the mountain. And the mud gets very plastic, and you just sink in it.

So, first he got his car stuck, and then he got the tractor, to pull the car out, and the tractor got stuck! Oh, joy! So, this had been going on for like three days and it was quite an ordeal. We learned a lot, though, during it, but the best thing that we learned is how the enemy distorts conversations to set people up to be alienated with each other.

Dear ones, do not let this happen to you! Be careful!

And one note, Mike and I have been friends for a long time and all through that time, he has always said, 'Yeah, I know you are mad at me.' And most of the time it was not true, and he has found out when I am angry, he will know it. It is not anything like, that kind a mild reply, I get pretty upset. And I have only gotten angry I think only a couple of times, but the thing is, he interprets things as though I am put out with him and angry with him and now, we finally caught it, that there is some kind of a filter that the demons are using to cause the conversation to have a tone to it that is nothing like what it is in reality. Watch out for that, guys, this is one of Satan's major tactics to alienate and divide.

God bless you, family.

Father Ezekiel's 4.22.23 vision

May 22nd 2023

The first part of Father Ezekiel's 4.22.23 vision.

Father Ezekiel:

For the last forty-eight hours or more, I thought I kept seeing a river, and I did not understand at first because it was burning in green and flowing West to East, very much like the Amazon. Then I was brought down to ground level and the whole scene changed. Once again, the skyline of New York City. However, this time, the presence of the Lord was hovering over the city.

And every elder angel and saint were praying from Heaven, which had come down, floating right over the city, all of Heaven, all of Paradise. And every inhabitant praying for the city. Blessed Mother is to my right, she is wearing all white now, never seen her she is high, high above, and yet I can distinctly see her garments to my right, and yet I have always hoped is her ladder to Heaven.

And so, I run to my Mother, my Mother Mary, our Blessed Mother, to be kept safe in the folds of her garment and her espousal to the Holy Spirit, His well- beloved Spouse. I run to her to be safe, directed and corrected. And she is so beautiful, very difficult almost to see because of the light and clouds, literally clouds of angels, layers and layers and layers. Thank you, Mama, you never left me, and you never will, because you are a mother, and you love your children.

So, I too, will pray, for the city and cities from Peru and Chile, up through South America, Central America, North America, all the Caribbean. I am praying, as best I can, along with Your prayers, Lord. I do not know exactly what to do but I know that I want to be with You. I want to do what You do, say what You say. I want to be one with You. Please? Totally, completely one with You. Heaven is not Heaven without You.

The second part of Father Ezekiel's 4.22.23 vision:

Father Ezekiel:

Wow. The water has just inundated everything there. Yeah, there are still fires burning in different places, I guess, busted gas lines or something, you know, the thing came in red hot when it hit. And I am still at the top of the Statue of Liberty, inside the- where they let you go look out, at the top, just watching this whole city. Crushed, burning, twisted metal, I mean, from Manhattan to – you name it- then again, up into Canada, this thing is huge.

I kept thinking that I was seeing a river, you know, the Hudson River, but then I realized we are under water, we are under water. The whole city of New York is – Wow! The whole city of New York is just annihilated. It is almost like, if it were possible, the water would burn. This thing is so big and red hot.

So, go all the way back to the Roaring Twenties, the Speakeasies, you know, where you go in for alcohol, The Syndicate, you know, the Mobs, all those sins. I do not even know when it all changed but know that it goes back to the Roaring Twenties when the skirts hems started going up and they started dancing and stuff like

that, not that I am against any of that, but they were just modest, normal people before, nineteen-ten, nineteen hundred.

I do not know when all these ports were opened to, you know, for shipping and such, but obviously somewhere down the line, whatever century it was in, and yet this white cloud hovering over the city, even when the city is under water. Well, obviously, that would, shock waves, the land, as I said on another recording, the land it is almost like earthquake waves where the land just starts to ripple and wave at, you know, the Earth.

So- So, if the meteor tipped that plate, beneath New York, that would explain why I keep seeing, like the whole city and more, tipping upward like the plate under it is tipping very, very wide, tipping straight up looks like looking at a sideways city virtually underwater and yet there is so much smoke and so many fires, maybe that is beyond New York and into other states. I cannot imagine, except what I am seeing, and I am in real time, eyes wide open. Wow.

And yet there was a time of purity, long long ago, before New York came to be New York City. Wow. And yet God is still with them- right in the fire with them, with you, He is right there with you, spread out, with His arms open wide, everyone is praying for you and with you, and when this happens, for you, the faithful in New York, and I am talking about the prayer of the heart. Those of you who are worshipping Him in Spirit and Truth- His presence is just shining over your city and over you and the many that have gone straight to Heaven, straight to Heaven, straight to Paradise.

The third part of Ezekiel's 4.22.23 vision:

Father Ezekiel:

Wow! I am not real sure where I left off, but it is almost unrecognizable. That whole city has been so flooded, so much is under water. When this band or plate or partial chunk or something of a meteor came down, it literally, literally, - I will say it again-made a very deep impact, so much so to shift the plates under New York. It is as if you tipped the whole city straight up in the air on its side.

God is still over the city and drawing the souls that love Him to Himself.

Relax and Create

May 7th, 2023

Part 1 of Father Ezekiel's second 4.23.23 vision:

Wow! For hours and hours, this has been beautiful. It is like a sketch drawing, but it is there, it is real. It seems like there are barriers and a tunnel, and there are layers and layers of angels around, you know, just layers, through this tunnel.

Then it switches to what seems and looks like sand, hm, very much like Egypt. Wow, that is a lot of sand, wow! I have not heard Suez Canal forever, which one is the one that goes through Egypt? It is a shipping lane; it is a manmade shipping lane, ok. And there are men on camels.

The people are using the waterway for everything. Maybe I am not -Maybe I am not wrong about the Suez Canal, but I remember it being mentioned many times. I know about the Panama Canal but the Suez, where is the Suez Canal located? Hm.

And I seem to be now in Belgium, no, Yugoslavia, this is a main thoroughfare that comes up to like a capital. And beyond that, the road seems to end and go either left or right but right there is a-the spires of a large Orthodox church, there will be a cathedral at some point in the future, standing exactly where the White House is, our Capitol, Capital of the United States of America, as it seems to be at this point. So, we pray for them, especially those in the cities, millions of people.

Ok, back in Europe, wow, I guess back in Greece? No, it is not Greece. Venice – they are the ones that have the canals and the water lanes and the long boats, the gondolas that they take you on. Hm.

I am back in the Blessed Mother's little bungalow ...

Part 2 of Father Ezekiel's second 4.23.23 vision:

Mother Clare: He is giving the rivers names.

Father Ezekiel: I am giving the rivers names.

Father Ezekiel: In the northeast of Egypt, where the land is either separated or has been cut through, now they are calling it the Tigris. And the one on the right side of Egypt that has been cut other than separated, they are calling it Euphrates. You can even see it, the names of the rivers, written.

Mother Clare: Wow.

Father Ezekiel's 4.26.23 vision

May 22nd, 2023

Father Ezekiel: Enjoy it!

Mother Clare: So, we are in a banquet hall?

Father Ezekiel: The wedding banquet.

Mother Clare: The wedding banquet. And we were serving?

Father Ezekiel: Mm-hm.

Mother Clare: And then we sat down?

Father Ezekiel: Mm-hm.

Mother Clare: And the big, long-

Father Ezekiel: And you are to His right sitting down.

Mother Clare: Whose right?

Father Ezekiel: His right.

Mother Clare: Father or Jesus?

Father Ezekiel: Jesus.

Mother Clare: Oh. Where is Jesus sitting?

Father Ezekiel: Next to Daddy. Daddy is at the head of the table –

Mother Clare: Mm.

Father Ezekiel: At the bottom of the steps leading up to the throne.

Mother Clare: So, then Jesus is on the left?

Father Ezekiel: Jesus is at- Everybody is at the right hand of the Father.

Mother Clare: If I were at the right hand I would be between Father and Jesus.

Father Ezekiel: That is right- No, you are on the right side of Jesus.

Mother Clare: But the right side of Jesus leads up to the Father.

Father Ezekiel: No, the left- they are facing us, honey. We are looking from way down here to way down there where they are, and you are.

Mother Clare: Ok. If you say so.

Father Ezekiel: That is for the guest of honor, at a, like a T, it comes to a T, at the end of the table.

Mother Clare: Oh, it comes to a T.

Father Ezekiel: Right.

Mother Clare: Mm.

Father Ezekiel: You and Jesus, I mean it is a wedding banquet, it is a wedding banquet, and in this case, you are the Bride,

Mother Clare: Mm.

Father Ezekiel: Representing all the Brides and all the wedding banquets that are going to be held individually for every Bride.

Mother Clare: Mm.

Father Ezekiel: And the air smells like, it is fresh.

Mother Clare: I LOVE the aroma of lilacs.

Father Ezekiel: Look and listen, feel and do everything from your Spirit.

Mother Clare: Who is beneath, on the left side?

Father Ezekiel: As they are facing us, they are back, kind of caddy-cornered to the Guest of Honor.

Mother Clare: Mm.

Father Ezekiel: And they are sweet.

Mother Clare: Hm.

Father Ezekiel: It is -it is-Wow! It is really, really Heaven, it is beautiful. Fresh flowers all the way down the table.

Mother Clare: When you said that I was seeing rose petals falling from the sky. Pink rose petals.

Father Ezekiel: Really?

Mother Clare: Mm-hm.

Father Ezekiel: Wow!

Mother Clare: When you said flowers all around.

Father Ezekiel: I have never been to a place this rich before. This is really-

Mother Clare: Hm.

Father Ezekiel: This is- this is exquisite! Very sweet.

Mother Clare: Mm. The glasses are long- stemmed water glasses, wavy, they are kind of like a tulip-

Father Ezekiel: Right.

Mother Clare: And they have a gold edge.

Father Ezekiel: Right. Everyone, on both sides of the table, they are like one big family, talking back and forth, you know,

Mother Clare: Mm-hm.

Father Ezekiel: Men, women and children, even babies.

Mother Clare: Mm.

Father Ezekiel: It is like a family reunion, kind of, in a rich way. It is like a royal family-

Mother Clare: Mm.

Father Ezekiel: Beautiful.

Mother Clare: Remember I am related to the Blessed Mother.

Father Ezekiel: What, honey?

Mother Clare: I am related to the Blessed Mother.

Father Ezekiel: You are to the right of Jesus, and Blessed Mother is to the right of you, close next to- It is like the Blessed Mother and the Holy Spirit are almost one person, sometimes I see them both side by side and sometimes I see them in and out of each other, you know?

Mother Clare: She is filled with the Holy Spirit.

Father Ezekiel: Well, she is His Spouse.

Mother Clare: Hmm.

Father Ezekiel: Our Guardian Angels are here.

Mother Clare: Mm.

Father Ezekiel: Oh, my goodness!

Mother Clare: Hm.

Father Ezekiel: The Lord sure does know how to multiply the food! Man! Even though there is no killing in Heaven, the food likes like food, has the taste and flavor and everything, but you did not have to go kill an animal to have it. I am talking about prime rib, filet mignon- wrapped with bacon-

Mother Clare: Mm.

Father Ezekiel: Something- a bird stuffed with fruit, with Bailey's Irish Cream Liqueur, it is a chocolate cream liqueur, poured over it. Man, I can-

Mother Clare: We are talking decadent now.

Father Ezekiel: What- I am just-

Mother Clare: Hm-hm.

Father Ezekiel: I am just in awe over the whole thing, I mean, it is- I really do not feel hungry, I really do not. It is not the food, not the table, or the chairs that I am so drawn into- it is the -the souls.

Mother Clare: This brand of chairs look like –

Father Ezekiel: When I first saw the chairs I saw the poor people, down in an elementary school or something, you know?

Mother Clare: Mm-hm.

Father Ezekiel: And they had their rags, and they would sit down, and when they would sit down, they were instantly clothed in white.

Mother Clare: Mm.

Father Ezekiel: In white gowns, and the chairs morphed into fine, fine oak kind of furniture-

Mother Clare: Dark?

Father Ezekiel: He took all of those, and the air started rippling around them, and they were transformed into the most beautiful people, the most beautiful souls-

Mother Clare: Mm.

Father Ezekiel: And the angels came and had them stand up, and they removed that furniture, and they brought in thrones –

Mother Clare: Mm.

Father Ezekiel: For these to sit on.

Mother Clare: Oh.

Father Ezekiel: The poor, the lame, -

Mother Clare: Mm-hm.

Father Ezekiel: The naked, the hungry, the widow, the orphan-

Mother Clare: Mm-hm.

Father Ezekiel: And the whole table, all the guests, moved down, because they were invited up to the head of the table.

Mother Clare: Mm.

Father Ezekiel: I liked them when they were right here beside me!

Mother Clare: Hm. So, it is a T-shaped table.

Father Ezekiel: Yeah.

Mother Clare: Mm. And the poor are closest to the Father.

Father Ezekiel: Mm-hm.

Mother Clare: Mm- Oh, in the long part of the T. And then the cross-

Father Ezekiel: Think of a tile cross.

Mother Clare: Right.

Father Ezekiel: God the Father, Jesus, you, Blessed Mother, The Holy Spirit-

Mother Clare: Mm.

Father Ezekiel: Your Guardian Angel, my Guardian Angel-And you and I- You know how I talked about the Holy Spirit and the Blessed Mother seemed to come in and out of each other as one person?

Mother Clare: Mm-hm.

Father Ezekiel: You and I, you and I are both there next to the Lord, and we in Him, you know, He and I-

Mother Clare: Mm-hm.

Father Ezekiel: Are one. I thought that the silverware was going to be rich, fine, old, you know, whatever, silver-

Mother Clare: Hm.

Father Ezekiel: And it is not. It is gold.

Mother Clare: Mm-hm.

Father Ezekiel: And the candles – the candles are gold.

Mother Clare: Wow.

Father Ezekiel: And yet the candle holders seem to be almost-

Mother Clare: Hm.

Father Ezekiel: Made from pearl. Real pearl.

Mother Clare: Really?

Father Ezekiel: Mm-hm.

Mother Clare: Hm.

Father Ezekiel: Yeah, about every four chairs down, are tons of whatever you want to call them, beautiful soft gold candlelight, even though the bridal light is coming from Daddy and Jesus and Holy Spirit, there is also glowing from holy souls.

Mother Clare: Mm.

Father Ezekiel: The brightness of the little ones, and the poor ones, and yet it is beautifully bright with them up close with candles with pearl holders. I know it is a little base, but I am thinking, 'I wonder if I could take some of this home?'

Mother Clare: Hm-hm.

Father Ezekiel: Like some of the food?

Mother Clare: Hm.

Father Ezekiel: And the Lord's answer was simply, *"You do not have to take anything home. It is always here for you. Look around you."*

Mother Clare: Mm.

Father Ezekiel: (continuing with the Lord's answer to him) *"All this is yours, the whole Kingdom of Heaven. From the River of Life to the banquet table, to the steps leading up to the throne..."* and yet it is so sweet and innocent, it is almost like a fairytale princess wedding kind of thing.

Mother Clare: Hm.

Father Ezekiel: Another thing I just cannot describe, even a foot away from my face, I cannot describe the color. If you see anything else, tell me, if not, just rest and enjoy it, just relax and enjoy it. Wow!

Mother Clare: Hm.

Father Ezekiel: Golden chandeliers, just suspended in the air.

Mother Clare: That is funny, I saw something drop down from the ceiling.

Father Ezekiel: Yeah! Golden chandeliers!

Mother Clare: I thought- I thought it was a flower arrangement or something, but it is golden chandeliers.

Father Ezekiel: Golden chandeliers and they are hovering-

Mother Clare: Yeah.

Father Ezekiel: Nothing is holding them up, they are just there.

Mother Clare: I saw it-

Father Ezekiel: Suspended.

Mother Clare: I saw something come down from the ceiling and hover.

Father Ezekiel: Yeah, they are suspended.

Mother Clare: Wow! It seems like they have etched glass.

Father Ezekiel: Well, whatever they are-

Mother Clare: Chimneys or something, glass coverings over the chandelier part, etched –

Father Ezekiel: Glass.

Mother Clare: Yeah, sitting over the base and the candle holder. Each one kind of has glass that is etched with designs.

Father Ezekiel: Wow!

Mother Clare: Super fancy.

Father Ezekiel: Ha, ha.

Mother Clare: Hm.

Father Ezekiel: You know how we can tell the Brides from the guests?

Mother Clare: No.

Father Ezekiel: The Brides, along with their wedding veil and dress, they always have white gloves going up to their elbows.

Mother Clare: Oh, really?

Father Ezekiel: Yeah. And tiaras. They make up the heart of His Heart and the light of His Life for all eternity.

Mother Clare: The Brides.

Father Ezekiel: Absolutely. That does not mean that He is not close and intimate with all souls in Heaven, there is something about the Bride, something about the Bride that is just very singular, very, very special part of The Body, His Heart.

Mother Clare: I keep seeing a pure gray or pure powder blue- It is not blue, is it? A garment on the men- real light, almost, you know, white, but it is a grayish-

Father Ezekiel: Right.

Mother Clare: Tint, a beautiful grayish tint.

Father Ezekiel: Hm.

Mother Clare: On a server, thinking.

Father Ezekiel: Yeah. The angels are beautiful, just layers upon layers upon layers, almost like billions of clouds in the atmosphere, all around the table, as far as you can see in any direction: in front of us, behind us, beside us, I mean they just completely- it is like a hidden garden, a fountain sealed, a fountain enclosed, and yet,

almost like He said, almost like a crystal bubble. There is an atmosphere even in Heaven that is all its own.

Even my Jesus prayer has been working.

Mother Clare: Hm.

Father Ezekiel: There is a – a little string quartet or whatever that has multiplied into a string something -Hm.

It is modestly back from the table, and it is so soft, and it blends, it is coming in and out of everything.

Mother Clare: Hm.

Father Ezekiel: When it hits the crystal, it goes in and hits the wood, and it mixes. Man! Here come the waterfalls!

Mother Clare: Hm.

Father Ezekiel: With rocks and green fern! I see the most beautiful butterflies,

Mother Clare: Mm.

Father Ezekiel: Just weaving in and out, you go to take a drink out your goblet and out comes a butterfly! Hm-hm. Aw, honey, there are tables outside, I mean grass, trees, birds-

Mother Clare: Mm.

Father Ezekiel: Everything. At times it is almost like- Saint Francis is at the right of the Holy Spirit and the Blessed Mom-

Mother Clare: Mm.

Father Ezekiel: At the-Seated at the T.

Mother Clare: Mm-hm.

Father Ezekiel: He was still wearing his habit, but it is not gray and ragged anymore- I cannot really describe the color but it is gold embossed and you know.

Father Ezekiel's 4.29.23 vision

May 22nd, 2023

Father Ezekiel: The third city I have seen in Europe that is old and historic –

Mother Clare: Oh boy.

Father Ezekiel: Some kind of waterfront on the West side – and it is- there are a few sinkholes that have just swallowed up the West side of the city, and they are going into the old, old historic buildings, you know, somewhere in Europe.

Mother Clare: Wow.

Father Ezekiel: And just crumbling apart from the West.

Mother Clare: Is that the water?

Father Ezekiel: Yeah. Water is coming up from those sinkholes.

Mother Clare: Mm.

Father Ezekiel: And it is about halfway up the door of a car, about up to your waist. In the vision before, right at the steps that go up to this domed building of-

Mother Clare: I have got to do something.

Father Ezekiel: In the dry part of the building there is a wrecking crane kind of thing, and it is just tearing these old buildings down.

Mother Clare: Oh.

Father Ezekiel: I do not get it but with water encroaching on the city, I would think you would be at home trying to – wow- from the bottom of those Capitol steps they are tearing buildings down, wherever this is.

Father Ezekiel, talking to Mother Clare: It is the Texas state capital. Yeah, it is just falling apart like chalk, from the Gulf up. Houston, where the shipyards are, is under water, almost, and there is a whole bunch of white smoke, whitish, pinkish, greenish, bluish- haze over what you can see of the city –

Mother Clare: Singing.

Father Ezekiel: That is very, very strange, seeing ships coming into the inner city- of Houston. I know Houston, I know a great city, I know that whole area. Now water is up- just about halfway up the car door, like up to your waist in Houston, Texas. And the same at the capital building, and I just do not understand because that is in Austin, that is three hours to San Antonio and probably another hour at Austin or more. So, from the very tip of Brownsville and Corpus Christi, all that, San Antonio on the West side, it is really broken, cracked. If you took a ruler from maybe forty miles west of San Antonio and drew just a crooked line up, yeah, it is just breaking off like a piece of chalk.

Father Ezekiel continues: The only reason anyone is even ok up here is that we are in the Southern range of the Rocky Mountains and if you went another thousand feet up, you would be in the, well, you would be up in the Alpine zone, where it is just rocks and trees. So, I guess it covers New Mexico as well. And water- I do not even see Arizona -water level went up; it is all over the place. Just about to the southern border of Nevada, Nevada, however you guys say it, -

Hm. California is holding strong, for whatever reason, they have had so many fires, and stuff like that and even mudslides going on. The plates are being, being, pressing against each other. L.A. got rocked pretty good, South America looks like an upside-down, skinny, thin boot. That is just how much water is encroached in, coming in South America. The other capital city of Bogotá, Columbia, the whole west side of the city is under water. There is a little bit of the Andes Mountains, the Amazon Basin is totally flooded. I guess the river has come out of its banks on both sides.

Wow. It used to be a beautiful river. Nothing but mud and clay and twisted wreckage right now. In the city - Venezuela, man, you know, forget Caracas. It is like a cheese slicer straight down, which it always kind of been, right on the ocean. Venezuela is a beautiful, beautiful place, and Caracas is a beautiful town, very old historical areas, soccer stadiums as always, right, I say fut-bol, f-u-t-b-o-l, I think, that is, you know, we call it soccer, but it is football around the world, and tiny little kids kicking these soccer balls.

Brick or pebble or stone streets, light colored haze, blue-green-

Mother Clare: What is going on, honey?

Father Ezekiel: Well, I have been to Europe and to Texas and to-

Mother Clare: What is going-

Father Ezekiel: Venezuela and Bogotá, Columbia.

Mother Clare: What is with Texas?

Father Ezekiel: If you were about forty miles west of San Antonio, due west, and you took and just made a jagged line up-

Mother Clare: Uh-huh.

Father Ezekiel: The Gulf has come in that far and covered West Texas, and part of New Mexico.

Mother Clare: Wow.

Father Ezekiel: And the only reason it seems normal up here is that we are at the altitude we are almost down the Southern Rocky Mountain range and there is greenery around this and that there are acres around this mountainous area, but not down in the Valley. Albuquerque is gone-

Mother Clare: Yeah.

Father Ezekiel: Then there is Santa Fe- Those prophecies are true- Nuke the city of Santa Fe. I do not like to say the word or use the word nuke or even approach the subject but-

Mother Clare: Mm. (praying in tongues)

Father Ezekiel: Yeah, everything is either encroached by water or charred in black to the east of us, to just about- I do not know if it is Ohio or Indiana or some state line, it is marked- it is like a-it is like the rivers have overflowed,

Mother Clare: Yeah.

Father Ezekiel: And the Gulf has encroached-

Mother Clare: Yeah.

Father Ezekiel: So, there is still a big swath between what is left of the Western part of the United States and what is left of the Eastern United States, probably toward the east of Missouri bordering on East from there. And there are two Capital buildings.

Mother Clare: What about the Capital buildings?

Father Ezekiel: One is for the Union, and the other is for the Republic. I forget what you call them- the volunteer people that have been training for all this for so long?

Mother Clare: Who?

Father Ezekiel: Militias! Very well trained, they have been very, very disciplined.

Mother Clare: Where are they?

Father Ezekiel: On the West bank, on this huge swath of water that divides the country. And part of our United States, probably a good thirty something percent or more of the Armed Forces that used to be part of the United States of America, have joined the Republic.

Mother Clare: What percentage?

Father Ezekiel: Over thirty-three percent, I would say, because I have seen thirty-three percent- So, the Republic army is made up of the militia and part of our regular military.

Mother Clare: Mm-hm.

Father Ezekiel: You know, Army, Navy, Air Force, whatever- and that is it. A lot of equipment on the West side. Of course, the East side, the Union, is what it always kind of been, only with the encroachment of water in places and it is-Not a whole lot of it left. There is no Florida.

Mother Clare: Chicago is gone? Is it hard to tell?

Father Ezekiel: Can you in your mind make a line from Chicago down to Mexico?

Mother Clare: Mm-hm.

Father Ezekiel: What would it border- what states would it border?

Mother Clare: Louisiana, let us see, going to Mexico- yeah, Texas I guess- it must be at an angle.

Father Ezekiel: Ok. Yeah, there is plate shifting, and pressing each other, that is for sure. And that eerie feeling, that eerie silence- and it is light orange, and then stripes of like lavender, green and blue - like gasses. Noxious gasses.

Mother Clare: And fire?

Father Ezekiel: No, they are just settling on whatever is left, like the Capital, the state Capital building in Texas, which is right in the heart of the-

Mother Clare: It has gas?

Father Ezekiel: These gasses, these clouds, are down on the city. This mist-

Mother Clare: Oh, a mist. Well, what is in the mist? Is it just mist or is it poison?

Father Ezekiel: It is- obviously it is -it is deadly, because there is not--not a soul to be heard. And the water just keeps rising, and the plates just keep shifting. Looks like a war zone- Twisted metal, rebar, concrete, like an order out of World War Two. You know how they come into like France and just wipe a town out? Do you remember World War Two at all?

Mother Clare: Mm-hm, I do.

Father Ezekiel: Or photos of World War Two?

Mother Clare: Yes.

Father Ezekiel: Yeah. We have got two cities in Europe and a line going from Chicago down to Texas. Anything east of that is water.

Mother Clare: All that timeline.

Father Ezekiel: Mm-hm.

Mother Clare: Hm.

Father Ezekiel: And they are like glaciers, are still sliding-

Mother Clare: Yeah?

Father Ezekiel: Into the United States. I mean there are places-

Mother Clare: I wonder why?

Father Ezekiel: Like parts of Canada that are totally wiped out. They are melting, they are melting.

Mother Clare: Well, if they are melting, they can turn into water.

Father Ezekiel: But they are sliding, they are moving, they are glaciers.

Mother Clare: The glaciers are moving down?

Father Ezekiel: Yes.

Mother Clare: Well then, something else. That would mean that they are freezing, if it is moving down, they are starting to freeze-

Father Ezekiel: I bet there is hot water down underneath or hot something that is causing them to slide, from like Alaska, Yukon, that is gone.

Mother Clare: Alaska is gone?

Father Ezekiel: Mm-hm.

Mother Clare: Alaska is loaded with mountains.

Father Ezekiel: Take your pick.

Mother Clare: Alaska is totally gone?

Father Ezekiel: Mm-hm.

Mother Clare: You are sure about that?

Father Ezekiel: Mm-hm.

Mother Clare: Do not worry your heart, honey, do not-

Father Ezekiel: I am just saying what I see, no exaggeration at all.

Mother Clare: Please -Where is Canada?

Father Ezekiel: There are parts of Canada, but they look like, you know, like tundra island masses or something.

Mother Clare: I do not know how Alaska could be gone, there are huge mountains-

Father Ezekiel: Well, it is just-If you look at where Alaska was, you know, through the water, it is a little- the water is a little lighter color than the rest of the blue green, you know, Pacific or whatever.

Mother Clare: Mm.

Father Ezekiel: Obviously the Bering Strait, you are not just going to walk across it, it is under, it has been under for a long time and birds flying the wrong way.

Mother Clare: Heading south?

Father Ezekiel: Mm-hm, looking for a dry place, I guess. - Avoid the haze, the haze is yucky, real yucky haze.

Mother Clare: From volcanos?

Father Ezekiel: Either that or earthquakes or both, I do not know. It is just- it is strange, everything is so quiet and hazy- big ball of something going in-

Mother Clare: What do you mean?

Father Ezekiel: I do not know what it is, maybe it is fire, maybe it is some kind of building or something- the sun peeks through and is shining on us-

Mother Clare: It is a ball of something?

Father Ezekiel: Mm-hm.

Mother Clare: Like fire?

Ezekiel's vision 5-2-23

May 5.2.23, 2023

Ezekiel's vision 1 of 3 5-2-23

Father Ezekiel: First, the sun was shining on the other side of the world, Africa. It started to dim, just before it dimmed out.

Mother Clare: Just before what?

Father Ezekiel: It dimmed out.

Mother Clare: Ok.

Father Ezekiel: I cannot see unless you are not there.

Mother Clare: I am right here. It dimmed out. Ok.

Father Ezekiel: There was a planet that looked like it was coming in from behind the Earth, coming out from behind the Earth, because it was smaller than the Earth. Then I saw it very close to the Earth. I could not believe the size of this thing. No wonder. It is going to have so much pull, gravitational and otherwise.

Mother Clare: But it was smaller than the Earth, right?

Father Ezekiel: Yeah-

Mother Clare: Ok.

Father Ezekiel: But it still has got a lot of pull –

Mother Clare: Oh, sure.

Father Ezekiel: But it still has got a lot of pull when it passes by.

Mother Clare: What color was it?

Father Ezekiel: It was like shadows, like dark, like shaded.

Mother Clare: Dark?

Father Ezekiel: The moon was blocking the sunlight from reflecting; the Earth was blocking the sunlight from-

Mother Clare: Right.

Father Ezekiel: From being on it, -

Mother Clare: Right.

Father Ezekiel: So, it was on our dark side, our night sky. Very close.

Mother Clare: Was it- Was it black and red?

Father Ezekiel: It was simply shadowy, but it definitely had a curvature to it just like the Earth-

Mother Clare: Mm-hm.

Father Ezekiel: And then I saw the Earth like projectiles, just shooting out like -like hot needles, just shooting out of the Earth, like they were on fire. I do not know if they were souls or what, so-but-

Mother Clare: Did anything else happen with the planet? Nothing.

Father Ezekiel: Not yet.

Mother Clare: Ok.

Father Ezekiel: The visions run, then they stop, and they stay in one place.

Mother Clare: Ok.

Father Ezekiel: Mm-hm.

Ezekiel's vision 2 of 3 5-2-23

Father Ezekiel: Earlier about two hours ago, you were up front, and I never recorded back here but I-

Mother Clare: Louder.

Father Ezekiel: I saw the Earth, and it was not on fire, it was-had the reflective light of -from the sun, going into, you know, Eastern Asia, across Europe. And so that part, was, you know, green and blue like the planet, but then another planet was coming up on us.

Mother Clare: A planet.

Father Ezekiel: Yeah, a planet.

Mother Clare: Woah.

Father Ezekiel: And I have never seen anything like that before. It was probably a third size smaller, maybe, than the Earth, and yeah, it was- it was really close.

Mother Clare: Wow.

Father Ezekiel: And I asked the Lord in my heart, you know, 'What is it?'

Mother Clare: Right.

Father Ezekiel: And I thought I heard 'Wormwood'.

Mother Clare: Ha!

Father Ezekiel: So, yeah.

Mother Clare: Ok.

Ezekiel's vision 3 of 3 5-2-23

Father Ezekiel: Can we make this in the form like a question-and-answer, like an interview kind of thing?

Mother Clare: Ok. And so, you just began telling me of how this-these visions began, and what the Lord is showing you. Can you explain that to me again, please?

Father Ezekiel: All of yesterday, Monday, last night and all today, I kept seeing like three different countries in particular, and of course these were interspersed and overlaid like a Photoshop player. Thank God of, you know, what is at the end of this, what the aftermath of all this is going to be, you know, the hope and the new life and, yeah, literally having Paradise come down on this Earth. Because I could not handle it- I just could not take-

Mother Clare: All the devastation.

Father Ezekiel: The sick, sick, I mean like a burning, physically burning pain deep in your heart-

Mother Clare. Mm.

Father Ezekiel: When you are really grieving-

Mother Clare: Mm.

Father Ezekiel: And I just, you know, sometimes you feel like you are about to pass out, you just, your mind and your body just cannot take it anymore.

Mother Clare: Right.

Father Ezekiel: So, the Lord would bring, as we said earlier, fresh manna-

Mother Clare: Right.

Father Ezekiel: And fresh wine skins. To keep us going-

Mother Clare: Right.

Father Ezekiel: Keep me going.

Mother Clare: We need that really badly.

Father Ezekiel: But yesterday, last night and today, I kept seeing, at least three different let us say, continents, countries- Normally when I see the Earth as a curvature, it is about maybe the size of a protractor, you know, a pencil instrument on a -

Mother Clare: Mm-hm.

Father Ezekiel: On a map or something, it is a kind of circled- out area, or squared-out frame-

Mother Clare: Mm-hm, like a semicircle.

Father Ezekiel: In fact, sometimes frame marks come into these things, like translucent green, you know, like framed in, or whatever, just like on a computer.

Mother Clare: Ok.

Father Ezekiel: And of course, it has been a while since I have been able to see, so I cannot really, you know- All I know is what I do see with my inner eyes my my heart, my soul, my spirit- so much so that it affects me physically and obviously I am sure it affects others, whether they know it or not, on some level.

Mother Clare: Right.

Father Ezekiel: But the curvature of the Earth, being about the size of a-maybe a large protractor on a map in front of you, maybe, a pencil -

Mother Clare: A pizza, maybe?

Father Ezekiel: Point or-That is a very good measurement! Let us say I normally see it as kind of a medium size pizza, right? And all of a sudden, it- it just zooms in toward you like extra, extra, extra-large pizza, you are zoomed in, you know, one continent on the left, huge, huge, Atlantic Ocean, and then another continent, and yet the continents themselves- almost- sometimes they look like tundra, you know, except that it is warm. So, there are patches, here and there, just patches of green, or you know, it almost reminds me of the Land of Lakes-

Mother Clare: Oh.

Father Ezekiel: Kind of thing where you have got lakes spotted everywhere, coming in on a plane, you know, Minnesota, Wisconsin, any of the boundary waters to the Great Lakes-

Mother Clare: Mm-hm.

Father Ezekiel: They are interspersed with every kind of lake and river and stream and pond you can imagine, only turn the water spigot on high and start pumping water into that situation.

Mother Clare: Mm-hm.

Father Ezekiel: And the green spots become smaller, and the water simply encroaches.

Mother Clare: Mm-hm.

Father Ezekiel: The whole-

Mother Clare: That is what Mike from Around the World was just saying, just now.

Father Ezekiel: The whole time, as these things are happening, you are talking to a blind man-

Mother Clare: Right.

Father Ezekiel: The whole time that these things are happening- it- it is just hard to describe. Oh- sinkholes.

Mother Clare: Mm.

Father Ezekiel: I mean profound sinkholes.

Mother Clare: Oh, boy.

Father Ezekiel: That water is either- water houses property, you know, trees, forests- It is like if Sampson had put his hands around a soccer ball and squeezed it, you know?

Mother Clare: Mm-hm.

Father Ezekiel: And it just imploded.

Mother Clare: Mm-hm.

Father Ezekiel: The Earth simply seemed to implode, where the pressure points were, where the fingers of his hand would be, or right hand-

Mother Clare: Mm-hm.

Father Ezekiel: Squeezing it like a rubber ball, only it does not spring back into form, I mean those holes are deep. And there is either water property has its force and otherwise that are just sucked down into those things and or there is also hot, steaming, boiling, molten water coming up and out of some of these things.

Mother Clare: Wow.

Ezekiel's vision - New Jerusalem

May 22nd, 2023

Father Ezekiel: I have been drawn to the New Jerusalem the Heavenly city because I love nature and the outdoors so much, but this city is magnificent! I mean magnificent!

There is not a point or a place in Heavenly Jerusalem beyond the eternal reaches of Heaven. Wherever you are, you can see that thing – Jesse Duplantis is right, you can see that from wherever you are- I still think I would prefer to be a little child running around the sandy banks of the river, barefooted.

Some of the wonderful and beautiful saints walking on a trail about halfway down a kind of a gorge up a river everything is reflected- and reflective. The lights on the thrones of God the Father, God the Son, God the Holy Spirit, and yet one body, one heart, one mind, one spirit in Christ Jesus, His Body. Wow. It is amazing.

The Heavenly City- Lavenders and blues, a blue over the Trinity- all the colors in the prism and beyond- layers and layers of every kind of angel you could imagine, and the souls as far as you can see, spreading out from that throne as if going toward it. There is a softer subtle worship, a whisper in the wind in the atmosphere, wherever you are, with the harmony a beautiful music to it, it just seems to flow and rain.

Sometimes the throne is up, sometimes it seems to go down and settle in different places, it is- and yet there are times I will look at that throne, like right now, and see nothing but what He presented at the Last Supper, take this, all of you, and eat of it. John 6 of the Word says my flesh is real food and my blood is real drink. Sometimes this beautiful light, which is dazzling, pristine, not only reflecting off of everything but permeating everything it touches.

There are different hues of colors, I mean you can look up forever and ever and ever and that does not even include the different dimensions and- I mean it is just endless, eternal beauty- fresh, fresh, fresh, fresh-Like on a late spring, early summer morning, just a fresh, soft light, fresh soft mist, right down to the very drop- or droplets- of water on the leaves, and yet it does not feel human, it feels wonderful.

I thought maybe I was looking toward the left, from the left of the throne, like out, west, towards the westerly direction of the throne, and yet whatever direction you are in, whether you are up or down or what, rolling hills eclipse- I mean it is like this amazing heavenly forest right smack in the middle of the city, and there are others. The rivers, lakes, the oceans are soft, the water does come from under the throne, it does water the

Eastern plain, it does pour out into the sea, to the south. And yet even though there is water and land, wherever you are, you are in the presence of God. I am in the presence of God.

I cannot deny it, day and night, whether it is pain or pleasure or what, and this beautiful, celestial wedding banquet that I talk about, and it is all outdoors! But the table is exquisite, the furniture, royal! Beautiful! Mother Clare saw glass goblets that were shaped like tulips. And I always see golden lampstands, and yet, there are chandeliers that are just suspended here, there, and everywhere, in the air.

Some hover in the door. Some kneel and bow in the door. Besides the throne, I see our Mother- my Mother, mama, Queen of all Heaven and Earth. All that has been and will be all things created- There is such a strong creative pulse that permeates and yet, soft and smooth, everything glistens and yet it has wonderful depth- The bark on the trees, the grasses, the bushes, the underbrush, this living water- it flows from the plain.

The Living Water- As if at any minute it could walk right up to you, and yet as smooth as glass on the surface. I saw Mother Clare and Jesus a while ago and they were skimming across the surface of the water, even though the river is running, skimming across the surface of the water, in a, like they were on the ice, you know, skating, dancing, skimming to a beautiful, regal royal waltz, wedding waltz.

And I do see a ladder every day that is up to the northeast- northwest, I am sorry. And my Mother, and she has appeared at different times holding the Child Jesus, and still layers and layers of angels going up the ladder. From here, to white steps going up the top where she resides- on a Queen's throne-and angels and saints, coming and going, coming and going with her love and her attention and her prayers- spreading out- not only throughout Heaven but she is a Mother- she loves her children. She is a lot like Daddy- How could He ever reject these souls that He sees as He freshly breathed us out of His Heart?

I would say that there is a very, very creative side to Him- because He is still creating, and we are still learning. I will always be learning and going out with our Daddy to explore, the adventure, and gather the treasures and continue to create the Heavens and the Earth, every day. We cannot put time to eternity, but the impression that I see and feel, you can sense it, you can almost smell it, you can cut it with a knife it is so thick.

I mean, how do you put in human words eternal things, that always have been and are and always will be, and yet just as fresh and untouched as a painter- a Master Painter, putting the finishing touches just on one painting alone- On one piece He is working on, a symphony Master, putting on the delicate, beautiful, bright and deep four row tones to the symphonies and the string symphonies that seem to be in clusters here and there.

At this point the Bridegroom, Jesus, all dressed in white embroidered with gold, has come down those steps, with an entourage, on the way for His Bride, the most beautiful, Heavenly, universal wedding that you could ever imagine, but without Him, God our Father, without Jesus, without the Holy Spirit, and yes, our Mother, so many, many, many angels and saints throughout the centuries, and yet begotten before the beginning when God hovered over the great and vast distance of the empty waters –

I am in love with this city. Waterways in the city, gardens- flowing gardens, I mentioned a while ago there are patches of things like lavender, with their leaves, yet growing - on the water, in the water. Well, it is a river, it does run, and when you are in it, you can feel the water running against your legs and feet, but it is just like glass! It is so still on the surface, and it is not just gold and silver and puffy white clouds, everything is right here.

Sometimes voluntary or involuntary, your eyes will focus in up close on something that is far away! Savannahs, deserts, forests, lakes, rivers, trees, lagoons, very, very, very, very tropical and blended in- He does love to blend- the Master Blender. Wow.

Every desire is fulfilled, instantly! And yet, the happiest we will ever be if we have been in Heaven for two thousands and thousands of Earth years in time. It is as fresh and new in this moment, as when He first created everything, literally back to the Garden, only going forward and up this time, not down and backwards as the Fall had never happened. Someone once said, 'Oh happy Fall.' I believe that we could experience His salvation.

You, we, are a royal family, a whole priesthood of people set apart, we just are. I mean souls from every tribe and nation, race, color, ethnic background, whatever. The trees just copiously loaded with fruits-trees, plants, shrubs, the most aromatic of flowers that, if your mind could even stretch to imagine the sights, the sounds, the colors, the fragrances, the textures, of what this is like- thank You, Lord. Thank You Lord for all of this- all creation worships You. Waves and waves of soft, gentle, loving, deep, sincere, heartfelt worship in waves – it just comes in waves across- this crowd of souls from around the world.

Palaces, regal, stairways, and yet so- If I can say it this way- so green and so clean and so fresh, so-untouched-untouched. You lie down on the grass- it does not matter how long -you get up and the grass just springs right back up, fully alive, fully fragrant. You pick a fruit or a flower, and another one just comes right out in its place. Berries of every kind, melons- Summer fruits, everywhere. It is mentioned in Chronicles, and Kings, Numbers. Summer fruits.

For me, I love, and always have loved, the jungles and the tropics, whatever your heart's desire. And yet, you are like a little child playing in the sand, and you know, even though you are having such a good time, you are constantly drawn back to your parents. You get up out of the sand, if He is not already there playing with you. Whatever age you seem to be, unless you become like a little child- and the children of Heaven have no adjustments to make whatsoever. They take to the air, to the water, to the forests, to the mountains, to the trees, and the planes to the Savannahs.

And to the right and the left of Our Father on the throne there is a light, is correct- Our Daddy has- Our Daddy has the heart of a child. He is like an eternal youth, although He looks to be an unending age. The Holy Spirit can come and go freely, with nothing to block Him whatsoever. There are atoms in Heaven, every atom is filled with God's presence, all eyes are constantly bringing Jesus to the forefront, every heart, every desire, the desire of everlasting Him its, it is Him. At yet there He is with an apron, serving the guests, at this beautiful,

beautiful banquet table, He and His Bride, are serving the guests at the banquet, they should be out in the middle of the floor dancing! They are sometimes.

It is upside-down from everything we think- So- it would be simple for a child. No preconceived notions, nothing to get used to. It just always has been. And for the rest of us, this -quick pilgrim trip, this flash in the pan- is so temporary, that He raises us up, and simply be, kind of dip into this Earthly existence and we come back out strong, happy, fulfilled, content and satisfied. Everything and everyone, because they also are the same.

Thank You, Lord for Your holy presence wherever we are, whoever we are and however we are, it does not even matter. Even all the dark memories are erased, and every tear is dried, it will be possible to look back on those things. Our God stood beside us even when we transgressed, exited, fell away, He never left us, He never will. It is just not His nature.

One comparison that I could make it is as if being in a grand theater, watching a play, getting up out of your seat and walking down and stepping up, stepping up onto the stage and no longer watching the play but being part of the play. Not only watching the dance but becoming part of the dance with Him, with Jesus. This scene is so majestic and so royal, and you cannot believe your eyes when you look at your wedding garment, the shoes on your feet, the ring on your finger, the crown on your head, and hear those words: *“Well done, my good and faithful servant.”*

You just watch Him spread His arms strong and look across all of Heaven. I am telling you, take a good look. *“All this is yours. Everything I have is yours, and My Child has come home. My Child, My Beloved, My Bride.”* This precious, precious soul, that is breathed out from the deepest part of Our heart, is home. Is home where he belongs, is home where she belongs.

Father Ezekiel's vision 5-3-23

May 23rd, 2023

Father Ezekiel: This is the second day and or night that I have seen the whole Earth darkened-

Mother Clare: Mm.

Father Ezekiel: Very dim, dim, dim reflection of a little bit of, if you can say, a lighter dark shade of the globe. It is as if the sun had been blocked out, you know?

Mother Clare: Wow.

Father Ezekiel: And the planet is just dark. And you can barely make out, you know, one side of the Earth from the other, and the little bit of sunlight that is getting through all the thickness of whatever this is, but not only do I feel completely dwarfed by when it comes down to a close-up, completely dwarfed by the size of this Earth, but to see another planet almost behind the Earth, coming around-

Mother Clare: Mm-hm.

Father Ezekiel: You know, to the Western side, if you want to call it, you know, sun comes up in the East sets in the West, but there is a constant, you know, there is a dark planet behind our Earth-

Mother Clare: Mm-hm.

Father Ezekiel: That is coming around-

Mother Clare: Mm-hm.

Father Ezekiel: And at the same time, there is always some type of a-When I can see it clearly, it was a fireball.

Mother Clare: Wow.

Father Ezekiel: Now, things are so sooted out and blacked out and ashed out, that you can hardly see the thing, but it is still there. And it is-

Mother Clare: And it is a dark planet.

Father Ezekiel: Well, the dark planet is behind the Earth and the fireball thing is like- you know, maybe it is Nibu-

Mother Clare: Nibiru spits fire-

Father Ezekiel: Nibiru, the planet behind the Earth-

Mother Clare: Nemesis.

Father Ezekiel: Maybe-

Mother Clare: The planet is coming in behind the Earth, and this just showed up, right, out of nowhere.

Father Ezekiel: Well, yesterday. But it has been there ever since. You know, I see the Earth-

Mother Clare: It is a worm- I think it is a worm hole.

Father Ezekiel: If the Earth is darkened, there is a dark planet that is smaller and behind it. It is a planet.

Mother Clare: Wow.

Father Ezekiel: Behind the Earth that is coming around and, in like an elliptical orbit, a really close pass.

I can see how that would affect gravitational pull, poles, and all kinds of things. But off to the right is still- It reminds me of -

Mother Clare: Go ahead. It reminds you of what?

Father Ezekiel: It reminds me of, in the seventies, when they would show the Apollo missions and their re-entry in the capsule or pod that they were in, you know when it-

Mother Clare: Came back in.

Father Ezekiel: Came back in it was just like the shields and the plates had to be so engineered and so thick to withstand that kind of friction and burning.

Mother Clare: Right.

Father Ezekiel: So, the thing, you know, would touch down, or splash into the ocean, you know? And then ships and helicopters and everyone would come in and take the astronauts out and whatever. That is what it reminds me of, is the re-entry, of the capsule that they were in, coming back into the atmosphere. So, I can still see-

Mother Clare: Go ahead honey, I am listening. Totally.

Father Ezekiel: I can still see, vaguely, even the burning light, or there is so much ash and so much dust, everything is in the atmosphere so much-

Mother Clare: Mm-hm.

Father Ezekiel: Between what is still heading straight on- head on toward the Earth you know, call it a chunk or a piece or a layer or a plate off a meteor or what-

Mother Clare: Right.

Father Ezekiel: It is coming in so hard and so fast, it, you know, others have said-

Mother Clare: This is a meteor you are seeing.

Father Ezekiel: It is part of a meteor as if you have taken an onion and cut it into two pieces and peeled a quarter of the layer back.

Mother Clare: Ok.

Father Ezekiel: And it is that quarter that is peeled back – It is that splice- Not a splice but a- a piece of it-

Mother Clare: Layer.

Father Ezekiel: Layer of that meteor -if this is what it is that-you know- the thing keeps doing what it is doing but man this slab that has come off of this thing is enormous. Our Earth, which is darker now, substantially, and this other thing coming in, this big layer, that has torn off of the main body of whether it is an asteroid or who knows what, meteor or an asteroid, that is why –

Mother Clare: Go ahead.

Father Ezekiel: In previous rolling, ongoing visions, throughout the day and night, and I am telling you, you know, I am blind,

Mother Clare: Right.

Father Ezekiel: I cannot see, but I still remember how to turn my head and look in different directions-

Mother Clare: Right.

Father Ezekiel: Any direction I-

Mother Clare: You are more in the spirit than you are-

Father Ezekiel: In any direction I look, whether my eyes are open or closed, this thing is in motion- I mean it is- It is imminent.

Mother Clare: Wow.

Father Ezekiel: It is imminent. I mean it is-

Mother Clare: It is headed towards us?

Father Ezekiel: Yeah! It is going to happen; it is just a matter of time. It is in real time, but whether it is in real time or not, I mean, you know, people that tend to see things or feel or sense or whatever, you know, kind of get it raw, like it is right there in front of you. I am not setting dates and I do not pretend to presume to put any kind of timing on this except for the fact that I do agree with Mike. So many things are happening so much faster than scientists and researchers and people thought.

Mother Clare: Right. It is ramping.

Father Ezekiel: So, when the Lord tells-

Mother Clare: It is ramping up.

Father Ezekiel: When the Lord tells you, 'You are wading into the hornets' nest here, this is a formidable enemy, it is going to be hard, but I will give you new strength every day, for whatever the day holds.'

Mother Clare: Right.

Father Ezekiel: And a lot of us are going to have to crawl out of our rabbit holes-

Mother Clare: Chuckles.

Father Ezekiel: And our- Our little dins that we have made for ourselves, you know, dumb internet constantly, stay out of the stores and malls and stop, drop and pray. I know you have heard so many things like that, the buttons go flat, you guys, I understand that. And while I am talking to you now, you know, this piece off of this meteor or whatever, you know it hits patches where it is a little brighter, and it is more, you know, I can see it more clearly, but these things are in motion. The Earth is rotating, I do not know why, when were or how but it seems to be rotating in a kind of in a south-westerly, south- easterly, rather northwesterly kind of a turn.

These things are headed toward, you know, a deep impact at some point. And this dark, mega lytic planet is just about a size smaller than the Earth. You could put a – put a nickel on top of a quarter-

Mother Clare: Right.

Father Ezekiel: Or a coin within a coin.

Mother Clare: Right.

Father Ezekiel: You know- This dark planet, whatever it is, is almost-it is not- I would say at the very least about a quarter smaller than the Earth.

Mother Clare: Ok.

Father Ezekiel: If it grew any bigger, they would be almost like the same size. So, those are two fronts that keep coming up.

Mother Clare: Wow.

Father Ezekiel: And the sinkholes- And in some places-Some places it is closer to the Great Lakes, and in the spring, summer and fall, you can see, they are just- it is just patches of water everywhere, boundary waters keep going on up into Canada.

Mother Clare: Yeah.

Father Ezekiel: But it is as if the boundary waters have come down and completely- I mean, there is just so much water it has got to go someplace.

Mother Clare: Right.

Father Ezekiel: The glaciers are melting and all kinds of other – I am sure there are other factors.

Mother Clare: Sure.

Father Ezekiel: But at least on two continents and in three different countries I continue to see these- these massive sinkholes that are either sucking-

Mother Clare: Ooooh.

Father Ezekiel: Everything down into them or they are belching out this superheated steam, vapor, water, whatever, you know?

Mother Clare: Mm-hm.

Father Ezekiel: It is almost like there is a boiling ocean underneath. If you could peel the-

Mother Clare: That is pretty accurate about what Mike from Around the World said about New York.

Father Ezekiel: The layers-If you could-

Mother Clare: And Pennsylvania.

Father Ezekiel: Like peeling an orange. If you could peel the surface back on the Earth-

Mother Clare: Mm-hm.

Father Ezekiel: That down under there some layer at some point- It is almost like there is a vast reserve, an ocean- You know the waters are deep- maybe going back to Genesis- whatever, you know-

Mother Clare: Mm-hm

Father Ezekiel: And the Flood and Noah. Not just the rain and the heavens opening up, but the waters of the deep opening up.

Mother Clare: Mm.

Father Ezekiel: You have got water coming in from these massive weather changes and whatever, from the atmosphere and the Earth's own core, you know, opening up and spewing out or taking in what it does. That is pretty much it for-

Mother Clare: Mm.

Father Ezekiel: The continents look so different.

Mother Clare: Mm.

Father Ezekiel: So very different.

Mother Clare: Mm.

Father Ezekiel: It is like looking in the hand with all the fingers and then looking at the palm as if all the fingers have been cut off the hand.

Mother Clare: Wow.

Father Ezekiel: And yet, even in that, there are places all over the Earth that God has set in safety that are surround-they might be mountain peaks here and there, you know, even though many mountain ranges have fallen, and many valleys have raised up new mountain ranges. It is just the way it works when the plates hit each other.

Mother Clare: Wow.

Father Ezekiel: I had to prove the "Continental Drift Theory" when I was in college and at that time you could put just about kind of put it together like a puzzle so the only thing that was there, you know, a

large land mass called Pangea and something else, but you know, then the plates came together pushed up and pushed these land masses apart.

Mother Clare: Mm-hm. Now there is a continent rising out of the Atlantic.

Father Ezekiel: Well, it is called the “Continental Drift Theory”.

Mother Clare: Yeah, but there is something else going on there now.

Father Ezekiel: My-My-

Mother Clare: Like a whole continent beginning to rise up.

Father Ezekiel: My point is, every mountain will be laid low, and every valley-

Mother Clare: Mm-hm.

Father Ezekiel: Lifted up.

No Time to Waste

May 26th, 2023

“Dear God have mercy, oh how evil can you get? The Jewish council imprisoning anyone who speaks Your name, for two years. Oh, how terrible. Your very own people.”

“Not My very own,” Jesus replied, “Rather the spawn of Satan. Those who have made these rules, know perfectly well who I am, they have known it for a very

long time but have insisted on passing Me down as the son of a harlot. How much must I endure from these wretched creatures.

“You say you will create a perfect heavenly environment, but I say the fruit of your hearts is a perfect Hell and how will you escape damnation when Jerusalem is destroyed? Your perfect Jewish utopia? I am coming to My threshing floor where I shall separate the wheat from the chaff along with the poisonous offspring sown in My field. You who are set on wickedness and evil shall finally find your place in eternity.

“Beware of those who say lengthy prayers in public and widen their garments, adorning them with costly bells, as they sweep evil along with every deceitfully, pious step. Woe to you for your time is coming and you shall no longer deceive the nations. I shall have My holy people set apart and glorious in their worship to Me, while you observe from the fiery abyss with your father the Devil.”

“Oh Lord, my heart grieves for the holy places being covered over with asphalt and secular buildings.”

“Do not worry My Dove, this shall not come to pass, and your prayers are important to Me. Is it not written that Egypt shall be destroyed? Do not concern yourself with things far beyond you, but tend to those things that are urgent right now, souls on the brink of perishing.

“You have a work set before you and those who will rally around you. You have all you need to complete this task, and I want your spiritual input as much as everything else that must be done. Have your materials there, your giveaways, especially those things which will serve as a focal point for their prayers. It will be very, very special. Do not concern yourself with the opposition, it will not stand. The fruit will be copious that none can gainsay. Just cling to your humility and poverty, and live your consecrated life before them, all the rest is in My hands. Do begin this work soon, there is no time to waste.” And that was the end of His message.

God bless you dear Heartdwellers and thank you for your prayers and support. Let us be busy about His business.

How to CounterPunch Darkness

May 29th, 2023

The Lord Jesus Christ bless you my precious family, with endurance and joy. Amen.

“Lord, why do I feel so strange?”

Jesus replied, *“I am here with you, if you could see all that is in this room you would more fully understand why you feel this strange anxiety.”*

I blessed the room with holy water.

The Lord continued, *“That’s better. The radiation is exceptionally high as well. The times you are living in are quite devoid of peace. Each soul carries with them, their particular concerns, and each concern has a vibration that circulates around them, in their presence. That is why, when you are alone with Ezekiel, you feel a deeper peace. Wait until you get to Heaven My dear one, you will be shocked and astounded at the peace and joy that permeates the atmosphere. In the meantime, the easiest and most expedient way to replicate that is through worship, and more worship, and more worship, until you are overflowing into the environment. You actually draw the heavenly presence down to earth in your worship, and it doesn’t need to be loud, only sincere. That sincerity pierces Heaven and creates a portal for the glory of God to manifest.*

“Even the monks of old as well as some living, even they with their sincere adoration, draw down the presence of Heaven to overflowing. This is the life, the real life that I impart to you. This truly is the abundant life, not the necessities of the body, but the spiritual substance of worship and adoration. The Father cannot resist the presence of authentic worship, and He is drawn down by your sincere adoration and longing to be near Him and give Him thanks for the life He has bestowed upon you.

“So few thank Him, thank Him for His constant love and provision, the light, the warmth, the water, the forest, the houses He provides for His children, the food He watches over and brings to your table, the understanding of holy things, the saints and the Eucharist to help you conform to His Beloved Son. Oh Clare! There is so much to thank Him for, way before Heaven, but truly, I can hardly wait for you to taste your heavenly homeland. How wonderful you will feel for the first time in your life.”

“Oh God, thank you for my computer and my keyboard and the ability to make music to glorify You. Oh, thank You God...there would be no life for me without You. Thank You for my husband and this wonderful group of souls you’ve brought together here. Thank You for my precious animals too. I could never thank You enough for all the things you shower down upon me, upon us and the community. Help us to be faithful to those graces, please.”

“Just continue to be faithful to what is given, to steward your resources in accord with My desires, and to love one another. Nothing makes Me happier than to see brothers and sisters living together in brotherly love. It is a rare commodity. Very rare. Every place in the world you look is strife and rancor, so to have one window into earth, shine with brotherly love and authentic worship, while being committed to My Father’s agenda, this, is OUR reward, and on the contrary, those having hidden agendas, smiling to your face but bitter behind your back, oh this so wounds Me.

“My children, you have no idea what a great grace it is to have a community like this, so thoroughly dedicated to each other and My work. In loving one another you overcome the first rare gift, in being patient and making excuses for one another, for being truly committed and not always looking over the fence for greener pastures, for committing yourselves each day to get out of bed even when you have pain, and embrace your cross cheerfully, oh these indeed are rare qualities that Satan is attempting to steal from you. Do not fall for his lies and his enticements. He is furious over every one of you for persevering, and is doing everything in his power to separate you from one another, one by one. Continue to stay the course and be faithful, for great is your reward in Heaven and great are the spoils you are taking from his kingdom of darkness.

“It is truly not understood the power of the grace to persevere in a community. The graces released by just one move of your pinkie, in obedience, are far beyond your comprehension. And why is this? Because you have made great sacrifices to be here and persevere. Many, very great graces are given you for your faithfulness to

leave the world and submit yourselves to this life and your poor little mother...flawed as she is. For instance, I miss nothing, when she does or says something that pushes a button and you refuse to follow your fleshly instincts. That little pinch in your heart, counts very much, as a true virtue, worthy of the saints in Heaven.

“So, continue on My little ones, hold on to the things you’ve been given and do not let Satan lure you away from these gifts, for great is your reward in Heaven. Pray for mother, she does her best but always is wanting to do better. Your support means all the world to her. You will never know what it is like to lead a community until you have one of your own. Imagine, if you can, having 11 children and constantly keeping up with all their needs, their injuries, their moods, their comforts. What holds us all together is My Holy Spirit working in your hearts, and your great love for Me. This community is precious indeed, little and very precious.

“I bless you now to go forward into the work placed before you and blossom into the lovely garden I planted you to be.”

How We Let The Devils Win

May 29th, 2023

The Lord bless you, dear Heart Dwellers.

Difficult time of the year for some people, especially for those of us who are in the mountains. When the ground turns to plastic, smushy, smushy clay, and we managed to get a car stuck, then we got a tractor stuck, well we got the car out, now we must get the tractor out. So uh, it has been quite an adventure of two days of digging and maneuvering. I think everyone here is a little bit on the exhausted side, and myself as well.

And then came some kind of pressure front and caused some of us here to have serious aches and pains, so we are limping along. And I am giving you all of this ahead of time so you can understand why the Lord said this to me.

So, I came into prayer as we do as a group and I said, oh Beloved- meaning oh Lord, I am sorry, but you know I am a mess. As Mother Elisha says, a hot mess.

The Lord began. He said, *“Yes, I know, I know well every cry of your heart and answers are coming Clare. Bear patiently with Me Beloved, as Ezekiel said to you today, ‘I am doing something here.’ None of this suffering is being wasted, all of it is bringing forth amazing fruit. Will you trust Me in this?”*

Of course, Lord! How can I not trust You?

And I want to take a break here for a second and say that the enemy gives us opportunities, by praying against us, gives us opportunities to offer things up if the Lord lets them land, and we offer them up for

the conversion of witches because they are the most pitiful people, not knowing what they have bought in to, and needing healing and love badly. So, very often when we know we are under attack, we offer it for their conversion and so it does not get wasted.

The Lord continued. He said, *“Well, it is a drawn out or should I say drawing out process to accomplish all that needs to be done. And you cannot always see the fruits of your sufferings for Me, so I totally understand and get it, that discouragement has a platform to land on. Try, My Beloved to destroy that platform. I am speaking of self-pity, self-preoccupation, self-indulgence.*

“These three spirits will attack you on your journey wherever you go. Their assignment is to turn you inward, thereby disabling any ministry to others who are suffering, who I may have sent you. Cultivating the opposing virtues of selflessness, preoccupation with My concerns, and self-denial, are the electrified fence that repel the attacks of the enemy who feeds on those who are self-preoccupied, and continually thinking about how things affect them.

“When you conquer your self-nature, you conquer all your enemies, because they no longer have any footing...nothing to stand on.... nothing to be attached to. They cannot land so they fly off looking for another who will give them grounds, who will feel sorry for themselves, who will have a pity party and examine My motives, as if I were mistaken in what I am doing.

“Let Me tell you about this self- preoccupation, My tender ones. When you do not tough it out, when you withdraw and go into your little hole in the ground and make your nest comfy with strands of self-pity, self-preoccupation, and self-indulgence, when you make this cozy nest and wallow in it until it fits just right and turn the light of prayer off and go to sleep...well...the enemy has won.

“I know how tender you all are, and have I not promised that no weapon formed against you would prosper? Have I not given you the weapons to stand up and fight? Am I not always with you, with My broad shoulders holding you up? I tell you, I am. And there is nothing that can come against you and triumph over you unless you give up and slink away with your head down.

“Do you not know that these same temptations assailed Me in My life on Earth? Well, yes, they did, but by My Father’s providential grace conquered them. I was close, ever so close to giving in when I saw what I must suffer, but worse yet, what the ones I loved would have to suffer. And what I would suffer of those who did not care for the sacrifice I made. So, I understand well where you are coming from. Remember...I was tempted in every way but never sinned.

“So, I want to encourage you to shake off the dust and get up again. A few days ago, Clare, I told you we are entering the fire. This is all part of it but let Me also tell you the fruits are Heavenly and will bring you overflowing joy. So, pay no mind to the inconveniences, etcetera and say to yourself what I said, that for the joy that lay ahead I considered all of this suffering as nothing.”

So, my dear friends and Heart Dwellers and family, if it is hard right now, understand that the Lord is doing something, and later there will be great joy over the fruit.

The Lord bless you and give you His strength, and pray for us, too.

Amen.

These Broken Ones

May 31st, 2023

May the courage and strength of the Lord be yours, precious family.

Just to give you a little background, we have been nursing our dog – Giardia. And we are treating him for it but to see him suffering it is our collie, is really, hard, you know, being listless, not running around, not eating, just drinking water- We are all praying for his recovery, but he is a sick puppy at this point.

We went to the vet and got him medication and when that medication ran out, he was still sick, so we are making more plans to take care of him.

(Price has since passed on to be with the Lord)

You know, and even if you have a child and you have seen a child sick, it is difficult. You love them, you are attached to them, and it is so hard to see them suffering, especially the innocent animals, to see them suffering, and this dog in particular has always been a victim soul, always, from day one. And he contributes, and the Lord has said that the animals too suffer. Well, the whole Earth groans in anticipation of the Lord's return, so it makes sense that the animals, and the trees, and everything, in anticipation, waiting anxiously for the release of sin from this Earth.

When I came into prayer, the Lord began,

"You know how I love those on Earth, when you feel the sorrow for your animals."

I do not have that kind of concern or sorrow for people, although once in a while when a difficult case come up, I can be that way, but the Lord was trying to draw an analogy here and He said,

"When you feel the sorrow for your animals, it is My one way to communicate to you how I suffer. Anything you can do to alleviate that suffering Clare, anything, anything, this is what I am asking of you. The sickness of your cherished puppy, how it affects you, yes, how you suffer, that is precisely how I suffer for souls, watching them in their sickness of soul, and body. I want you to experience this so you will know how desperately I need your prayers and good works."

And so I am saying to you, my Heart Dwellers around the world, this message is for the lost that are around you, it is for you to rise up and have a heart for the lost, so if you have a sick animal or a sick child or a sick mother or father, you can relate to what the Lord goes through for the souls on Earth, but the problem is when a soul dies and goes to Hell, He will never see that soul again, that soul is not in Heaven with Him, and that is the most painful thing that He suffers. So, remember that when you are dealing with sickness of any kind, that the Lord Himself is feeling that pain for His people.

He continued, *"They are dying in their sins, Beloved. Do you know what that means? Yes, it means they are lost forever in Hell because they did not know their right hand from their left. If they did, they would not perish."*

So, I replied Lord, I cannot believe that your Mercy is allowing so many to perish.

He continued, *"It is their choice, because what they have been taught is upside down, the teachings are from Satan and his devils. As a result, they choose the worst possible choice because they do not know My Love. I have need for you to show them this love and convince them that I am the better way."*

“So many have been beaten and downtrodden by alcoholic fathers and mothers who continually took out their life circumstance on innocent babes, so they grow up damaged, embittered and without hope. Oh Clare, the travesty done to these little ones, it is horrendous. But here you have a chance to redeem them. So many of these are in great need of conversion, which will come through a loving and gentle hand. Once they realize who I am to them, it will be a no brainer.”

What He is talking about here is the work He has set before us in town, in this area, a church has been donated to us to use, it needs a lot of work, and it is in-right smack in the middle of the worst part of the area, so there are a lot of people that are in that area He is talking about. There is great poverty, a lot of drugs, a lot of suicide and hopelessness.

Truly, what they need, is someone who just listens well, someone they can talk to, and someone who knows the Lord’s loving and tender, forgiving nature, so that they can see they have nothing to fear from Jesus, someone they can talk to that they can trust, that cares, and will pray for them.

So, I am asking you dear Heart Dwellers, to please pray for the souls of this Penasco and Rodarte area. Also, I want to let you know that the twentieth, let us see, the twenty-first, and the twenty-third are coming up, and these are times when the Satanists do a lot of evil, so please pray your Binding Prayers, and be prepared for a firestorm coming up. Also on the first of May is the same thing. They are going to be putting out curses to hurt marriages and families and accidents and deaths and all kinds of things, so let us pray against this evil, let us bind it and surround your family with a hedge of fire.

Surround Penasco with a hedge of fire, and that whole area, because it is-also it is loaded with witchcraft, as you well know. We have been the recipients of their bad feelings for a while, but we are praying for them. A lot of them came up in impossible or brought up in impossible circumstances that left them terribly scarred, and as the Lord said, they do not know their left hand from their right.

So, please pray for them, and pray for us to be strong, because the attacks against us have been frequent lately, attacks against faith and hope, especially. And, the first of May, Walpurgis Night, that also is a Satanic feast day, like Halloween, so, there is a lot of evil being done up until that time and then they launch their curses on that time.

So, please pray over your families, over the nation, over President Trump, especially over New York City, that God will have mercy in some way, that it will not be as bad as it could be.

God bless you and thank you for supporting us and praying for us, it really, really, really makes a difference. Thank you so much.

God bless you.
