Recommended Use: As a dietary supplement, take two softgels per day with meals, or as directed by your health care practitioner.

Warning: Consult your health care practitioner before taking this product if you are on blood thinning medication, planning to have surgery, or taking Coumadin, warfarin or other anticoagulant medications.

EPA-DHA 1000 contains fish oil in its natural TG (triglyceride) form. Our fish oil products are a minimum 90% natural TG bound omega-3 oils. EPA-DHA 1000 is molecularly distilled and filtered to ensure purity and to maximize the removal of metals, pesticides, PCBs, and other contaminants. Lipase is added to enhance the digestibility and mixed tocopherols (antioxidants) are added to enhance stability of the product.

Notice: Color, size or shape may appear different between lots.
