This assassination was a religious offering that was planned well in advance to coincide with a specific 1) day, 2) location & 3) time. The President was driven up the shaft of the phallic Obelisk that generated a surge of energy that was released at the point the 'victim' was slaughtered at the Pyramids' altar of sacrifice.

In the wake of the 50th Year Anniversary of the assassination of President Kennedy, these charts illustrates some hidden never before revealed aspects of the assassination in terms of number patterns based off of GPS. With the aid of modern GPS coordinates, specific spots on Earth can be numerically identified down to the seconds of degree. The Murder of US President John F. Kennedy in Dallas Texas on November 22, 1963 was a luciferian ritualistic had to take place on a certain date, certain hour, certain angle, certain degree heading to achieve its intended goal. This murder was an act of worship of sacrificially killing of the most powerful man on Earth at the time. It was to take place within the web of the *Masters of the Pyramid 'capstone'*. No mere mortal could have orchestrated these events to be in sync and in precision numerologically. The Pattern involved certain repeating sacred numbers in heading, seconds, & degrees. In essence, this occultic sacrificial ritual was a type of 'crucifixion'. His slow drive up the Obelisk was like Christ carrying His Cross to the spot of His execution. The Dallas city grid Obelisk is a Pyramid of 13 sectioned-off satanic levels of initiation. The 'Capstone' is the 14th as in the 14th 'Station of the Cross' that culminated in the President's assassination and ritualistic murder.
