At Hillside Happy Hybrids, we ask that you contact us if at any time you are unable to care for the puppy/dog. We never want one of our dogs to end up in a shelter or somewhere he/she is not wanted.

By your signature below, you agree to contact Hillside Happy Hybrids first, if you can no longer keep your Doodle.

Upon receiving your complete application with deposit, we will contact you within 24 hours with confirmation, approval and puppy availability. We reserve the right to deny any application, we do not feel is in the best interest of our puppies. Thank you for your patience as we consider your application for one of our "babies."

Our Guarantee to you, from Hillside Happy Hybrids - We will provide you with a healthy puppy that has been carefully selected from application information to best suit you and your family. Each puppy comes with a puppy kit, weight growth schedule, dew claws removed, vet check, worming, shot records and a one year guarantee against any Genetic conditions. If something does arise, written proof from a Board Certified veterinarian will be required. At that time, if it is proven that the condition will affect the quality or length of the puppy's life, you have the option of returning the puppy for a full refund, or exchanging your puppy for the pick of our next available litter. If you need to return your puppy, you will be responsible for associated costs. Your puppy will be well socialized. Any special requests will try to be accommodated. Our goal is to make the transition from Mom to your home, as easy and comfortable as possible, for both you and the puppy. It is important to remember that "Goldendoodles" are people dogs. They do best with you by their side.

If your puppy needs to be shipped, there is a charge. The price covers airline approved crate, vet check and airfare. We will only ship in optimum conditions; meaning, temperature and flight schedules are taken into consideration. We will not ship out of the United States. The cost of your puppy is \$950, plus shipping if applicable. A deposit of \$200 and approved application holds your puppy. As deposits come in, you are placed on a list in the order they arrive. Meaning, your choice of a puppy is also in that order. Puppies must be paid in full by 6 weeks of age. They are ready for their forever homes at 8 weeks of age. If you decide not to take your puppy, you forfeit your \$200 security deposit. If we choose not to approve your application, your deposit will be refunded to you in full, within 30 days of receiving your complete application. We accept paypal, money order, and cash. No personal checks. A veterinarian must check puppies within one week of purchase, or guarantee is void. We are selling our puppies as Family Pets. We strongly encourage you to spay or neuter your puppy by 6 months of age.

We agree to the terms and conditions of this application.
