General Resort Guidelines (Detailed are Available)

Reservations are encouraged but not required. Reservations primary goal is to let management know the potential occupancy of the resort for the activity planning. Members may request sites or areas, but nothing is guaranteed. Because the park is to be used by all members equally, we cannot hold sites open for individuals. We strive to meet recommendations as closely as possible, but remember that we operate on a first come first served basis if your site is unavailable. Holiday weekends may have altered reservation rules. High volume sites may have limited stay durations to ensure fair usage.

- Members must register upon arrival by presenting their membership card to the office or camp host, stating the length of stay and number of members and guests in the party.
- Members must observe all signs including the 5 mph sign and obey all special local rules established by the resort manager for the smooth operation of the resort.
- Campfires may be burned only in elevated fire pits and only within the campsite area, unless there is a state burn ban in place that prohibits fires.
- Members must park in an area designated for recreational vehicles only.
- All debris and garbage must be placed in the containers provided.
- Loud noise which may distract from a fellow member's rest is prohibited from 10:00 PM until 9:00 AM.
- Members must clean general grounds surrounding their campsite after use.
- PETS MUST BE KEPT ON A LEASH AT ALL TIMES and UNDER THE CONTROL OF THEIR OWNER** or kept inside the member's RV. **ALL MEMBERS/GUESTS MUST PICK UP ANIMAL WASTE DAILY - NO EXCEPTIONS!** Pets may not enter buildings or swimming pool areas under any circumstances. Noisy or vicious pets are not allowed. If an animal is unruly, the member must leave the resort with the pet.
- TLC Wolf River Resort members and guests use all facilities at their own risk and TLC Wolf River Resort is not responsible for loss or damage to property of members and/or guests. **Anyone under the age of 16 must be accompanied by an adult at all times.**
- ABSOLUTELY NO washing of RVs and/or vehicles while parked on campsite or on campground.
- Motorized vehicles such as golf carts or four wheelers are allowed, but drivers must be at least 16 years of age and obey all speed limit signs and stay within the natural borders of the road. Any vehicle driven after dusk must use lights.
- Any member or guest who through their words or actions creates a situation not conducive to the TLC family environment may be requested to leave the resort. Further, any member or guest who through their words or actions creates a situation that is detrimental to TLC's ability to conduct its business may be asked to leave the resort and may be held liable for any monetary damages resulting from member's words or actions.
