

Saltwater Fly Anglers of Delaware - SFAOD

Our club library includes books, CDs, cassettes, and DVD videos pertaining primarily to fly fishing - both fresh and saltwater but also tying flies and training videos. Catalogs are no longer kept in the library. The library includes how-to books/videos (relating to techniques for rigging, knots, casting, fly-tying, reading structure, etc.), species and/or location specific resources, stories about actual fishing experiences and fictional works about fly-fishing (more for your reading, viewing or listening pleasure). **THE BOOKS & VIDEOS AVAILABLE IN THE LIBRARY ARE ON OUR WEB SITE.** If you want to check out an item, send me an email at my personal address - rxflyfisher@gmail.com and I will bring it to the next meeting or to a Saturday fly-tying event.

To check out an item you must be a Member of SFAOD. We will still track our library items via the sign-out spiral notebook which will be handy if a library is to be checked out. We need to record: 1) the Item Number and note if it is a book or video, 2) the Title you are borrowing, 3) the Date checked out and 4) your Name. Your name must be PRINTED and readable. Since many members may wish to check out popular titles, it is suggested that (when possible) titles be returned a month after checkout or 60 days at a maximum. Please return items to the librarian whenever you see that person - at a meeting, at fly-tying or if fishing (borrow book will be filled out for you by the librarian). The librarian will attempt to keep all titles available up-to-date on this posted listing which will be on our web site. If you have a book or video to donate to SFAOD, please bring it to a meeting and give to the librarian. If you wish to check out an audio cassette and don't have a player - ask the librarian to loan you an audio tape player.

Current Librarian:

Steve Halstead, (410) 259-1588, 302 Lorraine Dr. Frederica, DE 19946, rxflyfisher@gmail.com

Addendum: All VHS videos have been converted to DVDs. The VHS tapes may still be available. If you don't find what you are looking for, ask...it may be possible to make another copy (e.g. if a DVD gets lost). You may donate older VHS videos and the librarian will convert them to DVD format. Members may have personal reference material they are willing to share.

The numbers may not be sequential since some books were removed and there is a separate listing for videos. Also Note! Catalogs are no longer kept in the library.
