Caring For Our Community Through Christ

PASTOR'S PONDERINGS

Dear Immanuel Family and Friends,

In 1 Thessalonians 5:18 we find the following words, **"Give thanks in all circumstances, for this is the will of God in Christ Jesus for you"**. With these words, the Apostle Paul wrote to a church that was used to suffering great persecution under evil Roman rule. St. Paul understood what the church was facing. He was beaten, thrown in jail, and ultimately put to death because of the faith that he held so dear. Yet in the suffering that he himself and the church of Thessalonica was facing, St. Paul wrote these words of encouragement. "Give thanks in all circumstances..."

Friends, these words are applicable to us today as well. Our world, country, state, and communities are suffering with cases of Covid-19, loss of employment, the inability to see our loved ones in the hospitals, nursing homes, and independent living facilities. Businesses are closing their doors, livelihoods are being uprooted, and the mental, emotional, physical, and spiritual health of everyone is suffering.

The church is no different. Though in many places, in person services are now beginning to resume, it will not be as we are accustomed. There will be no handshaking, singing without masks, nor the ability to have food and fellowship. In some places, even the celebration of Holy Communion will look a little differently and some of the people whom we love will remain at home a little longer. And in some countries, Christians are not only suffering, but they are being put to death because they believe in Jesus who died for them.

How should we then as children of God respond to this suffering? I think this is a fine time to take St. Paul's words to heart. Folks, give thanks. Things are uncomfortable right now. They will continue to be for the foreseeable future. This includes a few of the things we've grown accustomed to doing at church (sitting where we want, pot lucks, hugging and shaking hands, etc.). Yet, I encourage you that even now, to give thanks. God's not withdrawn Himself from us. He still gives us His Word that is like a balm to our hurting hearts. His gift of the Holy Sacrament is still present so that our faith is

strengthened and renewed. Absolution is still proclaimed, the words still spoken that forgive our sins. Thank God for that!

You have God's Word with you. Pick it up, open it, read it, don't be afraid to memorize verses that mean a lot to you especially during this time, and give God thanks that He and He alone cares enough that He stays with you, no matter what you are going through or what trials you face. Keep it close to you, recite the Psalms (Psalm 23 is a great one) when you are feeling weak and heavy hearted. For He is the Alpha and the Omega, the First and the Last, the great I Am and He will never change. Jesus has gone before you. Trust in Him and in all things, give thanks.

In closing, I wanted to also take a moment this month to thank God for fathers. They are bestowed by our loving heavenly Father to be spiritual heads of their families. It's not an easy task and not every man is given that vocation. But being a father is important for they are called to protect their families, provide for them, and to create life and to teach what God's Word says about the sanctity of human life. Fathers, we honor and thank you!

Thank you Lord for your blessings on us even when we suffer. Amen.

With a shepherd's heart,
Pastor David

Happy Father's Day!

President's Pen

Well, the pandemic continues but the Governor is allowing Houses of Worship to reopen under ½ capacity. The Elders met recently and outlined a plan for holding church services without Sunday School for the time being. Seating will be adjusted to allow proper social distancing, and you will be directed by the ushers. Please be flexible, as we cannot all sit where we are used to sitting, allowing for extra rows and seats between family groups.

When the weather is nice, please use the opportunity to greet each other outside (without handshakes, of course). Also, facemasks are requested indoors, and some extra will be available if you forget yours. Plans for communion are still being discussed. We look forward to seeing you soon but understand if you wish to worship at home for the time being. Our services will continue to appear on Facebook (a great outreach tool). More updates will be provided as we work through the details.

A special thank you to Dale Kenton for coordinating the power washing on the church building and Geiger Hall. It looks amazing and we should be proud to welcome everyone back, including guests.

Thank you for continuing to send in your gifts and pledges. Our expenses continue, and you can drop off or mail in checks, or go online to <https://www.ilcpreston.org/> and click on the Donate button at the top to give via PayPal or credit card.

MALIM Grant Funds Online Services

Plans are moving forward with livestreaming our Sunday worship service. After having received quotes from suppliers, Immanuel applied for and received a \$3000.00 grant from MALIM (Mid-Atlantic Lutherans in Mission) to fund the project.

In response to the current crisis with COVID-19, Mid-Atlantic Lutherans in Mission has made available Art Scherer Memorial Crisis Response Grants to Southeastern District (SED) congregations or pre-schools/day care centers. The purpose of Crisis Response Grants is to equip congregations and pre-schools/day care centers with resources to assist in meeting the unique missional challenges/opportunities resulting from the Coronavirus pandemic. Specifically, these grants are intended to support activities that Move God's Mission Forward within the congregation/preschool and/or missional outreach to the broader community.

We praise God for the availability of this money which will allow us to provide online worship to our church and local community in the very near future.

We are also looking for individuals who would like to be a part of this and assist in livestreaming our service. Please speak with Pastor David or call the church office if you are interested. We are looking for volunteers!

The Scriptures teach joy

In *A Little Book on Joy* (St. Louis: CPH, 2001), LCMS President Rev. Dr. Matthew C. Harrison wrote, "Genesis to Revelation . . . it was all gift and joy over the gifts." The Scriptures teach both Law and Gospel, with the focus on what God has done to save this fallen world. Sin is real, and God still has wrath against sin. The overall thrust of the Bible is God's action to save mankind from sin and death. He accomplished this through His Son. And for this, we rejoice in God's gift of love and salvation. Find out more at joyfullylutheran.org.

Thank You!

Dear Friends at Immanuel,

Thank you for your expressions of sympathy at our mother's passing. Due to the coronavirus restrictions, her funeral was held at the Jr. Order Cemetery on May 8 with a few family members in attendance and Pastor David officiating. We hope to have a celebration of life later this summer. She felt blessed to worship in this place with all of you, as do we.

A Letter From Immanuel's Music Director, Dennis Janko:

"To everything there is a season and a time to every purpose under heaven . . .
a time to keep and a time to put away." (Ecclesiastes 3)

I began singing in the Lutheran School children's choir when I was seven and played my first church service when I was thirteen. After graduating from Concordia University in Illinois, I became a Commissioned Minister of the Gospel when I began my career as a Lutheran school teacher and Director of Church Music in Hyattsville, MD. I was there for forty-five years serving as teacher, musician, principal and working on District and Synodical worship committees.

Caron and I moved to Delaware in 2005 and were attracted to the worship style and music at Immanuel, Preston, MD. We both sang in the choir and played handbells and I did some service playing. In 2008, President Ruth Thomas offered me the position of organist and Director of Music at Immanuel. Caron and I thought we could help.

Over these past twelve years, I and the pastors, singers and ringers, soloists, instrumentalists, and organists, developed a program of leading worship. However, as the years went by, we lost so many of our parish musicians to moving, age, loss of voice, driving in darkness, twenty balcony steps and even death.

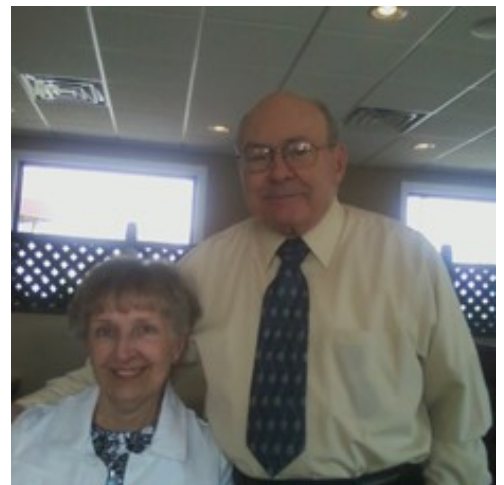

While it has been a pleasure and honor to serve my Lord and His Church for 57 years (12 at Immanuel), it is time for others to lead Immanuel's musical worship. Therefore, I submit my resignation as Director of Music effective June 30, 2020.

I am departing at this hiatus of Sunday worship gatherings. Then, when a certain normal scheduling of services begins, you won't even notice my absence. It is time to place this parish's music of worship in other hands. There are many capable people within this congregation who can work together and produce joyful songs unto the Lord.

Rest it all in the hands of God and He will bless you beyond your expectations.

God Bless Us All,
In the Name of our Lord Jesus Christ,

Dennis L. Janko

On June 11, the Church remembers and gives thanks to God for

St. Barnabas, Apostle.

A Jewish Levite who originally hailed from the island of Cyprus, Barnabus steps into history in the account Luke provides in Acts 4. Originally named Joseph, this godly man sold some of his temporal possessions and laid the proceeds at the feet of the Twelve. This was to aid the poor in Jerusalem and support the Church's mission. The apostles gave him the name Barnabas, which means "Son of Encouragement." We also learn from Acts that Barnabas was cousin to the young John Mark, who would be the author of the second Gospel.

After Paul's conversion and initial ministry in Damascus, he visited Jerusalem but found the Church as a whole leery of this former persecutor. Barnabas, however, took Paul under his wing and introduced him to the apostles. He told them the story of what had happened to their erstwhile opponent.

When word reached the apostles that something was stirring in Antioch, where Gentiles were beginning to call on the name of Jesus, they dispatched Barnabas to investigate. Barnabas was overjoyed at the Spirit's work. He immediately headed to Tarsus to fetch Paul and bring him into the work. Worshiping together in Antioch, the Spirit foretold a famine to afflict Judea. The two were sent to bring relief to the Jerusalem Church. Later, the Spirit instructed that Barnabas and Saul be set aside for the work to which He had called them. They were then dispatched on the first great missionary journey, spreading the saving name of Jesus to Jew and Gentile throughout Asia Minor.

Accompanying them on that journey at first was John Mark, but he did not complete the work and returned home. When the traveling companions contemplated a second journey, Barnabas was willing to give John Mark a second chance. Paul, at the time, thought it inadvisable. The two ended up sharply contending dividing. Barnabas and Mark headed to Cyprus while Paul and Silas traveled first to Asia Minor and then into Europe.

From 1 Corinthians 9:6, it is apparent that Barnabas followed the same pattern as Paul in not making use of his right as a minister of the Gospel to receive pay. He was clearly known to the Church there, and he is also mentioned in Galatians 2:13. He is not mentioned again in the pages of the New Testament. A document survives from the Early Church known as the *The Epistle of Barnabas*, but scholarly consensus is that it is not authentic. Tradition suggests that Barnabas died a martyr's death in Cyprus, continuing to preach the Good News to his native land, being stoned to death after first being tortured.

Almighty God, Your faithful servant Barnabas sought not his own renown but gave generously of his life and substance for the encouragement of the apostles and their ministry. Grant that we may follow his example in lives given to charity and the proclamation of the Gospel; through Jesus Christ, our Lord, who lives and reigns with You and the Holy Spirit, one God, now and forever. Amen.

Martha H. Watson

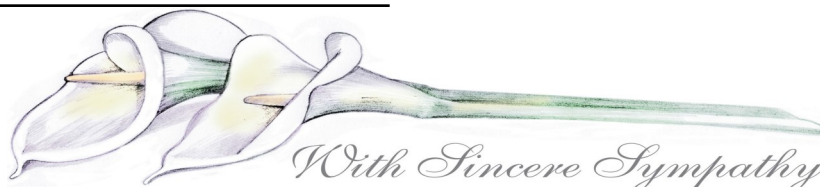

Martha H. Watson of Denton, MD, passed away on Sunday, May 10, 2020. It was fitting that the Lord called her home on Mother's Day as she was regarded as a loving mother to so many. She was 82 years old.

Pray For Us Calendar

DOMINICAN REPUBLIC — JUNE 1-30

The Lutheran Church—Missouri Synod (LCMS) officially began work in the Dominican Republic in 2004. Over the years, a group home was established to care for orphaned children with disabilities; congregations and mission plants were started; and a deaconess-training program was launched. The LCMS seminary in Santiago, Dominican Republic, trains students from around the Latin America region.

Remember God's work in the Dominican Republic as you pray:

- for the seminary students who will enter the seminary this fall, that they would be able to acquire their student visas and other documentation needed to study in the Dominican Republic.*
- for seminary students and their families, that they would have a smooth transition to life in a new place away from family and friends. Praise God for these dedicated students who are willing to leave home to obtain a solid theological education.*
- that God would grant the seminary students determination and endurance, so that they might be diligent in their studies*

and make the most of their education.

- for the women studying to be deaconesses, that the theological coursework and intensive practical experience would form them into capable and effective deaconesses.*
- that God would grant strength to our deaconesses as they support the work of pastors by caring for the poor, the marginalized and the sick.*
- with thanksgiving for all the faithful and generous people who have prayed or given of their time or treasures to make the seminary and mercy center a reality.*

7. *for the seminary professors, that they would be well-prepared to impart wisdom and knowledge to their students.*

8. *that the Spanish-language theological library at the seminary would be well used and a blessing to the students and faculty.*

9. *for the families of the professors, that they would adapt easily and find joy in a new country and culture.*

10. *for Lutheran congregations in Latin America, that they would be prepared to care for and support their pastors physically, mentally and spiritually.*

11. *for seminary students who are serving vicarages, that they would learn much from their experience and be better prepared for their future ministry.*

12. *for all the missionaries and leaders of the Dominican church, that they would discern God's*

will so that they can build a firm foundation for the church for generations to come.

13. *that God would raise up individuals and congregations to support our LCMS missionaries in the Dominican Republic.*

14. *that God would supply faithful and capable men and women to serve as missionaries, both in Latin America and around the world.*

15. *with thanksgiving for faithful men and women who have given up the comforts of home and family to faithfully serve on the mission field.*

16. *that many in the Dominican Republic would hear God's Word and believe in Jesus Christ as their Lord and Savior. Pray that they would attend worship each Sunday to receive the Word and Sacraments.*

JUNE *Pray For Us Calendar*

17. that God would grant health and safety to all missionaries and their families.

18. that the Dominican Christians would continue to study God's Word and be strengthened to live faithfully and serve their neighbors in love.

19. with thanksgiving for the willingness of the Dominican people to hear and learn God's Word. By God's grace, the LCMS has established congregations and mission stations around the country.

20. that God would raise up many Lutheran school teachers and school administrators — especially from among the Dominican congregations — to meet the needs of the large number of eager students.

21. that the families of our Lutheran school children would also hear God's Word and be brought to faith.

22. with thanksgiving for the large and ever-growing number of students seeking education in our Lutheran schools in the Dominican Republic.

23. that the Lutheran mission churches in the Dominican

Republic would continue to grow and mature through regular worship and Bible study.

24. with thanksgiving for the many faithful Christians who regularly worship in our mission congregations.

25. with thanksgiving for Hogares Luteranos El Buen Pastor (Good Shepherd Lutheran Home), which provides a safe and nurturing facility for young people with developmental disabilities.

26. that God would grant patience and endurance for the faithful workers who care for the group home's residents. Praise God that He has used these wonderful young people to teach the Dominican Lutheran church about His love and mercy.

27. with thanksgiving that the residents of Hogares Luteranos El Buen Pastor have become active members of the local Lutheran church, where they are eager to hear God's Word and to serve in any way possible.

28. with thanksgiving for the willingness of faithful and gentle caregivers who serve the residents of Good Shepherd Lutheran Home.

29. for all the mission work throughout the Caribbean and Latin America.

30. with thanksgiving that we are one in Christ with our brothers and sisters in Christ in Latin America.
