

Hey, Mr. Moon

Hey, Mr. Moon
I'd like to sing for you.
Hey, Mr. Moon
Hope you won't mind while a croon a melody or two.

Hey, Mr. Moon
O was sitting on my balcony and feeling low.
Everyone was sleeping
But, I know from your glow that you don't.

Hey, Mr. Moon
Mr. Moon, la la la la la
Hey, Mr. Moon
Mr. Moon

We'll pick a song out, one that we all know.
Join me in the chorus, or hum a bar or two.
We're all alone and there's nothing else to do.
Tell me if you like it and I'll sing it again for you.

Hey, Mr. Moon
I know it's late and you got somewhere to go
But, if you'll wait
Mr. Sun and his Shadows can end the show.

Hey, Mr. Moon
I'm a moonstruck lunatic drowning in the tide.
Give me a wink
And, perhaps we'll share a smile or a sigh.

Hey, Mr. Moon
Mr. Moon, la la la la la
Hey, Mr. Moon
Mr. Moon
