

Paupaw,

I miss you so much it hurts! I love hearing your voice on the phone & getting to talk to you it always makes my day. Can't wait for all of this to be over so I can give you the biggest hug EVER. Seriously.

I hope in all the craziness & legal reading you have to do, that you still find time to read the Bible & get some good encouragement from it. It is the power & strength that comes from God that carries us on. I know I wouldn't have been able to get through this past year without his strength & peace. And I pray you have both of them abundantly.

Isaiah 40:28-31 ~ Have you not known? Have you not heard? The LORD is the everlasting God, the Creator of the ends of the earth. He does not faint or grow weary; His understanding is unsearchable. He gives power to the faint, and to him who has no might, he increases strength. Even youths shall faint and be weary, and young men shall fall exhausted; but they who wait for the LORD shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary, they shall walk and not faint.

Just a verse I love & wanted to share. Not like you don't know it already 😊 It just always makes me feel better.

I feel like I have so much to update you on & tell you. I can't wait to fill you in on all the stuff that's happened... good & bad.

We are filling out the visitor forms & sending them in soon. My hand hurts so I'm gonna go 😊

I love you to
the moon & back

1000 times

don't ever forget it 😊
