

NATURE PRINTING WORKSHOP

WITH CHRISTINE KELLEY

On Saturday, September 16 from 10:00 -12:30

In this workshop you'll learn to make a mono-print on the press using natural materials. Feel free to bring plant material (dried), lace, cardboard, netting or any other flat object that will create a texture you like. Paper, ink and paints to make 1 print will be provided. Feel free to bring extra materials. If you have a soft rubber brayer, please bring it with you.

You Must Be A Member of LWAA to take this class
