News From Pastor

Pastor Kyle will be on vacation May 16 - 20, if you would happen to have an emergency, please contact council president, Amy Mathews.

Every month I am blessed to be with this congregation, I become more and more ecstatic about the love Trinity has for one another and for its community.

Getting along with others is a very difficult thing to do, but the more we focus on Christ's love for us the more we understand that we are to model that love towards others.

Not everyone is easy to get along with, nor are we easy to get along with at times, but Christ's love compels us to put our differences aside and work together to reach our world for Jesus Christ.

During this year's chicken BBQ I had many community members and visitors share with me that day, and a few by phone call over the next several days, how wonderful it is to see a church work together to put on such a function.

They were thrilled to see young and old working together as a "family" and all the smiles on your faces certainly made a great impression. I even had one couple tell me that they loved seeing young people with children walking around and serving others. They noticed that it takes the entire church family to make things successful.

I can't go without expressing my thanks to all those who played their role in the BBQ. Whether you made pies, purchased items, grilled the chicken, worked in the kitchen, served beverages, served as a server, set-up, clean-up, invited others to come, you are all appreciated!!!!

While to some it may just be a community Chicken BBQ, I see it as the family of God working together and having a good time doing something fruitful!

Keep on loving one another! Keep on loving Christ! Keep on sharing God's love to all!

Pastor Kyle

Trinity Congregational Meeting - Sunday, May 15th

There will be a congregational meeting on Sunday, May 15th to discuss several issues.

First, there will be a silent vote to determine what the congregation would like to do with the estate money given by the Damschroder Estate. This will just be a survey and will not necessarily determine what church council is going to do, but will help advise council as to the desire of the church. Options include investing the estate money into a long-range investment portfolio for future congregational needs, using the money to complete the stain-glass window project, or a combination of the two.

Additionally, we will also have a silent vote to decide whether we can move forward with the possibility of selling the church parsonage to the current renters.

A potluck will follow the congregational meeting as we will also be welcoming new members that Sunday.

Mother Daughter Banquet May 6th at 6:30 pm

The menu will be Family style dinner of chicken, mashed potatoes, gravy, green beans with mushroom sauce, applesauce, cole slaw, rolls and 9x13 desserts.

Program will be Eli the Magician from Toledo at 7:15pm in the sanctuary (see following description) open to all. Have the men and sons come to the sanctuary around 7:15 pm to see the magic show! A love offering will be received to help offset the cost of Eli's performance.

Tickets will be \$10.00 adults and \$5.00 for children 3-12 years old, please make your advance reservations at the office by May 1st to the office.

Eli the Magician:

Cheeky, charming, charismatic, and with wicked skills that belie his age are just a few ways Eli has been described over the years. A young man who's an old hand with a deck of cards is another. Anyway you cut it; it's a thrill to watch Eli wow a modern audience with his incredible classic magic manipulation. Eli is one of magic's hottest rising stars and the most decorated

young magician working in the US today. He is a two time winner and the current reigning junior champion of the International Brotherhood of Magicians. Eli also has the distinction of being the youngest winner in the history of the IBM.

Eli has been performing on stages across the US since the age of three. That's when Eli's father and fellow magician Andrew Martin added him to his own family magic show. By the time Eli was six years old he had won his first international magic competition and began to get bookings for his own magic performances. Over the years, Eli has been assisted by his cousin Gabriella and his sister Emma. The three teens launched a highly successful touring show in 2013.

When he is not touring, Eli is at home in Toledo, Ohio where he performs 10-20 shows a month of various types. You name it! "The fact that I am constantly performing even when I'm not on tour, keeps my skills sharp and keeps me in touch with an audience at all times" says Eli. I will jump at just about any opportunity to perform". Eli's show always includes his second greatest passion - juggling. Juggling, balloon twisting, unicycling, signing and Ukele playing round out Eli's amazing variety repertoire.

Eli performs his act across the US and has been booked as far away as Italy a few years back. Eli and his magical family were featured on the hit ABC show Wife Swap. You can learn more about Eli by visiting his Facebook fan page or his website at www.magicwitheli.com

Copies

If you would like color copies made, you don't need to travel all the way to the store anymore! With the new copier we have, we can print very nice color copies for you! We will charge \$0.50 per copy, which is less than you would spend at the store. Just stop during office hours, and we will help you out.

Rummage Sale:

With spring in the air, it's the perfect time to start spring cleaning! What could you do with the items you no longer need? You could sell your items or donate them to the church rummage sale! If you want to sell your items, you can "purchase" a table here at the church for \$10. Anyone wanting to sell garage sale items or items for their home based business (31, Avon, etc.) are welcome. If you just want to donate your items, you can drop them off at the church from May 29 to June 1. Don't have anything to purge? We ALWAYS need volunteers and donated items to our concession stand. Sign up sheets will be available for both. If you have questions or are interested in purchasing a table (please do so quickly as we will open it up to the community to sign up very soon), please contact Amy Mathews or Jackie Timmons (419 898 2045). Thank you!

Answers given by 2nd grade school children

Why did God make mothers?

- She's the only one that knows where the scotch tape is
- Mostly to clean the house

How did God make mothers?

- He used dirt, just like for the rest of us.
- Magic plus super powers and a lot of stirring

Why did God give you your mother and not some other mom?

- We're related
- God knew she likes me a lot more than other people's moms like me.

What did Mom need to know about dad before she married him?

- His last name
- She had to know his background. Like is he a crook? Does he get drunk on beer?

Who's the boss at your house?

- Mom doesn't want to be boss, but she has to because dad's such a goofball.
- Mom. You can tell by room inspection. She sees the stuff under the bed.

What does your mom do in her spare time?

- Mothers don't do spare time
- To hear her tell it, she pays bills all day long.

If you could change one thing about your mom, what would it be?

- She has this weird thing about me keeping my room clean. I'd get rid of that.
- I would like for her to get rid of those invisible eyes on the back of her head.

Trinity UCC Prayer Chain Guidelines and Procedures

The purpose of the Trinity UCC Prayer Chain is to contact members of the church family when requests are made for prayer for members of the church, or their family members. While we truly believe in the power of prayer and would like to pray for everyone in our community that is in need, the prayer chain at the church is only to be used for members and their family members to avoid having a mass amount of requests. In stating this, we are still willing to accept all other prayer requests for the pastor's prayer time and to be mentioned in church when approved by the pastor.

The approval process is a process to contact that individual to confirm that they want their concern mentioned at church to help us avoid any HIPPA violations.

If, at any time you want to be added to the prayer chain, please contact the church office with your name and how you want to be contacted (text, email, or phone call). If your contact information changes, it is your responsibility to contact the church office to have it changed in our directory.
