XANGO AERIS™ 2 MINUTE MIRACLE GEL™: VISIBLE RESULTS IN 2 MINUTES

XANGO AERIS 2 Minute Miracle Gel at a glance:

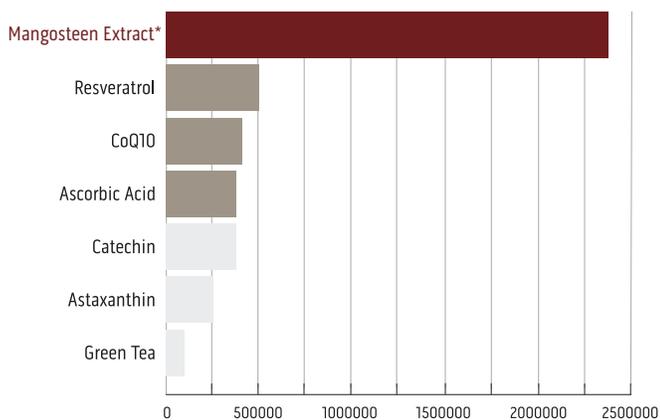

XANGO AERIS 2 Minute Miracle Gel is a clinically proven 7-in-1 multitasking topical antioxidant that features mangosteen. This formula has been proven to strengthen the skin's natural defense system by decreasing UV-induced free radical formation that can lead to premature aging of the skin.* This powerful yet gentle gel dramatically renews the look of skin as it cleanses, tones, exfoliates, hydrates, brightens, minimizes the appearance of pores, and primes the skin — all in just 2 minutes!

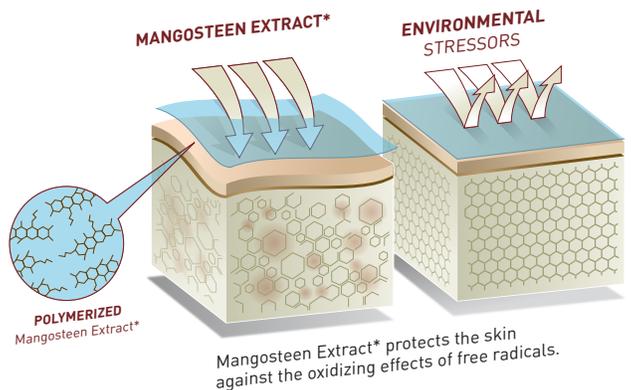

The enhanced formula with mangosteen, a potent natural antioxidant, helps protect skin from harsh free radicals that can bombard our skin and lead to the look of aging. Known for its powerful phytonutrients, including xanthones and antioxidants, Mangosteen has been used for centuries in Asia. The extract used in this unique formula offers greater antioxidant potency than other well-known ingredients such as vitamin C, resveratrol, CoQ10 and green tea.†

By combining our exclusive blend of clinically proven active ingredients, along with natural botanicals and extracts, you can now replace seven products with just one. Ideal for those with a busy lifestyle. This powerful yet gentle anti-aging formula gives you a professional, spa-quality treatment every day, in the convenience of your own home. It is suited for use on the face, neck, décolleté and body.

Dramatically renew the look and feel of your skin. Reveal your glowing skin in just 2 minutes!

Mangosteen Extract* shows more than 30 times the antioxidant activity of green tea.

* Lactobacillus/mangosteen pericarp ferment filtrate

Aeris 2 Minute Miracle Gel is 7-in-1 Multitasking Skin Care:

1. Cleanses without sulfates that dry out skin
2. Tones by balancing all skin types to a proper pH
3. Exfoliates without the use of harsh abrasives
4. Brightens by removing the dull layer of surface dead skin
5. Hydrates and leaves skin soft and smooth
6. Minimizes the look of pores by keeping them void of debris
7. Primes the skin, ensures flawless makeup application and optimizes benefits from additional skincare treatments

Key Ingredients:

- Lactobacillus/Mangosteen Pericarp Ferment Filtrate —Proprietary mangosteen ingredient utilizes an exclusive biofermentation technology to amplify the phytonutrient potency of the mangosteen. It provides the highest antioxidant potency, which forms a chain of continuous phytonutrients that safeguards the skin from environmental stressors.
- Aphanizomenon Flos-aquae Extract —Blue-green algae protects skin from oxidation and delivers various types of vitamin B to help rejuvenate and energize.
- Pseudoalteromonas Ferment Extract—Protects skin from moisture loss and promotes supple and younger-looking skin.
- Aloe Barbadensis Leaf Juice -Soothes signs of inflammation in skin while helping skin maintain moisture

Clinically proven/suitable for all skin types/dermatologist-tested/hypoallergenic/fragrance & artificial color free/sulfate-free/paraben-free/no animal testing

Directions:

Apply a thin layer to dry skin (face, neck, hands, and other areas of the body). Allow to sit 45 - 60 seconds then massage in a circular motion until gel becomes a liquid and rolls and lifts away dead skin. If the gel does not liquefy and roll, wait an additional minute and continue massaging. Rinse well and pat dry.
