

SFGA Vermont Golf Adventure

The Lodge at Spruce Peak, a Destination Resort by Hyatt, Stowe, Vermont

September 9 – 15, 2026

We invite you to register for our SFGA Vermont Golf Adventure. Our recent survey had a very positive response; we found that quite a few members are interested in visiting and golfing in Vermont. This is your opportunity to join us on our first trip to New England since 2013 and we can't wait! Our Vermont Golf Adventure will take place in the quaint town of Stowe. We'll spend 6 nights at The Lodge at Spruce Peak, a Destination by Hyatt Resort and play 4 rounds on the resort's two courses Stowe Country Club and the Mountain Course at Spruce Peak. The Lodge at Spruce Peak is an award-winning year-round destination resort hosting skiers in the winter, golfers in the summer and nature lovers all year long. This part of great country is simply beautiful and offers a lovely break from the heat & humidity in the Southeast.

This is a Self-Drive trip where participants will need a car. Located about an hour drive from Stowe is Patrick Leahy Burlington International Airport (BTV). The airport is served by American, Breeze, Delta, Frontier, United and Sun Country Airlines. Direct Non-stop flights are available from Atlanta (ATL), Charlotte (CLT), Detroit (DTW), Fort Myers (RSW), New York (JFK, EWR, LGA), Orlando (MCO), Philly (PHL), Raleigh-Durham (RDU), Tampa (TPA), Washington DC (IAD, DCA) and more. BVT airport has 7 rental car companies conveniently located inside the terminal, on the main floor, adjacent to the baggage carousels. Rental vehicles are a short walk from the counters via a covered sky-walk and are inside the new parking garage. When we're not golfing, you can explore scenic villages with boutique shopping, local dining, and many local attractions like the von Trapp Family Lodge, Ben & Jerry's Factory Tour, Smuggler's Notch State Park, Idletyme and the Alchemist breweries and more.

The Ben & Jerry's factory tours are 30 minutes and guided by an extremely knowledgeable employee. You watch a movie, walk through a mezzanine overlooking the production floor, and then you get to sample a few flavors! Please note, since this is an operational manufacturing team, there may or may not be active production during your tour due to varying production schedules. Regardless of that though, you will still see the manufacturing line. Immerse yourself in all things Ben & Jerry's with a guided tour of their humble beginnings. Browse through their Gift shop then swing by for a Scoop shop to indulge in your favorite old flavor or discover a new one. Operating hours: 10:00am-6:00pm. Last tour leaves at 5:00pm.

THE ALCHEMIST, Stowe

What started as a husband-and-wife brew pub in Waterbury, Vermont, has become one of the most popular craft breweries of all time. The Alchemist was made famous by its Heady Topper, an American double IPA that brewer John Kimmich says is best fresh, cold and sipped from the can. The brewery also turns out beers that range from Farmer's Daughter, a Belgian-style saison, to Luscious, a British Imperial Stout. The tasting room has been under renovation, but the beer garden is open Thursday-Sunday. There's curbside pickup if you order ahead, and brewery tours can be reserved online.
