

GED-Ready® Test Scholarship Information

- 1. If your pre-test scale score in Reading is at least 555 on the “D” Level TABE, then Laurens County Adult Education will pay for you to take your initial Reasoning Through Language Arts and Social Studies practice tests.**
- 2. If your pre-test scale score in Applied Mathematics is at least 555 on the “D” Level TABE, then Laurens County Adult Education will pay for you to take your initial Mathematics and Science practice tests.**
- 3. If your pre-test scale score in either area is BELOW 555 on the “D” Level TABE, then you will work to raise your score to 555 before the program will pay for you to take your initial practice tests.**
- 4. If you choose to pay for your own practice tests before you reach the scale score of 555 on the “D” Level TABE, you will pay \$5 cash in the office.**
- 5. If you take a practice test and do not score at least 145 on it, then you must have your teacher’s recommendation before the program will pay for a second test for you. For a third test in the same subject area, you must complete remediation according to your score report printout, using the Kaplan and Steck-Vaughn book topics suggested for you to study. The cost of the fourth test and beyond in any area will be your responsibility or the responsibility of the agency that referred you to Adult Education (ex: WIOA, TRADE, etc.).**
