**Bowling Non-Interscholastic Rule\***

Please complete and return to Emily Mason at [emason@ohsaa.org](mailto:emason@ohsaa.org) no later than 5 days prior to the event.

OHSAA Regulations permit schools to request a waiver of *General Sports Regulation 7.2.2 – Participating on Non-School Teams*. The waiver, permitting non-interscholastic participation during the school season once a student has participated on the school team, may be granted up to two times per school season. Each waiver is good for one event. To be considered one event all play in the event must have an established start and end date not to exceed 7 consecutive days.

No waivers will be granted for events taking place *on or after* **January 22, 2024**. This waiver request must be submitted by a school administrator. No waivers from a coach, student, or student’s parent(s) will be acknowledged. Students may not request a waiver in order to participate in a bowling league. While the waiver is intended for single/ individual (not team) bowling events, waivers will be considered for dual bowling events such as father- daughter, mother-son events.
