

## The Gathering Community Garden Project

Welcome to Spring!

This year the Community Garden will be undergoing a new makeover to upgrade our beds and reconstruct the old wooden ones into white plastic that won't deteriorate, last longer and make our garden more beautiful. We have a lot of plans to expand the garden short and long term. We want to add fruit trees, berry bushes and more vegetable beds to give our community members free food. We will have Ministry Garden Teachings for adults and children plus ways to make local produce into healthy meals! We want to make the garden a beautiful summer sanctuary for community gathering for worship, peaceful contemplation as well as to beautify our neighborhood.

Here are three ways you and your organization or group can be involved:

1. **Plant!** Now is the time to secure your bed for the planting season! The beds this year are \$30.00 for a 4x8 bed and \$50.00 for two beds. All beds will be made the same size as we make the new beds. , To reserve your bed now, please call Prema Irelan at 513 571 1450.
2. **Prepare!** We will have a volunteer clean-up opportunities and to prep the beds on Saturday, April 29 at 10:30 & Sunday, April 30 after Church around 12:30.
3. **Donate!** We are in the process of requesting donations for planting soil, seeds, small garden tools and any other items related to gardening that members would like to donate to assist the Community Garden Project.

Thank you for your interest and we hope to see you soon at The Gathering Community Garden.

For more information or to sign up for a planting bed, please call **Prema Irelan** at **513-571-1450**.
