

# THE SHROUD OF TURIN II

This illustration seeks to show that the Shroud of Turn does appear to match the 5 Puncture Wounds of Jesus as depicted in the New Testament Gospels. In essence, it was a Tortured Body full of Flagellations that for the most part, most Men would not have survived, due to the Shock on the Body and loss of Consciousness and Blood. The Shroud has made its way to the Church in Turin, Italy from Israel. The Shroud at one point was almost destroyed twice by Fire as a fire broke in 1532 and 1997. According to the Research to date, the same Pollens found are consistent with those in Israel that only blossom during the Passover Season. Although the Shroud was supposedly carbon-dated, it was assumed to be not of the 1st century. Critics of the dating method argue that the corner from where the pieces was rendered was in fact an Interwoven Repair Work of the Middle Ages. Then it was found that the Eye Sockets had Coins, those of the Widow's Mite or 'Penny' that were uses for the Temple Offering from 29 AS, the Year Jesus started His Public Ministry.

## The Napkin - Will Return

Shroud was Doubled and in 4x as a 'Napkin'.

## The Hidden Afikomen

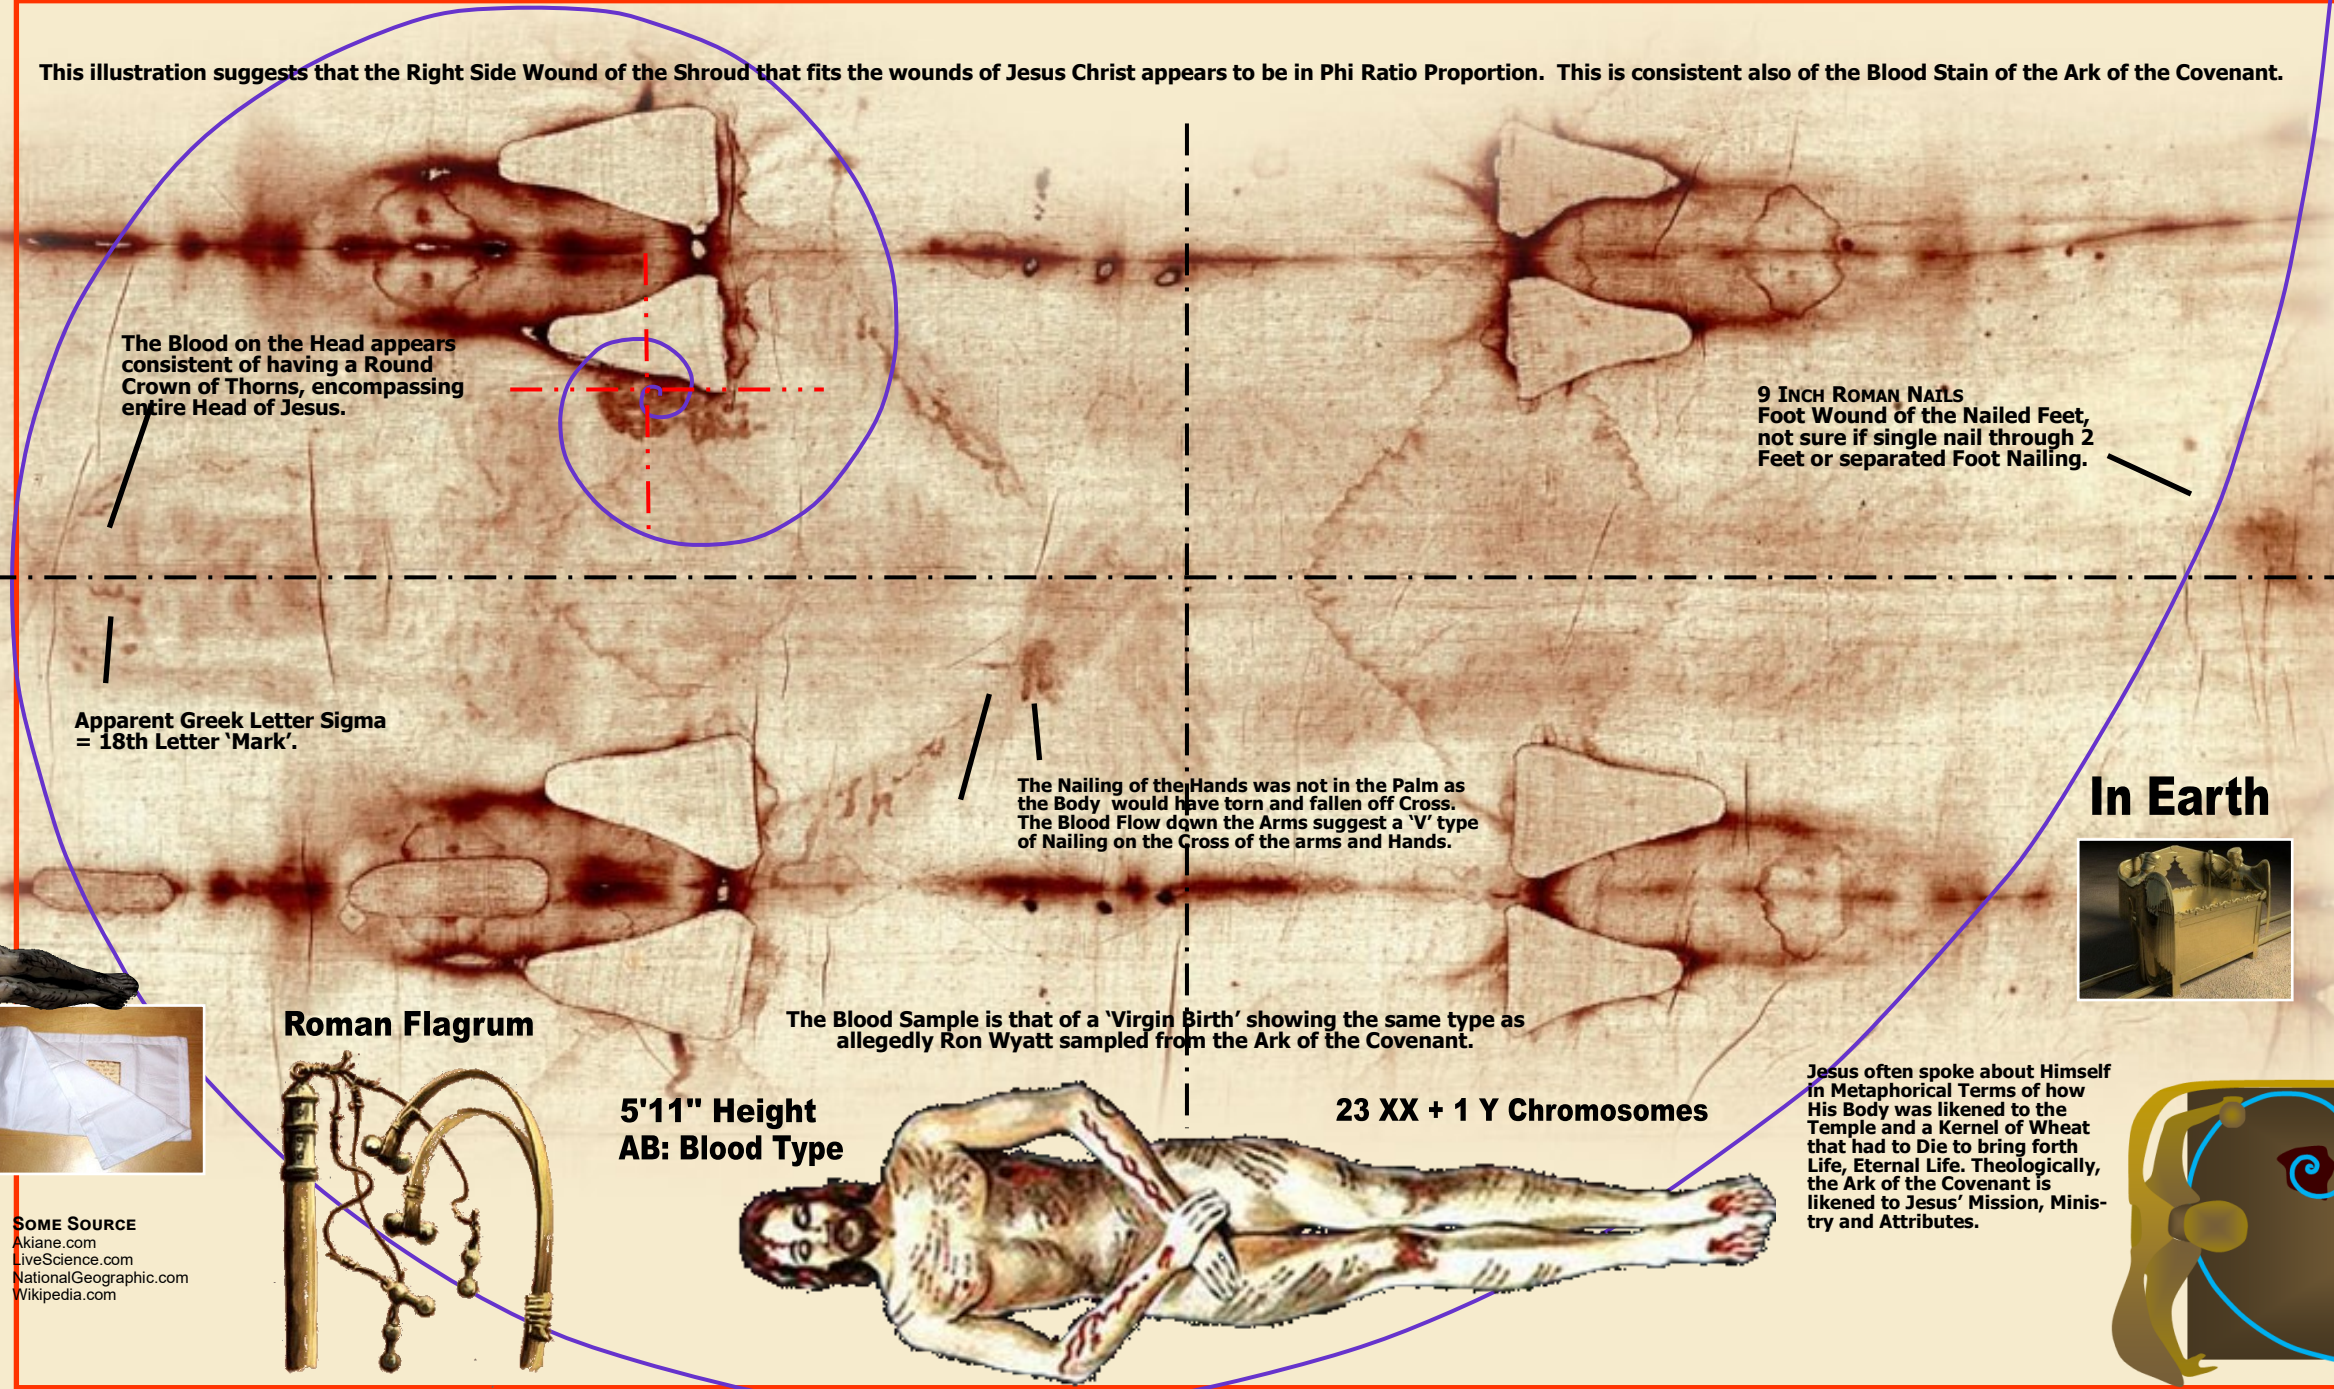

Passover, in the Midst of the Week was a Wednesday and thus a High-Day Sabbath. In haste, the Body of Jesus was Buried or placed in Garden Tomb without Preparations.

This illustration suggests that the Right Side Wound of the Shroud that fits the wounds of Jesus Christ appears to be in Phi Ratio Proportion. This is consistent also of the Blood Stain of the Ark of the Covenant.

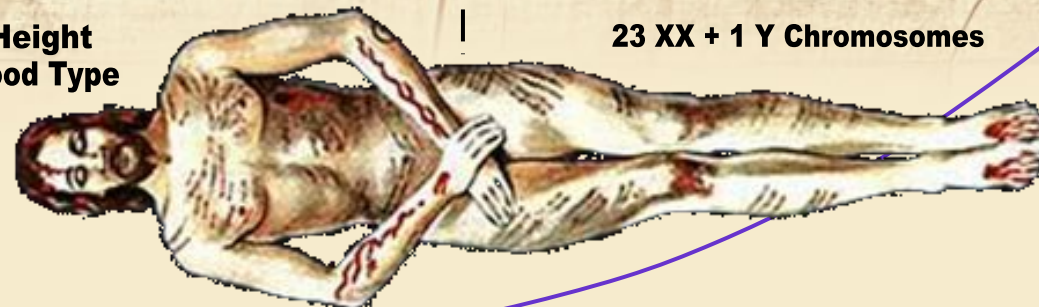

The Blood on the Head appears consistent of having a Round Crown of Thorns, encompassing entire Head of Jesus.

Apparent Greek Letter Sigma = 18th Letter 'Mark'.

## Roman Flagrum

5'11" Height  
 AB: Blood Type

23 XX + 1 Y Chromosomes

The Blood Sample is that of a 'Virgin Birth' showing the same type as allegedly Ron Wyatt sampled from the Ark of the Covenant.

9 INCH ROMAN NAILS  
 Foot Wound of the Nailed Feet, not sure if single nail through 2 Feet or separated Foot Nailing.

The Nailing of the Hands was not in the Palm as the Body would have torn and fallen off Cross. The Blood Flow down the Arms suggest a 'V' type of Nailing on the Cross of the arms and Hands.

## Ark of Covenant

Jesus often spoke about Himself in Metaphorical Terms of how His Body was likened to the Temple and a Kernel of Wheat that had to Die to bring forth Life, Eternal Life. Theologically, the Ark of the Covenant is likened to Jesus' Mission, Ministry and Attributes.
