

Prepare for the Pitch - Request Form

When you request BossUp101- Workshops, we ask that you provide general class demographics. Indicated 2-day time frame for the Pitch Session. The first day is general prep and rules shared with students, day two will be the Pitch Sessions to panelist. Point of contact, and we also, as you share additional information for business professionals you would like to be a part of judging panel. Finally, we will be addressing specific areas for your student Pitch preparation. So, in the notes section, please feel free to add particular focus areas that would assist your students for their pitch.
