Dear Brethren,

The Independence Missouri Stake of the Church of Jesus Christ of Latter-Day Saints will be partnering with the City of Independence and Jackson County Emergency Services to host an Emergency Preparedness Fair on Saturday, September 24, 2022. I would like to invite you and the members of your congregation to attend this timely event. If an emergency event were to occur in our community, educating and preparing our community ahead of time can significantly improve our ability to respond and mitigate difficult circumstances.

The Fair will provide individuals, families, and our faith-based communities with the opportunity to learn about Emergency Preparedness topics such as: Food Storage, Water Purification Techniques, how to build a 7-day Emergency Kit, Handling Short Term and Long Term Power Outages, Creating a Family Emergency Plan, First Aid including CPR, and Amateur Radio communications, to name a few. The Independence Police and Fire Departments will also be represented along with other local and national Emergency Preparedness organizations.

The Fair will be held at the Church of Jesus Christ of Latter-Day Saints Pageant Grounds located at 705 W Walnut Street, Independence, MO 64050 from 10:00 am – 2:00 pm.

We sincerely hope that you will join with us as we strive to educate and support our community about these important and timely emergency topics and services.

If you have any questions, please contact me or Dale Christensen at 816-808-3253 or at [zionscaler@gmail.com](mailto:zionscaler@gmail.com).

Thank you for considering our invitation, and we look forward to seeing you at the Emergency Preparedness Fair.

Sincerely,

President Dennis O. Cato
