Push *6 to unmute and mute yourself.

I recommend that you mute yourself at least for the speaker portion and unmute yourself when you want to talk. When the guest speaker is talking or if there is noise from your feed I can go ahead and mute you for the presentation part and you can unmute yourself for discussions.

If you get cut off, just join again. We're looking forward to seeing everyone!

Email Elaine Ige if you have questions. She will send a reminder email a couple of days before the meeting.

LOSERS BUCKET

There will be a special drawing from the 2020 losers bucket during the December 9th Awards ZOOM party.

If you attended the January, February or March 2020 meetings and bought prize tickets, you are automatically entered into this drawing.

The prize this year is a California Classic rod, 7.5 ft, 20-40 lb line.

December 2020 President's Message

Well 2020 fishing season ends November 1, 2020 for our Club Contests.
December 2020 President's Message

Wow, what a year. I will be so glad to put 2020 behind us and look forward to just a normal 2021, nothing spectacular just get back to a normal everyday life! The pictures are in, the votes tabulated and reservations made for an exciting 2021.

First we need to thank everyone who has tirelessly worked on our board. There is Denise Davis who is our Treasurer and keeps me fair and honest. Dick Guiana, our Speaker Chairman, Ron Hall our Freshwater Chairman, Newsletter and Co Webpage person, along with Terri Cobal our outgoing Secretary and Webmaster. Dave Craig who worked tirelessly to set up the Freshwater events. Don Merrill our outgoing Raffle Chairman, Karl Penson our Sgt at Arms. Jose L Dominguez our Membership Chairman and Warren Harper our Whopper Board Chairman (for those who are competitive, our most important member). I need to thank Jose M Dominguez for acting in any capacity we needed and welcome Elaine Ige as our Zoom Coordinator and Randy Kroll as our Facebook Moderator. Also Karl Penson, Sargent at Arms.

We currently need someone to be Secretary as Terri is going to focus on the Website now. I'm going to need a new Whopper Board Chairman for 2022 as Warren is going to retire next year. I'd also like to get someone who'd like to be president as I'm going to move down to Charter Master and then retire in the next few years. As someone told me we need new blood and my blood needs Geritol (for those old enough to know what that is).

There will be no formal banquet in December but you all should have received invitations to our Awards party via Zoom. Please attend and check in starting at 6:30 pm! There will be surprises and you will get to know who is Angler of the Year, Freshwater Angler of the Year and Sportsman of the

MEETING LOCATION

ZOOM!

Meetings are held the
second Wednesday of the

year. We will also announce who won in the various Whopper Board categories and award gift cards for 1st 2nd and 3rd place.

We are cutting back slightly next year to catch up on the weird year we had in 2020. So many trips were planned and cancelled and we had very little income from raffles. However we as a club survived by the hard work and dedication of our members and Denise and Elaine Ige who initiated our Zoom meetings. For that I thank them!

As your Saltwater Chairman, I have been working on our trips for next year. I have booked the Pacific Dawn in April and May and the Fury in July. I am STILL in negotiations with the Amigo out of 22nd street and the Endeavor out of Ventura sports landing. I have 2 Betty O twight light trips planned and a trip on the Island Tak. The Sea Jay is still under repair and I am waiting to hear when it will be available. Because of Covid and mandated limited loads we can expect a price increase for most trips. I had always run limited load trips but now my limited load has become the boat capacity in most cases so plan accordingly.

I will send out a separate email with our saltwater trips in the next few weeks. I will also post on the Facebook and ask Terri/Ron to post on our webpage the trips are available. As soon as I post the trips you are free to purchase spots on the charter. Please make all checks for charters out to WILLIAM L DAVIS. Mail them to 897 W Huntington Drive #D Arcadia, CA 91007. First come first served or money talks and Bull\$%#& walks. Take your pick. As always I invite you to suggest boats the club can charter. Ron Hall, our new Freshwater chairman is planning a varied and exciting freshwater schedule this year. I will leave it to him to provide details.

I want to thank everyone for being a member of the club no matter you participation level. I ask that those who can take an active role and participate by becoming a board member or help out at events like Jose M Dominguez and Atticus Ige, my two alternates to just about everything.

I'm looking forward to a more exciting year in 2021 and hope and pray we can get beyond this pandemic stuff and get back to a more normal life. I wish all of you well and hope you had a good Thanksgiving and as we look forward to the holidays we move forward into the future with vision and courage. I appreciate each and every one of you and hope to see you fishing next year.

President
William L. Davis

further Notice!

2021 Membership Drive

The 2021 Membership Drive is on!!!! Jose will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2021 are the same as last year: \$45 for an individual and \$60 for a family membership.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1, 2022, your 2021 membership card is void. In order to receive the discount, a current 2022 membership card will be required. All store managers are aware of this and there are **NO EXCEPTIONS**.

Website Update

Whopper Board Reminder

From the Whopper Board rules:

To be eligible to participate in the Tournaments, a club member must support the club by participating in one Club sponsored fishing event during the eligibility period. Any member not participating will have all of their entries removed from the records for that year.

A Club sponsored event includes any of the Club Saltwater Charters or a Freshwater Event sponsored by the Club.

All of the rules are posted on the website: Turnersrodandreeelclub.co

WHOPPER BOARD/ANGLER OF THE YEAR CHANGES FOR 2021.

At the most recent Board meeting held in October there were some changes made to Angler of the Year and the Whopper Board rules/outcomes for 2021.

As below:

- 1. Fish submitted for Whopper Board and Angler of the Year must be of legal size per the State of California DFW Regulations, or where ever the fish was caught including other states or countries.**
- 2. Any fish caught on a Club Saltwater Charter or Club Freshwater Fishing Event will get double points towards Angler of the Year. There will not be double points for the Whopper Board.**
- 3. Prizes for the Whopper Board's First, Second and Third places will be reduced in 2021 to \$50, \$25 and \$10 values.**

Regarding #1, it was noted that the Whopper Board rules do not state this so it was added beginning in 2021.

The Board would like to increase member participation in the Club Events and felt that #2 above could promote that.

As for the third change listed, current membership numbers need to increase to support our current memberships costs. The funds for the Whopper Board come from the Membership dues. Our costs have gone up and Membership dues have not. While we have gained new members every year, some other members are no longer fishing or are no longer active in the Club. We need everyone to promote membership.

Denise, Atticus, Jose M and I. Jose L went fishing to Lake Balboa last Saturday November 21. It was fun! Atticus and I got several small Bass. I got a nice 1.89lbs Tilapia and my son Jose M got a big crayfish on a red hookup bait.

2021 Fred Hall Shows Prediction

While 2021 is the 75th Anniversary of the Fred Hall Shows, it definitely will not be like any other show.

First, while the 2 shows are slated for March 3-7 in Long Beach & March 25-28 in Del Mar, it likely isn't going to happen that way. Show planners doubt that Los Angeles will allow an event that early in the year, so alternate plans have been made.

The Del Mar Show will likely happen first, and it will likely be early April before that happens. Even then it will be 98% outdoors with many precautions, included limited entrance to the larger displays. Dining tables will be 10 feet apart.

The Long Beach Show may not be possible even in the second quarter of 2021 in Los Angeles County.

There is a contingency plan to hold it at Angel Stadium in May. Once again all outdoors with 20 foot aisles, all booths separated and larger booths closed off with limited numbers allowed at a time.

This is directly from Bart Hall. Stay tuned in 2021 for updated information.

2020 Awards Banquet Silent Auction

Since no one has spent their hard-earned dollars on drawings or dinner at Mimi's since March, there will be a Silent Auction completed at the Awards Banquet. Bidding starts as soon as you read this, Bid via email only to: Turnerstales@aol.com. This is a fundraiser for the Club that gives you the opportunity to pick out your own present to yourself or a loved one. Bidding is for Club Members only. The bid must include your name, amt of your bid and the name of the item you are bidding on. Each item will have a minimum bid, a BIN (Buy It Now price), and the current bid listed. Denise will update you via email every couple of days. The BIN is for anyone that is ready to commit. A BIN commitment takes the item out of the auction immediately. Winners will be announced at the December ZOOM Party. Payment will be by cash, check or money order mailed to William or Denise Davis. We will do socially distanced porch delivery to you or you can pay for shipping. Failure to pay timely results in forfeiture of your right to the item. No IOUs accepted, no posted dated checks. No trades or returns. Bids must be at least \$5 increments.
