A-SERIES MID ROOF DECK

The A-Series Roof Deck was designed for simplified installation and allows for stair transitions compliant with accepted safety standards. Designed to AS1657-2003 and OSHA standards for safety and reliability.

A-SERIES SIDEWALL DECK

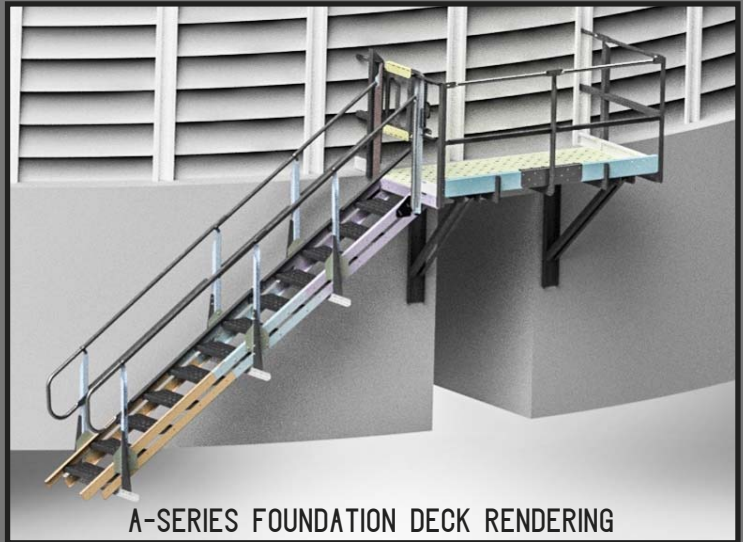

- Commercial walkway option around the sidewall of the bin
- Can be configured to fit bins with 2 or 3 stiffeners

QUALITY. EXPERIENCE. SERVICE.

Dedicated to producing quality products to improve the safety, accessibility, and efficiency of grain bins and grain handling systems for over 40 years.

A-SERIES FOUNDATION DECK

- Designed for mounting to the concrete stem wall of the bin for access to the bin door, particularly over tunnels
- Deck is available as a 3 section, 2 section, or single section

A-SERIES FOUNDATION DECK RENDERING

A-SERIES ROOF STAIRS

- Computer designed and load rated to AS1657-2003 and OSHA Standards
- Allows for rest landings on the roof every 18 steps or per applicable local standards
- Compatible with A-Series Arrest Landings and A-Series Roof Decks for commercial applications
