

St. José Sanchez Del Rio Catholic School

Welcomes You To

Fifth Grade

Congratulations on your successful completion of 4th Grade! To help keep your skills as sharp as a tack and be ready for the new and exciting fun activities for 5th grade, the school has prepared some fun reading and math ideas for the summer months.

Students are to choose one of the following books to read during the summer:

- “Rascal” by Sterling North
- OR
- “Abe Lincoln” by Sterling North

After reading the book of your choice, students are asked to choose any 3 of the following activities related to your book. Please complete the 3 activities and have ready to turn into your teacher the first week of school.

Complete any three activities:

Category	Description
Cover Page	Create an illustration of the book, and list the title and author. Include your name, date, and grade.
Vocabulary Page	List 15 vocabulary words and their definition from the book that you feel best represent the novel. Also write a sentence using the word, underline the word.
Comic Strip	Create a four panel comic strip highlighting one of the events in the book. Each panel should include a colored illustration and small caption. Title your comic strip.
Book Review	Type a one paragraph review of the book answering the following questions: <ul style="list-style-type: none"> ◦ What did you like best about the book? ◦ What did you like least about the book? ◦ Would you recommend this book to others? Why or why not?
