

We grieve for the unborn, who haven't seen the light of day, who haven't graced the world with their loving face, their joyful smile or soft embrace.

We hadn't the chance to see her eyes or hear her cry, but for a little while on April 21, 2016, we held her close and loved her more than anything else.

Nora Mae Stefan, daughter of Eric and Jamie (Langley) Stefan is gone but will never be forgotten.
