

So what does Leslie do for fun with her dog? Gracie is a 2 year old cattle dog/rat terrier mix and is game for just about anything most days. We spend time trick training and dabbling in freestyle (dancing with your dog- too funny!). We are also just beginning to compete in agility (NADAC and USDAA) and that is much fun! I am sure Gracie wishes she had a professional agility handler as she has learned “the ropes” much faster than I.
