

AGE OF AQUARIUS ASTROLOGICALLY

THE BEGINNING OF THE 5TH AGE OF 'ENLIGHTENMENT'

The purpose of this illustration is to depict the astrological delineation of the end of the Age of Pisces and the beginning of the Age of Aquarius. The demarcation line at 0 degrees is just before the Sign of Capricorn, but using the ancient astrological division of the Zodiac renders this separation. The peculiarities of this date and time will occur on the Winter Solstice of December 21, 2020. This date will also coincide with the Grand Conjunction of the planets, Jupiter with Saturn. Pluto will be near as to joint the conjunction but at a distance. Mercury will be at the conjunction with the Sun at the Golden Gate. The Moon will be also in Aquarius. It is believed the 33° arch from the Galactic Equator marks the beginning of the Age of Enlightenment or Luciferian New World Order. The Grand Conjunction suggests a 'reset' or great transformation is occurring and will culminate for the world.

To the Luciferians, Aquarius is the archetype of the coming AntiChrist.
