

Christmas in the Park

Sunday, November 26, 2023 @ 4PM

Christmas in the Park was such a successful and fun activity for our town last year, we are happy to share that the Town of Thorsby Council will again be sponsoring the event.

In addition to having Christmas trees lined up throughout the park, we will be hosting the lighting ceremony on Sunday, November 26 and are asking locals to sign up and participate in Christmas Carolers. Local churches or businesses who are interested in caroling at the lighting event, please contact 205-337-0219 and provide your group's information. Adam Easterling, Worship Leader at Thorsby First Baptist will be coordinating the caroling activities. If possible, the caroling groups will meet prior to November 26 to practice and review the details for the night event.

Deadline for Christmas tree purchase: November 13, 2023. Cost: 30.00 each.

Contact: Tonya Ray 205-337-0219 or kevin608@centurytel.net and Crystal Smith 205-646-3575 or crystal11@thorsbyal.com with any questions you may have.

Attached is a copy of the Christmas Tree Sponsor Application.

We hope to see everyone again from the community come out and witness the beautiful Christmas trees and "kick-off" the holiday season with singing and fellowship!
