

February 1, 2024

The Eastern North Carolina Log A Load for Kids Campaign hosts various events throughout the year to raise money for Children's Miracle Network Hospitals. All proceeds benefit our local children's hospital in Greenville, NC. The new James and Connie Maynard Children's Hospital at ECU Health Medical Center is the primary referral center for critically ill and injured children in 29 eastern North Carolina counties. Our most successful event continues to be the annual "Colony Tire & Pinnacle Trailer Sales Sporting Clays Miracle Shoot."

The generosity and commitment of our sponsors and participants over the years has enabled the Colony Tire & Pinnacle Trailer Sales Sporting Clays Miracle Shoot to increase contributions to Children's Miracle Network from \$12,000 in 1996 to over \$100,000 with over 600 participants in recent years. The Colony Tire Sporting Clay's Miracle Shoot has grown to be one of the largest organized shoots in the state and the country. On **May 3 & 4, 2024** Log-A-Load for Kids will host the **27<sup>th</sup> Annual Colony Tire & Pinnacle Trailer Sales Sporting Clays Miracle Shoot at Hunters' Pointe Sporting Clays in Washington, NC.**

Sponsorship of the Log-A-Load For Kids "Colony Tire & Pinnacle Trailer Sales Sporting Clays Miracle Shoot" is a wonderful opportunity to reach a wide range of people from throughout eastern North Carolina while ensuring that our children receive quality health care in a premier hospital facility.

Attached please find a Sponsor application outlining the various levels of sponsorship for your consideration. Simply print and complete the sponsorship form and return it to the address provided or donate online. Please do not hesitate to call if you have any questions.

We hope that we can count on your support and you can join us as we celebrate **27 years** of successful Sporting Clays Miracle Shoots. Thanks in advance for helping us "Carry the Load for our Kids", our most "precious" resource. Your consideration and support are greatly appreciated.

### **What is Log A Load For Kids®?**

Log A Load For Kids® is a nationwide giving campaign through which loggers and others contribute to local Children's Miracle Network-affiliated hospitals to provide medical care to kids in need, regardless of their families' ability to pay.

### **How did it start?**

In 1988, a dedicated telethon volunteer with the Medical University of South Carolina (MUSC), William (Bill) Boyce, Boyce Distributors and SC Yemassee loggers Larry Connelly and his wife Carol, and Telethon Coordinator for MUSC Hospital Lorraine "Rainey" Evans, played a key role in establishing the Log A Load For Kids campaign through Children's Miracle Network Telethon.

The basic concept of Log A Load For Kids is for loggers and wood-supplying businesses to donate the value of a load of logs, or any amount, to a nearby Children's Miracle Network affiliated hospitals to be used in treating ill and injured children. In addition, special fund-raising events are organized by Log A Load For Kids volunteers to supplement donations to the hospitals.

The South Carolina Forestry Association took this concept and developed the first successful "Log A Load For Kids" program to raise funds for Children's Miracle Network affiliated hospitals. Since that time the Log A Load For Kids program has spread to 27 states, and has raised nearly \$30 million.

### **Who was the first chairman for the Log A Load For Kids Program?**

Bill Boyce of Boyce Distributors and Charles Wright of Stone Container, were the first co-chairs for the South Carolina Log A Load For Kids Program. With the help of the South Carolina Forestry Association staff, Log A Load For Kids promotional materials, banners, pledge cards, operating rules and procedures and other related items were developed.

### **What is a state logging or forestry association?**

Logging contractors, forest products businesses, and others with an interest in promoting and conserving the forest resource have formed statewide associations in states with significant forested area. These associations promote common goals, usually related to conservation, education, government relations, improving the business environment, and promoting forest products.

### **What is the Children's Miracle Network?**

Children's Miracle Network (CMN) is a non-profit organization based in Salt Lake City, Utah, dedicated to saving and improving the lives of children by raising funds for children's hospitals through organized giving campaigns. Many of these campaigns are organized through corporate organizations (such as Wal-Mart, for instance). Log A Load For Kids® is unusual in being a decentralized, volunteer-based, rather than corporate campaign.

### **How do children's hospitals benefit?**

Children's hospitals affiliated with the Children's Miracle Network pledge to provide services regardless of a patient's ability to pay. Contributions through Log A Load For Kids help meet the financial deficits at CMN hospitals. In addition, some Log A Load For Kids campaigns dedicate funding to special projects, such as the purchase of a piece of medical equipment, a "Life Flight" helicopter, or underwriting the expenses of a specialized clinic, or wing of the hospital.

### **What kind of help does Log A Load provide?**

Donations may help pediatric clinics with purchases of diagnostic equipment or special programs; they may cover hospital bills for uninsured patients or kids who need treatments not covered by conventional insurance policies. Some state programs have even endowed positions for medical specialists.

### **What kind of fundraising campaigns?**

Log A Load For Kids was originally formed to provide loggers with an opportunity to contribute the value of a load of logs, or any amount, to a local Children's Miracle Network hospital. As the program grows, local Log A Load For Kids campaign organizers held auctions of donated items, raffles, carnival events, golf tournaments, walk-a-thons, and pledge campaigns. Ideas are only limited by the ingenuity of local Log A Load committees.

**Children's  
Miracle Network  
Hospitals®**

Children's Miracle Network Hospitals® raises funds and awareness for 170 member hospitals that provide 32 million treatments each year to kids across the U.S. and Canada.

Donations stay local to fund critical treatments and healthcare services, pediatric medical equipment and charitable care.

Since 1983, Children's Miracle Network Hospitals has raised more than \$5 billion, most of it \$1 at a time through the charity's Miracle Balloon icon.

#### TREATMENT FACTS

Every day, Children's Miracle Network Hospitals treat:

- 16,000 kids in the ER
