

Colossians 2:19 says that we are to hold to the Head, who is Christ, from whom the whole body, in all its parts are nourished and strengthened by joints, which are its points of contact, and its connections, which are its ligaments and muscles, grows and increases with a divine growth while being nourished by and with God Himself.

In this 6CD series Dr Hohman will teach you how the Spiritual Church is put together and then is to be covered with Gods Glory just as a human frame is put together and then covered with skin. Without the clothing of our skin we would be unable to be identified. As God restores His Church, this world will then see Jesus and recognize Him in all His Glory through the true believers.
