## They Did Their Share

On Veteran's Day we honor  
Soldiers who protect our  
nation.  
For their service as our  
warriors,  
They deserve our admiration.  
Some of them were drafted;  
Some were volunteers;  
For some it was just yesterday;  
For some it's been many years.  
In the jungle or the desert,  
(On land or on the sea,  
They did whatever was  
assigned  
To produce a victory.  
Some came back; some didn't.  
They defended is everywhere.  
Some saw combat; some rode a  
desk;  
All of them did their share.  
No matter what the duty,  
For low pay and little glory,  
These soldiers gave up normal  
lives,  
For duties mundane and gory.  
Let every veteran be honored;  
Don't let politics get in the way.  
Without them, freedom would  
have died;  
What they did, we can't repay.  
We owe so much to them,  
Who kept us safe from terror,  
So when we see a uniform,  
Let's say "thank you" to every  
wearer.

### BUS LINE PROCEDURE

When you arrive at the bus you, **PHYSICALLY**, can get in line. You **CANNOT** put a bag, cart or any other object in line to hold your place. You are able to save one seat, which is for the person that will be sitting next to you. You are not able to let all your *friends get in line with you*. If this happens, your whole group will be asked to get in the back of the line. It is not fair to the people that get there early to sit where they want to sit.

### TRIP PAYMENT POLICY

It has always been our policy that once a reservation is made, payment is required 2 weeks after. Holding unpaid reservation is unfair to everyone, travelers and us included. Again if you have to stop and think if I am talking to you, "yes, I am".

Please understand that once we paid for your tickets/meal we cannot offer you a refund or credit unless we are able to sell the seat. As you know, we always try and resell your ticket so that you don't lose any money. We understand that things happen that we cannot foresee and we try our best to get someone to replace you so that no one is out the money. Please contact us on a one to one basis if you have financial difficulties with this policy.

## TONY'S BLOG

### Thanksgiving Memories

Thanksgiving was probably the largest food holiday in our family. I remember the night before, we would chop walnuts, olives and other ingredients getting ready for my dad's famous turkey stuffing. In the morning, it seemed like we were all involved making the homemade raviolis. My job was to use the fork and close all the little pockets of cheese. One Thanksgiving, we filled one with just dough and thought it was funny to see who was going to get that one. No one ever admitted to getting that one. It is still a mystery. Let's all be thankful this year for all that we have and be hopeful for a better year to come.

### ACME PARKING

Please patronize the Kenilworth Acme for allowing us to park in their lot for our trips.  
Also, please note that when you are parked at the Acme, you are parking at your own risk and the Acme cannot be held responsible for anything.

**POLICY FOR DAY TRIPS**

It has always been our policy that once a reservation is made, payment is required 2 weeks after. To our own fault, we have been very lax with this policy. Our computer system is now set up to remove names that are not paid within that time frame. Holding unpaid reservation is unfair to everyone, travelers and us included. Please understand that once we paid for your tickets/meal we cannot offer you a refund or credit unless we are able to sell the seat. As you know, we always try and resell your ticket so that you don't lose any money. We understand that things happen that we cannot foresee and we try our best to get someone to replace your reservation so that no one is out the money. Unfortunately, this is becoming more and more of an issue and is putting us in a difficult spot. Please contact us on a one to one basis if you have financial difficulties with this policy and we will do our best to work with you.
