

31

Different "breeders" uncovered.

Heartland Pets purchased a pup from this "breeder" in 2012, even though she had EIGHT USDA VIOLATIONS in 2011.

When you walk past Heartland, look past the cute puppies and look at the truth. The parents of each puppy are living in neglect and filth.

Boycott Heartland Now.

Gruber, Lori 47A0578 2011 Eight violations including excessive feces in whelping building. Cancelled license 8/12
