PRESIDENT'S MESSAGE

Fellow Compatriots & Friends – You don't want to miss all the fun, and ice cream, so please mark your calendars for our annual *Ice Cream Social* scheduled for 2:00 pm on Saturday, June 30th at Las Fuentes. Please take a look at the event flyer in this newsletter for details. Also, I'm excited to report that Compatriot James Cates is now serving as the Chapter Vice President! He's very active with our multifaceted activities, and serves as a member of the Color Guard. Celeste, Jim's wife, is a member of the DAR, Oak Creek Chapter. Please join me in welcoming them.

As you peruse Compatriot Monez's newsletter, you will see that our Chapter has again been involved in many important activities that could not be accomplished without your steadfast support. Thank you! I look forward to seeing you all at our next luncheon meeting on Saturday, June 16th. Craig Brown, County Supervisor (District 4), will speak to us about interesting events and initiatives in our community and region.

Please let your officers know if you have an interest and are able to participate in any Chapter or State SAR programs. As always, your ideas and participation are essential to our organization!
Fraternally yours,
Wayne Hood

AZ Society Color Guard in the lead as it marched in the 12th annual Armed Forces Day Parade in Flagstaff on May 19. The theme was 'Freedom is Not Free'. This was the first time the Sons of The American Revolution has participated in this parade. Members commented this was the shortest parade we have ever marched in. James Skaggs our State Society President, Donna our First Lady and Keith Hugus were at a table to see how much interest there might be in forming a chapter in Flagstaff. One of the Prescott Chapter members, Doctor Paul Sangster lives in Flagstaff. Marching members Ed Lipphardt, James Cates, Wayne Hood, Bill Smith and Steve Monez were from Prescott. Steve Miller, Jerry Davis represented the Phoenix Chapter and James Skaggs and Keith Hugus were from our Palo Verde Chapter. Each Color Guard member came to the podium and shared the history of their ancestor during the Revolutionary war. Steve Monez then told the story of Monia Michael the American who made the Red Poppy a Memorial Day symbol around the world. Red Poppies were available for the attendees. Steve also shared how Lieutenant John McCrae a Canadian was involved in the World War I at the battle of Ypres, Belgium. After the second battle he wrote the poem 'In Flanders Fields'. He read the poem and Monia Michael's response.

Thanks Richard Burke and James Skaggs for pictures.
