MONTH LETTER.

[KAREN] Good Morning...Thank you for another year of great broadcasting...have been listening for years and have had WRVM on all the radios and car radio also. My day runs by what is being broadcast...don't have to keep an eye on the clock! I have loved supporting the radio station monthly by the regular donations...and I am blessed beyond words by the teaching and music...and such great voices that share my day...and night...So nice to listen at night when sleep is not coming or early in the morning. I also love the children's programs and stories...and grateful for the old stories and challenges. The mission emphasis is also a plus for me and for praying for current needs that I would not know about without your news broadcasts or interviews. Thank you again for your service to so many...and for the faithfulness as you walk and broadcast.

[DORN] Found WRVM by accident several years ago. Listen almost exclusively now. Enjoy Janet Parshall, rob west and Alistair Begg. Keep up the great ministry. We (USA) need it!

[BILL – PELICAN LAKE WI] Happy belated birthday we moved here 11 years ago and listen to you mainly in the car. Which translator we use depend on the direction we are going. It surprises me every time we switch from one to another that the reception is seamless no lag time thank you for your service
