This warranty is for Galvalume Zinc Aluminum sheet sold in the Continental United States in the form of unpainted roofing panel manufactured by Benton Metal Depot Inc. Galvalume will not rupture, structurally fail, or perforate for a period of 20 years from the invoice date above if exposed to normal atmospheric conditions.

This warranty does not apply to sheets exposed to corrosive or aggressive conditions, including but not limited to:

- A. Areas subject to salt-water marine atmospheres or to constant spraying of either salt or fresh water.
- B. Areas subject to fallout or chemicals such as but not limited to fumes, ash, cement dust, animal waste, or pesticides.
- C. Areas subject to run-off from dissimilar metals such as lead or copper flashings in contact to said sheets.
- D. Condition where corrosive fumes or condensation from steam or heat is generated or released inside building.
- E. Slopes less than 3/12. As use as roofing panels unless otherwise issued in writing by Benton Metal Depot.
- F. Degree of bending of sheet is inconsistent with grade of steel used. IE 2 TO 4T.
- G. Any damage either mechanical or chemical caused directly or indirectly during shipment, storage, manufacturing (as in trim not produced by Benton Metal Depot) during or after installation.
- H. Failure to remove debris from roof that may result in improper drainage on any surface of the panel or roof. IE Standing water.
- I. Any damage done to the panel by improper scrubbing or scouring in cleaning procedures.
- J. Reaction caused by direct contact with wet lumber, green lumber, wet insulation, or any other corrosive element in proximity of roofing or siding panels.
- K. Failure to use long life fasteners such as Ultimates produced by Atlas Bolt and Screw or Zacs produced by Construction Fasteners selection of proper fasteners rest solely with the buyer.
- L. Any act of God such as fire, hurricane, tornado, hail, strong gale winds, lightning, flood, or other environmental phenomena of elements.
- M. Settlement of the roof deck, walls, or foundation of the project considered structural damage.
- N. Traffic on the roof area causing staining.
- O. Any impact caused from equipment or foreign objects.
- P. This warranty does not cover failures from edge corrosion typically caused by improper filed cutting or failure of the metal substrate.
- Q. This warranty becomes null and void once any panel has been repainted with the intention to make more cosmetically pleasing or mask substrate failure.

This warranty will be subject to the limitations and conditions above. All stipulations are set forth below.

Benton Metal Depot Inc for breach of this warranty will be limited to the cost of replacement and repairing of ruptured, perforating, or structurally failing panels. Benton Metal Depot Inc may provide FOB our planet sufficient product to replace the product determined ruptured, perforating, or structurally failing materials. Benton Metal Depot's exposure to expense will not exceed the owners original cost of the material within the first year and will be reduced by 5% for every year past the original invoice date.

Benton Metal Depot will assume no labor cost expended by the installer or other party in repairing or replacing failure sheets. Benton Metal Depot will accept no liability for any special deadlines, unloading, indirect charges or consequential damages either specific or incidental or compensatory damages to anyone as a result of panels not being nonconforming, rupturing, perforated, or structurally failing.

Note: All claims must be reported in writing within 30 days of discovery. Benton Metal Depot Inc must be given ample time to investigate and inspect affected panels ample time to be specified as thirty days (30). Buyer must submit proof of purchase at the time of the claim. This includes order number, invoice number, and date of shipment.

Buyer shall exercise diligence in inspecting panels as to mitigate any expense to Benton Metal Depot.

Benton Metal Depot reserves the right to terminate or modify this warranty except with respect to orders already accepted upon the giving of written notice.

This warranty is extended to the said party above and is non-transferable and non assignable. Should the buyer become insolvent, bankrupt, make n assignment for the benefit of its creditors or for any reason discontinued its normal or regular business practice this warranty will become null and void and of no legal effect.

Any panel repaired or replaced in accordance with our warranty shall not have the original warranty period extended. IE There will be no warranty unless otherwise stated in writing by Benton Metal Depot Inc.

The law of the state of Georgia shall govern the rights and duties of the parties under this agreement and jurisdiction and venue is fixed in Bulloch County, Georgia. This warranty is full and complete agreement of the parties shall not be modified, altered, or extended except in writing and signed by an officer of Benton Metal Depot and the buyer.

Benton Metal Depot makes no other guarantees or warranties expressed or implied, limited or otherwise, except as set forth within this warranty including without limitation warranties or merchantability or fitness for a particular purpose, and shall have no other liability with respect of.
