December 2014 President's Message

Well fellow anglers another year comes to a close with the Awards Banquet on Wednesday December 10, 2014 at the Santa Anita Gold Course Banquet Hall. Further information about location, time and events can be found in the newsletter.

We have had another great year of fishing thanks to Mike and Ernie who set up fresh and saltwater trips for us this year. Warren kept our whopper board records while Sam keeps the website and newsletters up to date. Dick has provided many outstanding speakers, although some have had a slight reluctance to come speak for various reasons (joke). Rachel and Don have overseen raffle activities. Denise keeps our books in order and acts a secretary.

This year several records were recorded and some whopper board totals were within ounces of moving up a notch. All will be revealed at the banquet and I congratulate all for your efforts.

The Friends of Rollo Raffle will be held this year and the main prize will be a fishing rod, what did you expect. This is a program near and dear to my heart as I believe we should pass our knowledge and love of fishing to the next generation and introduce as many children as possible to fishing. Remember once upon a time was your first time at fishing. Remember the anticipation and excitement and help pass that along. Raffle tickets will be \$5.00, however we will also take any donations made on behalf of the program.

The raffle as always is divided into three categories. Red Tickets for members of the club can be placed in any bucket, members raffle, guests, raffle or trip raffle. The Trip raffle also restricted to club members can only have red tickets. Blue tickets are for guests. A separate table will be display the Red, Blue, and trip ticket items as in past years. Winners must be present. This is to encourage attendance at the banquet.

The photo contest winners have been chosen. There are two. Each will receive a prize at the banquet.

Beginning next year we will have a "loser's bucket" Please print your name and phone number on the back of the part of the ticket you keep. The other half goes in the bucket and will be drawn. Your losing tickets will be collected and a drawing using all the collected losing tickets will be drawn at next years banquet. Have a question? Come see me. Do not throw your tickets away or help the club by placing both in the drawing at each meeting.

Finally I want to thank everyone for their participation in club activities over the past year. It was great to see more people at freshwater events and the charters ran mostly full. I believe we had a great year and look forward to fishing in 2015. Hope you had a great thanksgiving and that your holidays are full of family, love and goodwill. Hope to see you at the banquet, at a meeting or out on the water.

Thank You
Your President
William L Davis

SECRETARIES REPORT

DINNER MEETINGS

We are still able to meet at Mimi's Restaurant in Monrovia. It becomes more and more difficult to find meeting space as time goes on. We have strived to make this relationship work.

In order to maintain a good working relationship with Mimi's each member needs to continue to purchase food at our Dinner meetings. Yes, these are dinner meetings. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance.

If you are unable to purchase dinner please consider dessert and a beverage at least if you eat dinner at home. Also please remember that your check no longer includes the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

CLUB ROSTER/Membership

Club Rosters should be available from Membership Chairman Pierre Sycip if you need one. Just ask Pierre for an updated 2014 Roster.

RAFFLE NEWS

the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2014 are the same as last year: \$45 for an individual and \$60 for a family membership. That entitles you to one T-shirt for individuals and 2 T-Shirts for family members.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2014, your 2013 membership card is void. In order to receive the discount, a current 2014 membership card will be required. All store managers aware of this and there are **NO XCEPTIONS.**

Website Update

All of the updates have been entered into the Website. If you have anything you would like to add, e-mail it to newsletter@turnersrodandreeclub.com.

November Tak Trip

By

Ernie Branch

Well;

Our last saltwater trip of the year was met with great success. It warmed my heart to see all of our anglers show up the night before to enjoy sharing fish stories and a peaceful night on the boat.

All but one were club members. The exception was my friend Henry Castro who went on to win the jackpot for the biggest Calico. "Sorry Henry got to be a club member to get a hat."

Weather was a little rough out at the Islands, so the decision was made to go down the coast and fish for those big yellowtail that have been biting at Stateline. 1st fish hooked up was a big yellow by me. After fighting it for a while and down to deep color I realized 4 other lines were on my fish. Steve Kelly worked hard to get the lines untangled but by that time the Sea Lion had a chance to grab it and run. The fish got away. But not all was lost, Warren Harper picked up a follower on the way and was able to land a nice 22 pounder. Nice job Warren. A total of 4 yellows were hooked and two made it in the boat.

After the yellow bite was over we searched for Calicos and other species and were quite successful. Beautiful weather and lots a fun for everyone.

Anglers on the trip included: Glenn Bummer, Raffle Winner, Mike Maurizio, Warren Harper and his son Dylan, Chuck Auer, Rich Jenkins, Henry Castro, Carolyn Duncan, Paul Yazaki, Don Udlock, and yours truly Ernie Branch.

Warren Harper received the jackpot for biggest other fish.

Thank you all for your support.

PS; It has been a lot of fun serving as saltwater Charter Master for Turner Rod and Reel Club and I'm looking forward to next year

Ernie
