

1964 Triumph Spitfire Mark I for Sale, asking \$20,000 or Best Offer

This, "first generation", 1964 Triumph Spitfire has had the frame and body repainted and a complete mechanical restore with all suspension components replaced with new parts, rear end rebuilt with a 4.11:1 axle ratio, all new brake components have been installed, four new tires mounted and comes with two sets of road wheels. There are also new shocks on all four wheels.

The transmission was replaced with the correct version, but the original unit, that can be rebuilt, comes with the car. The engine has been totally rebuilt with new pistons and liners, rings, bearings and seals. The head was adjusted for unleaded fuel and has new valves, seats and guides. The original dual SU carbs were fully rebuilt and a performance cam installed in the engine. The engine has 10,000 miles on it. This car starts and runs great. All Show Trophies come with the car.

The complete interior has been replaced with new interior panel pieces, new leather seats and new steering wheel. The new top is in great shape with clear windows and the car comes with a tonneau cover. A luggage rack was installed with leather straps. There is a CD and Bluetooth stereo installed.

This Spitfire comes with several boxes of parts and a clean title and is in Cape Coral, Florida for viewing or test driving. Contact the owner Dio Perez by calling or text cell phone at 239-398-2897 or e-mail using diosdadoperez@comcast.net for additional information and questions.
