

Destiny or Destitution?

Hope is a Sanctuary of Time.. at peace with the destiny of man.

In a fruitless world of **false** hope.. *"TIME SAVES NO ONE"*

Consider a universal system of belief enshrined in a world gospel, paying homage to the machinations of the mind and heart ..and calling it **faith** --while drawing substance from an Enigmatic Triune Order! "I-H-S" The "Tripod" Magisterium.

CHARISMATIC INTOXICATION is a social psychosis that indulges man's lust for well-being, claiming divine will by virtue of a **holy high**.

Invariably... the pride of modern faith becomes a sanctimonious display, driven to *disengage* the mind from explicit **truth**.. ..filling it with false sentiment.

Next.. **Religious Sophistry** indoctrinates its way with ceremonial grace, challenging the brightest of minds to grab for **air** with fervor and formality...

...walking with the Spirit. "who's Spirit??" "what Spirit??"

*To say that some Merciful Icon of Grace rules the morbid specter of Eternal Hell
--conveys a dispossessed sense of morality!*

MODERN FAITH FEEDS OFF THIS DIABOLICAL PRETENSE!!

"As faith alleges moral accountability, so shall moral accountability bear raw scrutiny."

This precept **cultivates** the root of a grounded conscience, buried in..

TEN immutable laws.

CHARISMATIC INTOXICATION *programs* the conscience!

It is a pathological **distortion** of truth.. ..a fragrant flower of falsehood!

YAHSHUA'S EVERLASTING SPIRITUAL ATONEMENT

constitutes...

YhA's IMMACULATE SEED OF HOPE ..planted in the Sanctuary of TIME itself,

..enriched by the fertile souls of those who will sacrifice everything for its cause!

The leap of faith is into the soft soil of understanding...

..And never to the sky without wing.
