Start

Det 5, Quang Tri Promos

These slides show what programs were popular in 1969. Most likely they were available at all of the AFVN Detachments as well as at the Main Station.

A black and white photograph of a man, likely a character from the TV show 'Burke's Law'. He is wearing a dark shirt and a light-colored plaid jacket. He is holding a handgun in his right hand and looking off to the side with a serious expression. The background consists of a wooden door and a textured wall. The text 'Burke's Law' is overlaid in a large, white, bold font across the lower portion of the image.

Burke's Law
