Invoices are sent via email as a PDF. **Test results** are sent via email as a PDF to ICAA. ICAA will then send the test results to submitter via email as a PDF. Please contact ICAA to have results sent via US Mail.

Instructions:
Pull 30-40 mane or tail hairs with roots attached. Place hairs into a plastic zip-lock bag. Only one sample per horse is required to run multiple tests. Label bag with the horse's name as indicated on this form. Include payment information for the appropriate amount and send samples to the address below.

Money and samples are to be submitted directly to AGI, not ICAA.

By submitting this form with your sample you agree that Animal Genetics Inc. will not be held accountable for any incidental or consequential damages of any kind. Furthermore, Animal Genetics Inc. retains full ownership of the sample submitted. All test results are confidential. Access to test results is limited to the individuals listed on
