Judicial Officer Comments

The Court finds that due process does not require notice to the property owners concerning Petition No. 156, or a hearing for their benefit prior to the entry of this Order, because the Order does not and will not adversely affect the rights of any property owner. To the extent that the recorded "Mortgages" conferred or purported to confer any rights or interests in the subject properties, the holder of those rights was or is defendant DenSco Investment Corporation. The Receiver, acting on behalf of DenSco, disclaims any right or interest in the subject properties in Petition No. 156. The order releasing "DenSco-related liens and encumbrances" benefits the property owners by effectuating the disclaimer.
