

Press Release: For Immediate Release

The Bonita Museum and Cultural Center is excited to announce a solo exhibition by South Bay sculptor **Michael Leaf** February 7 thru Feb. 29, 2020. A public reception for the artist will be held Friday, February 7th from 5:30 to 7:30pm. The museum is free and located at 4355 Bonita Road in Bonita near the 805 freeway.

Michael Leaf is a third-generation San Diegan who makes his living as a fine artist working in the medium of metal. He is completely and diligently a self-taught artist who focuses on metal in multi-scale 2D and 3D installations. Michael's artwork can be seen in both commercial and public spaces around California, including at the Port of San Diego.

Michael views the world itself as a piece of art and gets his inspiration and ideas from exactly that. He strives to create unique and never seen before pieces that are based on freethinking with the hopes to excite and connect with his clients and their imagination.

The Bonita Museum and Cultural Center highlights the arts, history and culture of South Bay San Diego. This free museum is open Wednesdays through Saturdays from 10am to 4pm. For more information see the website at bonitahistoricalsociety.org
