

# NOT a Dead-End

God says, "It's NOT a dead-end. A door is about to open for you." Doors are an inevitable part of your life. After all, doors are mentioned at least 180 times in the Bible.

What looks like a dead-end, is actually a door that is about to open. God opens doors no one can shut and closes doors no one can open. I believe when with each closing door (or the appearance of what looks like a dead-end), He will open another way. Your faith is a key to opening the door to receiving all of God's promises.

*"I know your deeds. See, I have placed before you an open door that no one can shut. I know that you have little strength, yet you have kept my word and have not denied my name" (Revelation 3:8).*

In the Bible faith is defined as the evidence of things hoped for, the certainty of things unseen (Romans 10:17). Faith knows with certainty that God is able. Things you need may be unseen in this realm, but they are already provided for in the supernatural realm. Through the atoning sacrifice of Jesus, His death and resurrection you have been given access into the Kingdom of God. In the Kingdom, the supernatural realm, is where your healing, prosperity, peace and joy have been bought and paid for. He who created the world out of nothing can take the unseen things in your life and bring them into the now.

He makes a way where there seems to be NO way. The fight you fight is the good fight of faith (1 Timothy 6:12). Yes, there will be opposing forces trying to prevent you from believing God, but the word "fight" means "an intense struggle" so why are you surprised? It requires perseverance and taking every thought captive that exalts itself against the knowledge of Christ (1 Corinthians 10:5). It requires waiting on Him to show you the open way.

That is why you must walk by faith through those things that appear to be He dead-end situations. Remember, it is and not by what you see, that you believe (2 Corinthians 5:7). You have got to stay focused until what your are believing for manifests itself in this realm. You know the ending - God wins! Having done all stand!!! Wait on your miracle, and declare "I AM is ABLE!"

Never lose sight of who He is. He is the Eternal One, Maker of heaven and earth, and HE is your Creator. Your God is able and that Dead-End things is about to open up to something wonderful.
