Mission Appeal: Promoting Education Among Poor Children in India

Father Van Chinnappan was with us last weekend promoting education among the poor children of India. We will be supporting this ministry with a second collection this weekend.

- Christianity is India's third-largest religion with approximately 30 million followers, constituting 3% of India's population. Around 70% of Christians are Dalits, a marginalized group without any rights or power.
- For centuries, they have been deprived of education, human dignity, and equal opportunity. Due to poverty, the Christian children are unable to continue their schooling and end up working in restaurants, tea shops, brick kilns, hazardous firework factories and weaving factories.
- More than 15 million children are listed as child laborers in India. The only way these children can break this vicious cycle of poverty, abuse and oppression is to return to school.
- In this painful context, our Bishop, A. Neethinathan, Bishop of Chingleput Diocese makes this appeal in seeking your support and prayers. Your generosity through this mission appeal can help our children return to school and enjoy their childhood. You can surely prevent many children from child labor, child trafficking and child migration. Your contribution will be used to pay school fees, books, and uniforms.

Thank you and may God richly bless you for answering God's greatest commandment -- to love.

Online: \$1,890.00 **Envelopes:** \$3,082.53.00 **Loose:** \$467.00 **Maintenance:** \$375.00 **School:** \$600.00

Thank you for your generosity in support of our church and school!
