# Highlights

## SmartStand<sup>2</sup>

Philips unique SmartStand<sup>2</sup> is a complete commercial solution, offering 180 degree swivel that can be limited in either or both directions to 30, 60, or 90 degrees. The stand includes a securable mounting plate that can be affixed either using security screws or non-drill adhesive. In addition, all security hardware for

drill and non-drill mounting is included on select models (check with your Philips representative for specific models).

## USB Cloning

Provides the ability to easily copy all programming and channel programming

settings from one TV into other TV sets in less than a minute. The feature ensures uniformity between TV sets and significantly reduces installation time and costs.
