

## With 11 Gridders

# Stockton Heads All-League Picks

The Stockton Tigers, winners of the Mid-Continent League crown, dominated the all-league pickings as they placed 11 players on the first offensive and defensive teams.

Only three made it on both teams and all three were from Stockton. They were Randy Npy, Rick Johnston and Bob Saunders.

While Stockton had 11 first team picks, Phillipsburg had four, Plainville and Hill City three each and WaKeeney two. The Ellis Railroaders failed to place a player on the first team. The only mention for the Railers was a second team defensive spot claimed by senior Bob Haneke.

Sam Cooper and Mike Williamson, both of Plainville, were the only first team selection and both made the offensive team.
