

Stock Payout

In an effort to provide a good and fair incentive for all car owners/drivers to support your local track, we will use the following formula for the payout in all classes. This will apply to all races when the payout shown on the Riverside International Speedway web page is applicable. Any changes or exceptions will be noted for a specific event. Every finish position will be paid as follows based on the number of cars registered for an event by class: 12 or more-100%; 7-11-75%; 6 or less-50%.
